RE: Co-sponsorship of Air Pollution Control Act Legislation

I plan to introduce legislation to amend the Air Pollution Control Act to provide that a percentage of fines or civil penalties imposed under the act be paid to a municipality that incurs costs or damages from the incident which resulted in the fine or penalty.

The amount to be provided to the municipality will be the lesser of the actual cost of the damages incurred or 25% of the fine or civil penalty collected.

The Department of Environmental Protection is granted the discretion to award additional amounts from the fine or civil penalty if damages exceed 25% of the penalty imposed.

This legislation will be similar to Senate Bill 1250 (printer's number 2083) from the 2009-10 legislative session, which passed the Senate unanimously but was not considered by the House.

If you would like to co-sponsor this legislation, please contact Michelle Kreiger at mkreiger@pasen.gov or 787-4712.
