MEMORANDUM

To: All House Members

From: Representative Tony DeLuca 

Subject: Public Officials on Board of Directors of Charter Schools

Date: April 12, 2011

Please join me in sponsoring important legislation regarding the composition of the boards of directors of charter schools. My legislation, which will be introduced in the near future, will prevent "public officials" from serving on the board of directors of charter schools.

This legislation will benefit public officials who could find themselves in a conflict of interest situation when considering legislation that affects charter schools. In addition to preventing these conflicts, the bill will further promote transparency and open government. I would also note that the bill is prospective only and does not affect current public officials who are presently on the board of directors of the schools.

If you would like to co-sponsor my bill, please contact Linda Dolfi at ldolfi@pahouse.net or call my office at 783- 1011.
