Subject: Proposed Legislation
Amend Vehicle Code – Increase the Fee Charged for Accident Reports

I have been asked by police chiefs in my district to increase the cost of providing an accident report to citizens and insurance companies.

Accordingly, I am introducing legislation to allow municipal police departments to charge more money for providing such reports.

Currently, a police department in the City of Philadelphia may charge \$25. My legislation would raise that fee to \$35. In all other municipalities, the fee would rise from the current \$15 to \$30.

Philadelphia	Current - \$25	Proposed - \$35
All other municipalities	Current - \$15	Proposed - \$30

The fees were originally set in 2004 and have not been changed since that time.

If you would like to be a co-sponsor of this legislation, please contact my secretary, Lily Horst, at 787-2686, or via e-mail at lhurst@pahousegop.com.

Thank you.
