COMMONWEALTH OF PENNSYLVANIA

LEGISLATIVE JOURNAL

WEDNESDAY, SEPTEMBER 27, 2000

SESSION OF 2000

184TH OF THE GENERAL ASSEMBLY

No. 44

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

THE SPEAKER (MATTHEW J. RYAN) PRESIDING

PRAYER

REV. JULIANN PUGH, Chaplain of the House of Representatives and pastor of Camp Hill Presbyterian Church, Camp Hill, Pennsylvania, offered the following prayer:

Let us pray:

How foolish are Your creatures, O God. We accumulate wealth and imagine ourselves secure in possessions and property, or we utilize some inborn gift and dote on the plaudits of our peers. We live for ourselves alone and give no thought to eternity. We claim that You are simply not necessary to our existence. We claim that man must be sufficient unto himself and that You were designed to pacify the weak and childish. But when our riches melt away, our health begins to fail, talents wear thin, and remaining years become few, when no one honors us or expresses concern for us, we then stand naked and exposed in empty despair. Our fortress is breached, and we begin to look for the God whom we discarded in our youth.

It is my prayer that each person in this room carefully consider the security of a loving relationship to You, O merciful God, and demonstrate in our lives the eternal joy of knowing and relating to You. Strengthen those who suffer for the sake of conscience. When they are accused, save them from speaking in hate; when they are rejected, save them from bitterness. To us, Your servants, give us grace to respect their witness and to discern the truth, that our society may be cleansed and strengthened.

Eternal God, our Creator, You set us to live in families. As many of those prepare to leave from this place this afternoon for their home districts, we pray that they have safe travel and return to this place replenished. We commend to Your care all the homes where Your people live. Keep them, we pray, free from the thirst for personal victory and from pride in self. Fill them with faith, virtue, knowledge, moderation, patience, and godliness. Knit together in enduring affection those who have become one in marriage. Rekindle their hearts so that the love they once held for one another would once again grow into a flame.

Bestow on us, loving God, understanding to know You, diligence to seek You, wisdom to find You, and a faithfulness that they may finally embrace You.

Hear this our common prayer. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

JOURNAL APPROVAL POSTPONED

Mr. Speaker, I rise to offer amendment 3636 to HB 2600, PN 3695.

I will wait until the greetings and salutations are over, if the Speaker does not mind.

The SPEAKER. I do not mind at all.

The conference in the fourth aisle, Democrat side— Clear the aisle.

Mr. George.

Mr. GEORGE. I thank you, sir.

Mr. Speaker, the contents of the bill that the gentleman offers is very important verbiage that many of us as legislators are in support of or there would not be 140 sponsors. What my amendment attempts to do – and I am hopeful that the sponsor of this legislation along with the other 140-some will be in agreement – this bill would not allow the Department of Public Welfare to close a State-operated mental retardation facility or a State hospital unless there is enabling legislation enacted or a court order is obtained. My amendment would simply require that when the department seeks to close a facility or a hospital by court order, it must hold a public hearing in the affected county within 30 days after the department has decided to seek judicial action for the closure of that facility.

I propose to require a public hearing when a facility is to be closed through court order, because affected persons, their families, and interested persons in the community are less likely to have the opportunity for input into the decision than when the department seeks to close a facility through enabling legislation. The public hearing must be held in the county where the facility

is located, must be announced in a paper of general circulation on 2 consecutive days at least 15 days prior to the hearing, and must be transcribed. The subjects to be considered include, for example, the rights as well as the types and array of available services for individuals with disabilities and their families.

Mr. Speaker, I do not need to go on and read this dissertation. I can simply say to the members of this House, by example you continue to prove that we do care for those who need and enlist our help to take care of a problem that is existing. I ask that we support this legislation.

The SPEAKER. The Chair thanks the gentleman.

On the question recurring, Will the House agree to the amendment?

The following roll call was recorded:

Mr. STAIRS called up HR 574, PN 3946, entitled:

A Resolution recognizing "Pennsylvania Legislators Back to School Day."

On the question,

Will the House adopt the resolution?

(Members proceeded to vote.)

VOTE STRICKEN

The SPEAKER. Strike the board, please.

The Chair apologizes. Mr. Stairs, did you desire recognition on this resolution?

Mr. STAIRS. Yes. Thank you, Mr. Speaker.

I know we are moving resolutions and we are doing it rather quickly, so I would hate to belabor a very smooth process. But I just wanted to thank the legislators, and there are over 125 of

my colleagues who participated on September 15 in "Legislators Back to School Day," which was a national event. Other legislators across the country did that. And I know that throughout the year, I would think, and I say this very easily knowing I am probably correct, that all legislators participate in school activities. This year we kind of focused on one day. I hope that is just only a beginning. And for those legislators who were not aware because it was kind of a last-minute planning process, next year we would like to have 100 percent participation, have all legislators take part. We will get the information out to them sooner and make this day something special in our schools across the Commonwealth.

So again, those who participated, thank you. I know that you enjoyed it and it was very rewarding, and particularly the students got a lot out of this event also. So just to tell you, next year we want to make it bigger and better.

So thank you, Mr. Speaker, for letting me make a few brief remarks.

The SPEAKER. The Chair thanks the gentleman.

Mr. LESCOVITZ. A parliamentary inquiry, Mr. Speaker.

In order to run SB 1109 for concurrence, since it was not on the voting schedule, do we have to suspend the rules?

The SPEAKER. We were advised that it has been on the voting schedule, if you would take a look and see if it is not there.

The Parliamentarian advises me it is on the schedule. All right? Mr. Lescovitz is satisfied.

On the question recurring,

Will the House concur in Senate amendments to House amendments as amended by the Rules Committee?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.
