## LEGISLATIVE JOURNAL

TUESDAY, SEPTEMBER 26, 1989

SESSION OF 1989

173D OF THE GENERAL ASSEMBLY

No. 54

### HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

#### THE SPEAKER (JAMES J. MANDERINO) IN THE CHAIR

##### PRAYER

REV. CLYDE W. ROACH, Chaplain of the House of Representatives, from Harrisburg, Pennsylvania, offered the following prayer:

Let us pray:

Gracious God, our Father, we are beginning now to settle into the serious business of legislating for the governance and well-being of Your people. Grant that it never becomes so routine and unexciting that we take the interests of anyone for granted, but rather may we seize each moment and use it for Your honor and glory.

We are aware that we do not all see the issues before us in the same light, and many times our interests are diametrically opposed. Then, Lord, show us how to resolve our differences so that our constituents will continue to prosper and their interests advance.

Bless each of us according to Your grace and heavenly benediction.

In Your dear name we pray. Amen.

##### PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

##### JOURNAL APPROVAL POSTPONED

The SPEAKER. Without objection, we will postpone until printed the approval of the Journal dated Monday, September 25, 1989. The Chair hears no objection.

The question was determined in the affirmative, and the amendment was agreed to.

On the question,

Will the House agree to the bill on third consideration as amended?

Bill as amended was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

The Chair recognizes the gentleman from Berks County, Mr. DAVIES, on final passage.

Mr. DAVIES. Would the gentleman stand for one or two questions on the bill?

The SPEAKER. The Chair is unable to hear for what purpose the gentleman rises, and the gentleman is attempting to communicate that to the Speaker. Will this House please be in order.

The gentleman, Mr. DAVIES, has been recognized on final passage.

Mr. DAVIES. Mr. Speaker, on page 2 where it has stated "viewing screen," does that therefore include television, cable television or any such— Let us leave it just at television, if in any way is a public display of either cable or other television,

such as in a store window or in a bar. Is that included in the definition?

The SPEAKER. Does the gentleman, Mr. Davies, request to interrogate a member of the House regarding the information requested?

Mr. DAVIES. Yes, Mr. Speaker.

The SPEAKER. And to whom are you directing your inquiry?

Mr. DAVIES. The prime sponsor of the bill, Mr. Speaker.

The SPEAKER. The prime sponsor of the bill, Representative Caltagirone, will you consent to interrogation? He accepts the interrogation. You may proceed.

Mr. DAVIES. Thank you, Mr. Speaker.

Mr. Speaker, on line 5 of the bill, does a "viewing screen" include TV viewing, such as cable, or any presentation of television that may appear in public, such as in a store window or in a bar that has cable TV or other television?

Mr. CALTAGIRONE. Mr. Speaker, I just could not hear the question.

The SPEAKER. The Chair is unable to help Representative Caltagirone hear the question without the assistance of the members of the House who insist on speaking when they have not been recognized on the floor of the House. The rules of the House require silence when you are sitting in your seats.

Now, Mr. Davies has attempted twice to ask a question of the prime sponsor of the bill. The first time he asked the question the Speaker was unable to understand what he was trying to do. The second time, Mr. Caltagirone was unable to hear the question. Will this House please be in order.

Mr. Davies, would you care to put the question again to Mr. Caltagirone?

Mr. DAVIES. Thank you, Mr. Speaker.

In line 5 on the first page, the matter of "viewing screen," Mr. Speaker, does that include cable television or any presentation of television that would either be able to be viewed by the public, such as if it would be in a storefront window or let us say at a public affair, or whether it would include in a bar or some facility such as that?

Mr. CALTAGIRONE. Mr. Speaker, I think, if you are referring to the section of the bill on page 2, line 5— Is that the section that you are referring to?

Mr. DAVIES. Page 1—

Mr. CALTAGIRONE. Page 1?

Mr. DAVIES. —line 5, "viewing screen."

Is it the intent to include television screens, whether it is cable or whether it is remote or it would be a public display of VCR material on a viewing screen, a television screen?

Mr. CALTAGIRONE. In looking at the bill— HB 1141, PN 1717?

Mr. DAVIES. Yes.

Mr. CALTAGIRONE. There is no reference made on page 1.

Mr. DAVIES. I am sorry, Mr. Speaker. You are correct. It is page 2, line 5. You are correct.

Mr. CALTAGIRONE. Okay.

That is current law. That is current law. That part that you are referring to has not been amended and/or changed.

Mr. DAVIES. All right. So then that would mean that any of the changes in here then would be included in the current law and would then expand the current law to what the new definitions of "obscenity" are within the legislation?

Mr. CALTAGIRONE. Yes.

Mr. DAVIES. Thank you, Mr. Speaker.

On the question recurring,

Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the bill passed finally.

Ordered, That the clerk return the same to the Senate with the information that the House has passed the same without amendment.

\* \* \*

The House proceeded to third consideration of **SB 727, PN 1013**, entitled:

An Act amending the act of December 17, 1986 (P. L. 1685, No. 197), entitled "An act providing that recorders of deeds may make additional charges for accepting certain documents," regulating sizes of documents accepted for recording.

On the question,  
Will the House agree to the bill on third consideration?  
Mr. RYAN offered the following amendment No. A2919:

Amend Sec. 1 (Sec. 1), page 1, lines 14 through 18; page 2, lines 1 through 8, by striking out all of said lines on said pages and inserting

Section 1. Size of documents accepted for recording.

The recorder of deeds may charge twice the ordinary fee for accepting any document for recording which is larger than 8 1/2 by [14] 11 inches in size. Subdivision maps, Department of Transportation highway and condemnation maps, other similar maps and plots or drawings required to be recorded in the recorder of deeds office shall be exempt from this requirement.

On the question,  
Will the House agree to the amendment?

The SPEAKER. On the question of agreeing to the amendment, the Chair recognizes Representative Ryan.

Mr. RYAN. Thank you, Mr. Speaker.

Mr. Speaker, we have a provision in the law now that if a person wants to record a mortgage which is other than the size permitted, the recorder of deeds has a right to double the fee. The bill as it is before us does not have such a provision but rather permits a recorder of deeds to set the size of any mortgage, county by county, that he wants to set. This amendment would say that the recorder has to take a mortgage, but he has the right to charge more.

I understand that the gentleman, Mr. McCall, also had the same amendment that I had. This is really just bringing the law back around to where it was but with different sized instruments being recorded, and I think it makes some sense to pass this. I do not believe a recorder of deeds should say, we will not take that mortgage. Now, he should perhaps charge more because he has to go to some more trouble, but he should not be given the option of deciding what is or is not a legal document entitled to be recorded in the county. Thank you, Mr. Speaker.

The SPEAKER. The question is, will the House agree to the amendment? On that question, from Carbon County, Representative McCall is recognized.

Mr. McCALL. Thank you, Mr. Speaker.

The gentleman, Mr. Ryan, is absolutely correct. The chairman of the legislative committee for the recorders of deeds resides in my district, and it was their intent to have this language placed into the bill. The Recorders of Deeds Association does support it, and I support Mr. Ryan's amendment. Thank you, Mr. Speaker.

The SPEAKER. The question is, will the House agree to the amendment? On that question, from York County, Representative Bortner is recognized on the amendment.

Mr. BORTNER. May I interrogate the minority leader?

The SPEAKER. The Republican leader has consented to interrogation.

Mr. BORTNER. Mr. Speaker, I just have one question, and that concerns the size of the documents. I certainly agree that recorders ought to be able to charge more. I think it makes more sense for us to standardize it, because the practice now is that people are getting mortgages from banks not just across the State but across the country. My only question concerns whether the present law deals with 8 1/2 by 11 or 8 1/2 by 14 size.

Mr. RYAN. My understanding is the present law deals with 8 1/2 by 14, and this new bill would change that size to 8 1/2 by 11. Do not ask me why. I have no idea of the significance

of 8 1/2 by 11 versus 8 1/2 by 14. The only thing I am saying is, let them make up their own minds, according to their equipment, what should be the acceptable flat fee, no-extra-charge size document, but do not tell me I cannot record something else if I am willing to pay for it. I do not understand why they are changing from 14 inches long to 11. Mr. McCall may.

The SPEAKER. For what purpose does the gentleman from Carbon, Mr. McCall, rise?

Mr. McCALL. To answer the gentleman, Mr. Bortner's question.

Mr. BORTNER. I would appreciate that, Mr. Speaker.

The SPEAKER. On the allowance of the person who has the floor, Mr. Bortner, you may answer the question.

Mr. McCALL. Thank you, Mr. Speaker.

The reason the recorders of deeds are trying to change it back to 8 1/2 by 11 is most of them are using microfilm. With the 8 1/2 by 11, they can get eight recording documents on one piece of microfilm, whereas on the 8 1/2 by 14, they can only get about four sheets onto the microfilm. So it is a cost savings for them with the film on the microfilm also. So that is why they want the 8 1/2 by 11; they are trying to standardize it statewide.

Mr. BORTNER. Thank you, Mr. Speaker. If I could just make a comment.

The SPEAKER. The gentleman is in order.

Mr. BORTNER. I am not sure that that is a good enough reason for me to change. I certainly do not think this is that controversial, but I think Mr. Ryan is absolutely right. Banks and mortgage companies ought to be able to know what is going to be a recordable instrument and what is not going to be. We really ought to standardize it, and I would support the amendment. Thank you.

On the question recurring,  
Will the House agree to the amendment?
