**SUMMARY:** Amends the Administrative Code of 1929 (Code) to add a new Article relating to Emergency COVID-19 provisions regarding extension of waiver provisions to residential cleaning services. This legislation would take effect immediately.

**ANALYSIS:** This legislation amends the Code to provide that the Secretary of Community and Economic Development shall, upon request of a residential cleaning service, immediately issue a waiver to the Governor's 20200319 TWW COVID19 Business Closure Order to the residential cleaning service if it can adhere to the social distancing practices and other mitigation measures defined by the Centers for Disease Control and Prevention to protect workers and mitigate the spread of the COVID-19 virus.

A residential cleaning service operating in this Commonwealth under a waiver that fails to comply with the social distancing practices and other mitigation measures defined by the Centers for Disease Control and Prevention will be immediately closed and may not be permitted to reopen until the residential cleaning service is in compliance.

The article expires upon termination or expiration of the COVID-19 disaster emergency issued by the Governor on March 6, 2020.

**FISCAL IMPACT:** This legislation may permit residential cleaning companies that are currently shut-down to reopen and operate under the proclamation of a disaster emergency. To the extent these additional companies can begin to operate and generate revenue and income, the Commonwealth would realize additional revenues.
