MEMORANDUM

DATE: December 5, 2011

FROM: Rep. Gordon R. Denlinger 

TO: All House Members

SUBJECT: Cosponsor – Preventing Conflicts of Interests in School Health/Sexual Education

Our children deserve the best and most comprehensive education possible. This statement extends to all areas which are taught in our public schools, including sexual education. Presently, information provided in our public schools is not always comprehensive or factually and medically accurate.

As a result, I plan on introducing legislation to assure parents in this Commonwealth that their children will only be provided with factually and medically accurate information when it comes to human sexuality and sexually transmitted diseases. Further, my legislation will guarantee that the parent's role in moderating the moral aspects of sexuality is not trumped by the school by preventing the use of materials prepared by abortion providers or presenters who provide abortion services.

If you wish to co-sponsor this legislation, please contact Jessica Murphy in my office at jlmurphy@pahousegop.com.
