HOUSE BILL NO. 2182

PRINTER'S NO. 3145

PRIME SPONSOR: Marshall

COST / (SAVINGS)

FUND	FY 2023/24	FY 2024/25
Motor License Fund	\$0	See Fiscal Impact

SUMMARY: HB 2182 PN 3145 permits highway construction and maintenance vehicles to be equipped with flashing/revolving green lights, in addition to flashing/revolving yellow lights. This legislation will take effect in 30 days.

ANALYSIS: This legislation amends Title 75 (Vehicles) Section 4572 (Visual Signs on Authorized Vehicles) to authorize highway construction and maintenance vehicles to be equipped with one or more flashing/revolving green lights, in addition to flashing/revolving yellow lights.

Additionally, the bill provides that a person who equips or uses a vehicle with visual systems in violation of Section 4572, commits a summary offense punishable by a fine between \$100 and \$500, upon conviction.

FISCAL IMPACT: The enactment of this legislation would have a *de minimis* fiscal impact on commonwealth funds, specifically the Motor License Fund. By the imposition of a fine, PennDOT would be able to receive funds upon a conviction, however due to the unknown number of convictions, that amount is indeterminate.
