## AN ACT

1 Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An  
2 act relating to the public school system, including certain  
3 provisions applicable as well to private and parochial  
4 schools; amending, revising, consolidating and changing the  
5 laws relating thereto," in preliminary provisions, providing  
6 for minimum hourly wage or living wage for education support  
7 professionals; in duties and powers of boards of school  
8 directors, further providing for majority vote required and  
9 recording; and imposing duties on the Department of Labor and  
10 Industry.

11 The General Assembly of the Commonwealth of Pennsylvania  
12 hereby enacts as follows:

13 Section 1. The act of March 10, 1949 (P.L.30, No.14), known  
14 as the Public School Code of 1949, is amended by adding a  
15 section to read:

16 Section 134. Minimum Hourly Wage or Living Wage for  
17 Education Support Professionals.--(a) Beginning in the 2024-  
18 2025 school year:

19 (1) An education support professional shall be paid a  
20 minimum hourly wage of not less than twenty dollars (\$20) per  
21 hour or the living wage determined under subsection (f),

1 whichever is greater.

2 (2) For overtime hours, an education support professional  
3 shall be paid not less than one and one-half (1 1/2) times the  
4 amount that the education support professional is paid under  
5 paragraph (1).

6 (3) For an education support professional paid on a salaried  
7 basis, salary shall be compared to hours worked in two-week  
8 periods to ensure that the education support professional is  
9 paid not less than required under this section.

10 (b) This section shall not be construed to require the  
11 modification, renegotiation or reopening of an agreement or  
12 employment contract in effect on the effective date of this  
13 subsection. Subject to subsection (c), the salary schedule or  
14 any other terms of the agreement or employment contract are not  
15 superseded or modified by this section.

16 (c) Notwithstanding subsection (b), beginning in the 2024-  
17 2025 school year and during the term of any agreement or  
18 employment contract in effect on the effective date of this  
19 subsection, through and including the 2028-2029 school year, a  
20 public school entity shall make a supplemental wage payment to  
21 each education support professional who is entitled to a wage  
22 that is lower than the minimum hourly wage or living wage  
23 required under subsection (a). The supplemental wage payment  
24 shall be in an amount equal to the number of hours worked by the  
25 education support professional during the school year multiplied  
26 by the difference between the minimum or living wage required  
27 under subsection (a) and the lower wage to which the education  
28 support professional is entitled under the terms of the  
29 agreement or employment contract in effect on the effective date  
30 of this section, which shall not be lower than the wage that the

1 education support professional received for the immediately  
2 preceding school year.

3 (d) A public school entity shall be entitled to receive a  
4 payment under subsection (g) if the public school entity:

5 (1) makes a supplemental wage payment under subsection (c)  
6 in any school year from 2024-2025 through 2028-2029, inclusive;

7 (2) on or after the effective date of this subsection,  
8 enters into an agreement or employment contract meeting the  
9 requirements of subsection (e) for the 2024-2025 school year; or

10 (3) is operating under a period of status quo during the  
11 2024-2025 school year following the expiration of an agreement.

12 (e) An employment contract or an agreement negotiated by a  
13 public school entity and an employe organization under the  
14 Public Employe Relations Act, on or after the effective date of  
15 this subsection, shall not provide for a wage lower than  
16 provided for under subsection (a). A provision in an agreement  
17 or employment contract in effect on the effective date of this  
18 section that provides for a wage in conflict with subsection (a)  
19 shall be discontinued in a new or renewed agreement or  
20 employment contract or during the period of status quo following  
21 the expiration of an agreement.

22 (f) The following apply regarding the living wage:

23 (1) Within thirty (30) days of the effective date of this  
24 paragraph, the Department of Labor and Industry shall:

25 (i) Determine the living wage applicable to each public  
26 school entity in this Commonwealth.

27 (ii) Post the living wage described in subparagraph (i) on  
28 the publicly accessible Internet website of the Department of  
29 Labor and Industry.

30 (2) Beginning one year after the effective date of this

1 paragraph, and each year thereafter, the Department of Labor and  
2 Industry shall:

3 (i) Adjust the living wage described under paragraph (1)(i)  
4 upward if there has been a positive percentage change in the  
5 Consumer Price Index for All Urban Consumers: All Items (CPI-U)  
6 for the United States City Average as published by the United  
7 States Department of Labor, Bureau of Labor Statistics, for the  
8 previous twelve-month period.

9 (ii) Post the adjusted living wage described in subparagraph  
10 (i) on the publicly accessible Internet website of the  
11 Department of Labor and Industry.

12 (g) The following apply to supplemental reimbursements and  
13 special payments regarding wage increases for education support  
14 professionals:

15 (1) Each public school entity making supplemental wage  
16 payments as provided for under subsection (c) shall receive  
17 supplemental reimbursement payments or special payments from the  
18 Department of Education in amounts, on dates and in a manner  
19 determined by the Department of Education.

20 (2) The reconciled amount of the payments for any school  
21 year from 2024-2025 through 2028-2029, inclusive, shall be paid  
22 to the public school entity in each school year thereafter.

23 (3) Payment under this subsection shall be in addition to  
24 any other amount payable to the public school entity.

25 (4) For a school district, the total net, reconciled amount  
26 of supplemental reimbursements that the school district receives  
27 shall be included in the school district's allocation amount  
28 under section 2502.53(b)(1).

29 (5) Notwithstanding any other provision of this subsection,  
30 if a public school entity enters into a contract for

1 noninstructional services with a third party under section 528  
2 on or after the effective date of this paragraph, the public  
3 school entity shall permanently forfeit an amount equal to the  
4 payment received by the public school entity under this  
5 subsection multiplied by the number of public school employe  
6 positions eliminated due to the public school entity's decision  
7 to enter into the contract with a third party under section 528.

8 The following apply:

9 (i) The Department of Education shall determine the amount  
10 forfeited.

11 (ii) In the case of a school district, the amount forfeited  
12 shall be permanently removed from the school district's  
13 allocation amount under section 2502.53(b)(1).
