## LEGISLATIVE JOURNAL

TUESDAY, MAY 6, 2003

SESSION OF 2003

187TH OF THE GENERAL ASSEMBLY

No. 32

### HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

**THE SPEAKER (JOHN M. PERZEL)  
PRESIDING**

#### PRAYER

REV. MARY ELLEN BECKMAN, Chaplain of the House of Representatives, offered the following prayer:

Let us pray:

Great and energizing God, how grateful we are to be a part of this universe, to be a part of this day, and to have the responsibility of serving You in the House.

Every day we are in session there is so much going on outside these walls and inside. People gather outside and inside the Capitol to observe, to learn, to protest. Help all involved in the making of laws, in discussing issues, to be aware of all these factors that surround us. Keep us attuned so we may find a healthy balance within ourselves, a firm understanding of others, and a greater friendship with You, for this is the peace that we all strive for this day.

Each of us has our own ambitious agendas. Help us, Father, to pursue a more intimate outlook as we work to improve our State. Challenge us to see the whole person and not only how different they are from us. Help us to overcome the barriers which stand in our way – the tangible and the intangible. Help us to pursue the true goals we set for the State of Pennsylvania. We thank You, God, for making us a part of it. We thank You for the multitude of Your gifts that You give to us.

As we open session today, agendas will be brought into view – some old, some new. Remind ourselves as we study them, as we vote on them, that we are for the people and that we strive to do only the good as we look at issues such as health care, education, welfare, senior citizens, to name only a few. Power is dangerous, and the temptation to prove we have power sometimes causes us to fail in making right choices, right decisions.

This is another new day in the House. Bless us as we pursue this day full of visions for the future, balance in harmony, true integrity, always mindful of not my will but Your will be done. Amen.

#### PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

### **ALPHA KAPPA ALPHA MEMBERS INTRODUCED**

The SPEAKER. The Chair recognizes the Honorable LeAnna M. Washington, chair of the Pennsylvania Legislative Black Caucus.

Will the members please take their seats. The gentlelady deserves to be heard.

Ms. WASHINGTON. Thank you, Mr. Speaker.

This is a very special day for me, as I am hosting as my guests my sorors from Alpha Kappa Alpha Sorority, Incorporated. I will also be introducing a resolution today honoring the members of AKA (Alpha Kappa Alpha), and I thank my colleagues in the Pennsylvania House of Representatives for their cosponsorship to this resolution.

Alpha Kappa Alpha Sorority is America's first Greek-letter organization— Mr. Speaker, can I have—

The SPEAKER. Could we please have some attention. Please keep the noise levels down.

Ms. WASHINGTON. Thank you, Mr. Speaker.

Alpha Kappa Alpha Sorority is America's first Greek-letter organization established by African-American college women, and our roots go back to 1908, when we were first established at Howard University in Washington, DC.

We are a group of proud, black, educated, accomplished women who make the world and our communities a better place by virtue of our service. Please note that we have with us today members of five chapters of Alpha Kappa Alpha – three Philadelphia chapters and the Harrisburg chapter and Chester chapter, all chapters of Pennsylvania. Omega Omega Omega, would you please stand; Rho Theta Omega, would you please stand; Epsilon Sigma Omega, would you please stand; Tau Delta Omega, would you please stand; and Phi Beta Omega, would you please stand.

Ladies, welcome to the House of Representatives. Thank you for joining us today.

Thank you, Mr. Speaker.

### **GUESTS INTRODUCED**

The SPEAKER. The Chair recognizes guests of Representative Kate Harper, to the left of the Speaker. They are from Plymouth Meeting – Paula Courtney and her son, Paul Courtney. Would the guests please rise.

### **PARKLAND HIGH SCHOOL GIRLS SWIMMING AND DIVING TEAM PRESENTED**

The SPEAKER. The Chair would like to recognize Representative Harhart for a citation presentation.

Before the gentlelady starts, I would like to ask the members to please keep the noise level down.

Mrs. HARHART. Thank you, Mr. Speaker.

Today Representative Semmel, Representative Reichley, and myself would like to welcome the 2002-2003 PIAA Class AAA State champion girls swimming and diving team from Parkland School to Harrisburg to celebrate one of the greatest achievements a school, coach, and team can experience in sport – a team State championship.

The mark of a true champion is consistency, and consistency is the result of great coaching, great swimmers and divers, teamwork, and loyal fans in the school district.

It is our distinct pleasure to present the Parkland High School girls swimming and diving team with a citation commemorating their spectacular season. With me here today to accept this citation are Howard Lessel, assistant principal; Bob Clark, head coach; Cary Lehman, assistant coach; also Veronica Rosa, assistant coach, but she is sitting in the back of the hall; Jessica Lewis and Laura Dalla Palu and the entire team.

So without further ado, I would like to present this citation to the Parkland swim team on behalf of Representatives Semmel, Reichley, and myself, and say congratulations. And also let us give the team a big hand, and the whole team stand up back there. There you go.

### **HERSHEY HIGH SCHOOL BOYS SWIMMING AND DIVING TEAM PRESENTED**

The SPEAKER. The Chair recognizes Representative Payne for the purpose of presenting a citation.

Mr. PAYNE. Thank you, Mr. Speaker.

Fellow House members, it is my privilege to be here today to welcome the Hershey High School boys swim and dive team to the Capitol. They are accompanied by their coach, Greg Fastrich. The team won the Mid-Penn Commonwealth Division championship, the 2002-2003 PIAA Class AA boys swimming and diving District III championship for the fifth consecutive year, and eight All-State swims. They compiled a stellar record of 8 wins and 1 loss.

The four members of the team standing here with me today are Mike Caputo, Robert Felty, Chris Weitekamp, and Jesse Moore. The remainder of the team is back in the back left corner of the House. I would ask them to please stand and be recognized.

Mr. Speaker, if I could, I would like to point out two important facts in this recognition. First, as a freshman, it is my first presentation to a high school sports team, and second, having swum at Hershey High School on the swim team, it is an honor to be here today and give this team a citation.

Thank you.

### **ANNOUNCEMENT BY MR. DALLY**

#### **GUESTS INTRODUCED**

The SPEAKER. The Chair recognizes Representative Dally for the purposes of making an announcement.

The noise levels are entirely too high. Would the members please keep it down.

Representative Dally.

Mr. DALLY. Thank you, Mr. Speaker.

Mr. Speaker, Representative Grucela and I ask the members to welcome to the hall of the House members from the Nazareth Area Chamber of Commerce, who are seated in the gallery. Give them a big round of applause.

The Nazareth Chamber members have made their trek to Harrisburg once again to present each member of the House and Senate and Governor Rendell with a Nazareth, Pennsylvania, cookie and to advocate for the passage of HB 219, which designates the Nazareth sugar cookie as the official cookie of Pennsylvania. You will find samples of these cookies on each one of your desks.

This cookie finds its genesis in a recipe from Shirley Umstead Truman and baked to perfection by Susan's Gourmet Shop & Catering. It is only fitting that this cookie is shaped in a keystone in light of the Nazareth area representing the ethnic, cultural, and religious freedom and diversity that were the keystones of William Penn's philosophy when founding the colony of Pennsylvania.

I might add, Mr. Speaker, that your consumption, the members' consumption of this cookie will be more persuasive than any debate on the floor of this House in convincing the members to support naming the Nazareth sugar cookie as the official cookie of Pennsylvania.

I had a member mention to me earlier, Mr. Speaker, whether there were any chocolate chips in this cookie, and we would not want to ruin the taste with a chocolate chip. Also, Representative Grucela and I have requested that additional lighting be brought onto the House floor today so you could closely examine this specimen that is before you.

So please join Representative Grucela and me in welcoming the members of the Nazareth Chamber of Commerce and enjoying the soon-to-be official cookie of Pennsylvania, the Nazareth sugar cookie.

Thank you, Mr. Speaker.

### **GUESTS INTRODUCED**

The SPEAKER. Brittany Moore is serving as a guest page on the floor of the House today. She is the guest of Representative Bob Flick, residing in the 167th Legislative District in Chester County. Brittany is a junior high school homeschooler very interested in politics and government. She is the daughter of Gerald and Shari Moore of Charlestown. Brittany's mother and sister are seated in the gallery. Would the guests please rise.

The Chair welcomes guest pages from the Upland Country Day School, who are the guests of Representative Ross – Johnna Fieldman and Robert Schluter. Also please welcome their families who are seated in the gallery – Thomas, Lisa, and Olivia Fieldman. Would the guests please rise.

### **PHOTOGRAPHS TAKEN**

The SPEAKER. I would like to get the attention of the members. Just give me a moment here. We are going to turn the proceedings over to our photographer. Please take your seats. Please listen to what the gentleman has to say so that you will look good for the picture.

Mr. FOSTER. Ladies and gentlemen, if you kindly would get into your seats and clear your desks and place all items in your desks. We are going to give the crew in the back a chance to get the chairs put away and out of the chamber.

We need all members in their seats. We need all members in their seats. Okay. Ladies and gentlemen, if I could have your attention, please.

Thank you for affording us the opportunity to do this job again. We regard it as one of our most honorable types of photos that we do, and I speak for the lighting company, Location Services, and myself, Brian Foster.

What we are going to do today is four photos, and being still is very important. Please do not move as the camera is rotating on its axis. The camera is 70-millimeter film, and we want the sharpest images that we have ever done. So, please, I would like you to be in focus and sharp so that you do not disconcert yourself or your colleagues.

We are going to move around the chamber now, and as far as closing doors and that, I will climb on the ladder and start. So give us a chance to get the photo in line here and take your picture. Thank you.

The SPEAKER. Sergeants at Arms, close the doors of the House. Come inside if they want to be in the picture.

(Official photographs were taken.)

Mr. ARGALL. Thank you, Mr. Speaker.

In addition to advocating a "yes" vote, both Representative Evans, the Democratic chairman, and I have received a number of inquiries regarding the capital budget for later this year,

and I would like to assure all the members that there will be a regular capital projects itemization bill run prior to the end of June.

I would ask the members' cooperation in compiling and forwarding to my office and Representative Evans' office any project requests that you may have. We would ask that you get these projects to us at your earliest convenience so that they can be included in the bill that we will run later, either this month or in June.

Thank you, Mr. Speaker.

On the question recurring,  
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

The Chair recognizes the gentleman from Delaware, Mr. Vitali.

Mr. VITALI. Thank you, Mr. Speaker.

I had filed three amendments which I will be withdrawing now, but before I did, I wanted to make a couple of comments.

All three of these amendments deal with the issue of resort-type development in Pennsylvania State parks. Specifically, they deal with allowing things like hotel-type facilities, ski lodges, golf courses, conference centers,

tennis courts in State parks, in our State park system. Many of you will remember that we fought this battle in 1996 and 1997 when there was an effort by development interests to put this type of, in my view, inappropriate development in our State parks and forests, but Secretary Oliver and Governor Ridge simply did not allow it. Unfortunately, the Rendell administration has taken a different approach, and again our State parks are threatened with this resort-type development.

I feel and I think about 70 percent of Pennsylvanians, according to polling which has been done over the years, oppose things like ski lodges, golf courses, and other resorts in our State parks and forests. Right now there are a number of projects, such as in Prince Gallitzin and elsewhere, which, unless the public and the legislature become aware of it and take steps to stop it, will come to fruition.

The purpose of my filing of amendments and speaking out today is to begin to try to increase public awareness of this, again, this type of encroachment in our State parks and forests, but I will withdraw my amendments today.

Thank you very much, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

The House proceeded to third consideration of **HB 485, PN 994**, entitled:

An Act amending Title 42 (Judiciary and Judicial Procedure) of the Pennsylvania Consolidated Statutes, further providing for municipal corporation portion of fines, for immunity of State parole officers and for immunity of county probation officers.

On the question,  
Will the House agree to the bill on third consideration?

Mr. **TANGRETTI** offered the following amendment No. **A0481**:

Amend Title, page 1, line 2, by inserting after "Statutes," imposing surcharges on criminal convictions to fund start-up costs for municipalities desiring to create police departments; establishing the Municipal Police Start-up Fee Fund; and

Amend Bill, page 1, lines 8 through 10, by striking out all of said lines and inserting

Section 1. Title 42 of the Pennsylvania Consolidated Statutes is amended by adding a section to read:  
§ 1725.5. Municipal police start-up fee.

(a) Imposition of municipal police start-up fee.—A person who is placed on probation without verdict pursuant to section 17 of the act of April 14, 1972 (P.L.233, No.64), known as The Controlled Substance, Drug, Device and Cosmetic Act, or who receives Accelerated Rehabilitative Disposition or who pleads guilty to or nolo contendere to or who is convicted of a crime as defined in 18 Pa.C.S. § 106 (relating to classes of offenses) or 75 Pa.C.S. § 3731 (relating to driving under influence of alcohol or controlled substance) or 3735 (relating to homicide by vehicle while driving under influence) or a violation of The Controlled Substance, Drug, Device and Cosmetic Act shall, in addition to any fines, penalties or costs, in every case be sentenced to pay a municipal police start-up fee.

(b) Amount of municipal police start-up fee.—Where, in accordance with subsection (a), probation is imposed, a plea is entered, or conviction obtained for a felony, the fee shall be \$50; and where, in accordance with subsection (a), probation is imposed, a plea is entered, or conviction is obtained for misdemeanor, the fee shall be \$25.

(c) Disposition of municipal police start-up fee.—The municipal police start-up fee shall be paid into a special nonlapsing fund of the State Treasury, which is hereby established and shall be known as the Municipal Police Start-up Fee Fund. Money in the Municipal Police Start-up Fee Fund is hereby appropriated to the Department of Community and Economic Development and shall be used solely for providing grants to municipalities which do not have a municipal police department, do not participate in a regional police department, and do not purchase police services from another municipal or regional entity, which grants are to be used for the purpose of providing start-up or seed money to qualifying municipalities that wish to establish a municipal police department, join a regional police department, or purchase police services from another municipal or regional entity.

(d) Other laws.—The municipal police start-up fee shall be imposed notwithstanding any other provision of law to the contrary.

Section 2. Section 3573(c)(1) of Title 42, amended December 9, 2002 (P.L.1759, No.218), is amended to read:

Amend Sec. 2, page 2, line 16, by striking out “2” and inserting 3

Amend Sec. 3, page 4, line 6, by striking out “3” and inserting 4

On the question,  
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Mr. Tangretti.

Mr. TANGRETTI. Thank you, Mr. Speaker.

Mr. Speaker, a number of months and even years ago, we did a study through the Local Government Commission and the House Democratic Policy Committee even before that relative to local municipal police departments and their lack of funding opportunities and the fact that property taxes that support municipal governments are not significant enough to help municipal police departments, and further, those communities who had to abandon police departments or, further, those who wanted to create new police departments had a woeful inadequacy relative to the numbers of funds available to them.

As a result of looking into this whole process, it was recommended that we provide a direct source of funding for that purpose. This amendment A0481 does that by providing fines, assessments, of \$50 on felony convictions and \$25 on misdemeanor convictions that would go into a restricted account in the Treasurer’s Office for the purpose specifically to provide funding for startup police departments, regional police department discussions, and the like.

I would ask the members of the House to support this amendment.

Thank you, Mr. Speaker.

On the question recurring,  
Will the House agree to the amendment?

The House proceeded to third consideration of **HB 947, PN 1114**, entitled:

An Act amending Title 18 (Crimes and Offenses) of the Pennsylvania Consolidated Statutes, further providing for terroristic threats and for penalties.

On the question,  
Will the House agree to the bill on third consideration?

Mr. **GANNON** offered the following amendment No. **A0285**:

Amend Sec. 1 (Sec. 2706), page 2, lines 8 and 9, by striking out "or within 1000 feet of"

On the question,  
Will the House agree to the amendment?

The **SPEAKER**. On that question, the Chair recognizes the gentleman from Delaware, Mr. Gannon.

Mr. **GANNON**. Thank you, Mr. Speaker.

Mr. Speaker, this amendment removes the language "or within 1000 feet of," and what that means is, the infraction must now occur on the premises. It clarifies; it makes the legislation, the law, easier to enforce.

I would appreciate an affirmative vote.

Thank you, Mr. Speaker.

On the question recurring,  
Will the House agree to the amendment?

GUESTS INTRODUCED

The SPEAKER. Representative Ron Waters has seated in the gallery this morning guests from Philadelphia County. They are students from Anderson Elementary School, Catherine Elementary School, and Walnut Street Elementary. They recently participated in Representative Waters' "There Ought To Be a Law" contest. Erica Bailey, from Anderson Elementary School, was selected as the winner of the contest. On behalf of the Pennsylvania House of Representatives, we recognize you and all the students for your participation.

I would also like to mention that Mrs. Maxine Collier, principal of Anderson Elementary School; Ms. Sallie Flanagan, principal of Catherine Elementary School; and Ms. Julie Satir, a teacher at Walnut Street Elementary School, are also in attendance. Would those guests please rise.

STATEMENT BY MR. WATERS

The SPEAKER. The Chair recognizes Representative Waters for some remarks.

Mr. WATERS. Thank you, Mr. Speaker.

I would like to take this opportunity to thank school faculty and administration, parents, and students for their participation in the 191st Legislative District's "There Ought To Be a Law" contest. It was a success. Each one of the participants did an excellent job and deserves to be recognized for his or her achievement.

The winner of this year's contest is Erica Bailey, a third-grader from Anderson Elementary School. Her essay talked about violent games and how they can affect children.

Just 2 weeks ago, a 14-year-old who liked to play violent games, particularly shooting games, shot and killed his principal, then himself. In light of the tragedy at Red Lion Junior High and because of Erica's winning essay, I am introducing a resolution that would request the House Children and Youth Committee to study and make legislative recommendations regarding violent video games and their effects on our youth.

Hopefully this resolution will help us find a way to shelter children from violence.

Again, congratulations to Erica and to all of the participants in this contest.

Thank you, Mr. Speaker.

The SPEAKER. The Chair thanks the gentleman.

On the question,  
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Mr. Freeman.

The gentleman, Mr. Freeman, yields to Representative Allen.  
Mr. ALLEN. Thank you, Mr. Speaker.

Would the gentleman stand for interrogation on this amendment?

The SPEAKER. The gentleman agrees that he will stand for interrogation.

Mr. ALLEN. For legislative intent, can you describe to me where the sales can take place and specifically where the sales can take place in this amendment?

Mr. FREEMAN. Yes, Mr. Speaker.

Mr. Speaker, the change that we are making with this amendment would allow breweries to be able to sell at the brewery a size of beer in the quantity of a half-gallon or a growler container. Under current law, they can only sell at the brewery either by the case or by a gallon jug container. As a result, oftentimes when tourists come through at the end of the tour, people would like to purchase some of the beer, but to take a whole gallon container home means the beer gets flat before the container is finished. The half-growler is a more practical size.

I want to make it clear, under legislative intent and for the information of the House, this does not in any way apply to beer distributors. They are still required to sell by the case. We are not touching that provision of the Liquor Code. But this would make it more convenient for breweries, particularly microbreweries, to be able to sell a smaller quantity of beer without having to sell a large jug container, gallon jug container.

The amendment was requested by a small microbrewery in my district, Weyerbacher’s, who have experienced the fact that people do want to take some of their beer home after going through a tour of their facility but the gallon jug is just simply too large a size.

The SPEAKER. The Chair recognizes the gentleman, Mr. Allen.

Mr. ALLEN. Thank you very much, Mr. Speaker, and I support the amendment.

The SPEAKER. The Chair thanks the gentleman.

On the question recurring,  
Will the House agree to the amendment?

On the question recurring,  
Will the House agree to the bill on third consideration as amended?

The SPEAKER. The Chair recognizes the gentleman from Montgomery, Mr. Godshall.

Mr. GODSHALL. Thank you, Mr. Speaker.

I had amendment 0428 to this bill, which provides for an 18-percent wholesale discount to licensees – your restaurants, your hotels, your tavern owners, and so forth. Rather than running it at this point as an amendment to this bill, we have decided to make a separate bill, a stand-alone bill, so at this point I want to withdraw that amendment, and I thank you.

BILL ON THIRD CONSIDERATION

The House proceeded to third consideration of HB 295, PN 1652, entitled:

An Act amending Title 51 (Military Affairs) of the Pennsylvania Consolidated Statutes, establishing the Military Family Emergency Assistance Fund.

On the question, Will the House agree to the bill on third consideration? Bill was agreed to.

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage. The question is, shall the bill pass finally?

The Chair recognizes the gentleman from Clearfield County, Mr. George.

Mr. GEORGE. Thank you, Mr. Speaker.

Mr. Speaker, this bill is called the military family emergency assistance bill. This bill creates a fund that can be donated to those that are serving in the military. This should help families of military personnel who have been called to active duty, who have emergencies at home. Our troops many times are in harm's way. We should do what we can to help them and their families.

We already have, Mr. Speaker, a similar program for veterans, those that have served and are now no longer in the service. This bill does the same thing for active-duty personnel, including National Guard and Reserves. I would hope you could support it. Thank you.

The SPEAKER. The Chair thanks the gentleman.

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the bill passed finally.

Ordered, That the clerk present the same to the Senate for concurrence.

The House proceeded to third consideration of **HB 1157, PN 1370**, entitled:

An Act amending Title 18 (Crimes and Offenses) of the Pennsylvania Consolidated Statutes, prohibiting cutting instruments in airports.

On the question, Will the House agree to the bill on third consideration?

Ms. **MANDERINO** offered the following amendment No. **A0537**:

Amend Sec. 1 (Sec. 6163), page 1, line 10, by striking out "intentionally or knowingly"

Amend Sec. 1 (Sec. 6163), page 1, line 12, by striking out "at" and inserting

with the intent to take that cutting instrument through

Amend Sec. 1 (Sec. 6163), page 2, lines 12 through 17, by striking out "a device which has a cutting edge" in line 12, all of lines 13 through 17 and inserting

any sharp object determined by the United States Transportation Security Administration to be prohibited under Federal law.

On the question, Will the House agree to the amendment?

The **SPEAKER**. On that question, the Chair recognizes Ms. Manderino.

Ms. **MANDERINO**. Thank you, Mr. Speaker.

This amendment clarifies the language of the underlying bill that deals with making it a crime to carry a sharp object through security gates, and what it does is two things. It makes the definition of what would be a sharp object that would be illegal to take on the plane consistent with Federal law, whatever the Transportation Security Administration says, so that our citizens do not have to have kind of two different lists of what you are allowed to have on your person or in your carry-on and what

you are not, and then it also tightens up the language on intent so that people cannot accidentally have something in their purse or carry-on, you know, knowing that they had their manicure scissors in their purse but not intending to sneak it through the security system.

So this tries to tighten up the intent language and also make one consistent list of sharp objects, and I would appreciate an affirmative vote.

The **SPEAKER**. The Chair thanks the lady.

The Chair recognizes the gentleman from Dauphin, Mr. Marsico.

Mr. **MARSICO**. Thank you, Mr. Speaker.

This is an agreed-to amendment, and I ask for a positive vote. Thank you.

The **SPEAKER**. The Chair thanks the gentleman.

On the question recurring, Will the House agree to the amendment?
