MEMORANDUM

TO: Members of the House of Representatives
FROM: Representative Adam Ravenstahl *AR*
DATE: January 31, 2011
SUBJECT: Nurses Week Resolution

In the near future, I plan to introduce a resolution declaring May 6-12, 2011 as "Nurses Week" in Pennsylvania.

Annually, National Nurses Week focuses on highlighting the diverse ways in which registered nurses are working to improve health care. From bedside nursing in hospitals and long-term care facilities, to the halls of research institutions, state legislatures and Congress; the depth and breadth of the nursing profession is meeting the expanding health care needs of American society. The Pennsylvania State Nurses Association, which includes 23 organizational affiliates, is the largest professional nursing association in this Commonwealth and represents more than 200,000 registered nurses and their patients.

If you would like to co-sponsor this resolution, please e-mail Dina Vernet at dvernet@pahouse.net.
