**SUBJECT: COSPONSORSHIP OF RESOLUTION—JEWISH FEDERATION OF GREATER PITTSBURGH**

In the very near future, I will introduce a resolution celebrating the 100<sup>th</sup> anniversary of the Jewish Federation of Greater Pittsburgh and commending the organization for its collaborative efforts to create a strong, vibrant and caring community in Pittsburgh and Western Pennsylvania.

Since its inception, the Federation has strived diligently to give care to those in need, give deeper engagement in quality of life, and give strength to the Pittsburgh community, as well as provide leadership and nurture leaders of tomorrow. Among their many goals, the Federation has focused on the key areas of health, education and the general welfare of our society, all while working collaboratively with individuals of all backgrounds and faiths. Next year, the Federation will celebrate its 100<sup>th</sup> year of serving the community and providing support to those in need.

For these reasons, I hope you will join me in support this important resolution. If you would like to co-sponsor, please contact Dylan Reed in my office via e-mail ([ddreed@pahouse.net](mailto:ddreed@pahouse.net)) or phone (783-7316).
