SUMMARY:

House Bill 1110, printer's number 1440, amends the act of April 12, 1951 (P.L. 90, No. 21), as reenacted and amended, known as the Liquor Code, to further provide for limiting number of retail licenses to be issued in each county. The effective date is 60 days after enactment.

ANALYSIS:

The bill amends Section 461 of Liquor Code by decreasing the amount of gross sales that a (restaurant and eating place retail dispenser) Economic Development licensee must derive from the sale of food and nonalcoholic beverages to 50%. The current requirement is for these licensees to have food and nonalcoholic beverages sales equal to 70% or more.

FISCAL IMPACT:

The enactment of this legislation will have an immaterial impact on Commonwealth funds. The reduction in required gross sales for Economic Development Licensees is not anticipated to result in any notable increase in new licenses of this type so there is no measurable increase in revenue anticipated from the enactment of this bill.
