LEGISLATIVE JOURNAL

WEDNESDAY, JUNE 13, 2001

SESSION OF 2001

185TH OF THE GENERAL ASSEMBLY

No. 39

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

**THE SPEAKER (MATTHEW J. RYAN)
PRESIDING**

PRAYER

REV. JULIANN PUGH, Chaplain of the House of Representatives and pastor of Camp Hill Presbyterian Church, Camp Hill, Pennsylvania, offered the following prayer:

Let us pray:

God of all liberty and true freedom, tomorrow we honor the flag of our nation and what it stands for: All men are created equal, liberty and justice for all. But do we truly believe these words in our heart? We ask You to blow apart our notions of justice, liberty, and equality, tearing down our refusal to understand that none of us has truly earned these things but we have been blessed by You to be in a place that subscribes to what it means to be under Your laws – under God. May we remember that being under God is challenging and causes us to live in a way that sees all people as Your children and forces us to stretch our horizons, to be better men and women. Lengthen our sight and enlarge our sympathies that we find no man so ugly or woman so troublesome or child so insignificant that we close the door against need or shut our eyes upon hope.

We pray for the leaders of the world today as they wrestle with issues that will affect Your children – in the Middle East, where they continue to negotiate a cease-fire, and in Brussels, where our President is meeting with the leaders of the many European nations. Our prayer is that they look to You for guidance, for we know that Your ways are not our ways.

As the leaders of this State attempt to make their way through many pressing issues in order to begin their summer respite, guide them not to feed upon their people but to feed them and not to think that praising justice excuses them from doing it. Chasten them to honesty and kindness, and deny them the complacency that they are too important to obey their own laws. By whatever name they call You, vouchsafe that they stand with You, work for You, and bear with You the heavy yokes of righteousness and truth; to remember that we are a nation under God, with liberty and justice for all.

To Thine be the power and the glory forever. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. Mr. McCall.

Mr. McCALL. Thank you, Mr. Speaker.

Mr. Speaker, I would like to submit some remarks for the record.

The SPEAKER. That is fine. Send them to the desk, please.

Mr. McCALL submitted the following remarks for the Legislative Journal:

With only a miner's lamp to guide them, generations of coal miners tunneled into the earth to retrieve the fuel we needed to operate our industries and to heat our homes.

Pennsylvania's coal miners became the catalyst for the American Industrial Revolution, even as they performed one of the most difficult and dangerous jobs available. It is only fitting that the nation recognizes our coal miners, both past and present.

In 1996 and in 2000 and 2001, I contacted the Citizens' Stamp Advisory Committee to recommend a coal miners' postal stamp as part of its "America at Work" series. The series will highlight various occupations in the labor workforce that contributed to the development of the United States.

My legislative district in Carbon County is the heart of the anthracite coal region and holds great historic significance in the discovery of anthracite coal in 1754.

Mining anthracite profoundly affected the location, output, technology, and organization of American industry and rail transportation. It was individual coal miners who played an undeniably important role in the new economy, while at the same time working in harsh and unsafe conditions.

Earlier this year, I introduced HR 121 that would memorialize the United States Postal Service to issue a Coal Miners' Postal Stamp. Today I ask your support.

Children at Edward Mackin Elementary School in the Wilkes-Barre Area School District have been busy in their classrooms with this stamp project. In addition to writing letters to various people, organizations, and Congressman Kanjorski, even Governor Ridge, they have posted an online petition that has already received 7,300 signatures.

These children represent so much — they are the children and grandchildren of present and former coal miners and they are the catalyst for future economic development. I hope to be able to call them later and tell them that the House of Representatives supports their goals as much as they do.

Our coal miners have toiled to help build this country. It is only fitting that they have a commemorative stamp recognizing their great achievements.

REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. Mr. Reinard, do you have remarks you wanted submitted for the record?

Mr. REINARD. Yes, Mr. Speaker. Thank you. I appreciate your indulgence.

The SPEAKER. Submit them to the clerk. Thank you.

Mr. REINARD submitted the following remarks for the Legislative Journal:

Mr. Speaker, it is my privilege to bring to the attention of the Speaker and the members of the Pennsylvania House of Representatives the name of Michael Long, who has recently been awarded Scouting's highest honor — Eagle Scout.

Mr. Speaker, I would like to read to the members of the House of Representatives the following citation of merit honoring Michael Long.

Whereas, Michael Long earned the Eagle Award in Scouting. This is the highest award that Boy Scouts can bestow and as such represents great sacrifice and tremendous effort on the part of this young man. He is a member of Troop 5.

Now therefore, Mr. Speaker and members of the House of Representatives, it is my privilege to congratulate and place in the Legislative Journal the name of Michael Long.

REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. Mr. Coy, same thing?

The gentleman, Mr. Coy's remarks will be taken for the record.

Mr. COY submitted the following remarks for the Legislative Journal:

Amendment A2698 to SB 816

This amendment is agreed to by Senator Wenger, the prime sponsor of the legislation.

It does two things:

First, it specifically adds avian influenza as a disease under which the penalties for biological assault would apply. This will provide explicit and specific protection for the poultry producers who were nearly wiped out by this highly transmissible disease in the last two decades.

Second, it also expands protection to include apiaries for the honey bee industry which has been devastated by the Varroa mite over

the last several years, including it under the penalties for assault by a biological agent.
