**DATE INTRODUCED**

**DESCRIPTION**

Senate Bill 1004 appropriates \$2,262,000 from the restricted revenue account within the General Fund to the Office of Small Business Advocate (OSBA) in the Department of Community and Economic Development (DCED).

The OSBA is administratively included within the Department of Community and Economic Development. However, the Small Business Advocate Act specifically provides that the Secretary of DCED is not in any way responsible for the policies, procedures or other substantive matters developed by the OSBA to carry out its duties under the act.

The OSBA is charged with representing the interests of small business consumers of utility services in proceedings before the Pennsylvania Public Utility Commission (PUC), federal regulatory agencies and in state and federal court. The OSBA is funded by assessments levied by the PUC on the public utilities subject to its jurisdiction. No General Fund revenues are used to support the OSBA's operations.

In 1993, the OSBA was assigned additional responsibilities involving the administration of Pennsylvania's workers' compensation system. The costs incurred by the OSBA in discharging those duties are paid from assessments made by the Insurance Department against the insurance companies that write workers' compensation insurance policies in Pennsylvania.

This act shall take effect July 1, 2024, or immediately, whichever is later.

**FISCAL IMPACT:**

Senate Bill 1004 will cost the restricted revenue account within the General Fund \$2,262,000 in Fiscal Year 2024-25. That funding amount represents a \$136,000 increase over the FY 2023-24 amount and is equal to the Governor's proposed level.
