**SUMMARY:** Adds recreational noncommercial aircraft and ultralight operations on private airstrips as uses covered under the Recreational Use of Land and Water Act. This legislation would take effect in 60 days.

**ANALYSIS:** This legislation would amend the definition of “recreational purpose” in the Recreational Use of Land and Water Act to include the recreational operation of noncommercial aircraft and ultralights on private airstrips. This will apply the landowner liability protection provided under the act to these recreational activities as long as no fee is charged.

**FISCAL IMPACT:** This legislation will have no adverse impact on Commonwealth funds.
