RE: Co-Sponsorship of "Professional Geologist Day" Resolution

I plan to introduce a resolution to commemorate the 20th anniversary of P.L. 1151, No. 151 by declaring December 16, 2012 to be Pennsylvania Professional Geologist Day.

On December 16, 1992, the General Assembly enacted P.L. 1151 in recognition of the need to ensure our licensed professional geologists meet stringent education, experience and professional exam requirements established by the Pennsylvania State Board for Professional Engineers, Land Surveyors and Geologists.

Currently, there are approximately 2,300 active licensed professional geologists engaged in the practice of geology in Pennsylvania.

If you would like to co-sponsor this resolution, please contact Michelle Kreiger at mkreiger@pasen.gov or 787-4712.
