For the purpose of giving such instructions, the county boards shall call such meeting or meetings of election officers as shall be necessary. Each judge, inspector and machine inspector shall, upon notice, attend such meeting or meetings called for his instruction and receive such instruction as shall be necessary for the proper conduct of the primary or election with voting machines, and, as compensation for the time spent in receiving such instruction, each judge, inspector and machine inspector who shall qualify for and serve at such primary or election, shall receive the sum of five (\$5.00) dollars, to be paid to him at the same time and in the same manner as compensation is paid to him for his services on election day. No judge, inspector or machine inspector shall serve at any primary or election at which a voting machine is used, unless he shall have received such instructions, shall have been found qualified to perform his duties in connection with the machine, and shall have received a certificate to that effect from the county board or one of the custodians appointed by them: Provided, however, That this shall not prevent the appointment of a judge or inspector of election or machine inspector to fill a vacancy arising on the day of election or on the preceding day.

Section 415. Overseers of Election.--On the petition of five or more duly registered electors of any election district, setting forth that the appointment of overseers is a reasonable precaution to secure the purity and fairness of any primary or election in said district, it shall be the duty of the court of common pleas of the proper county, all the law judges of the said court able to act at the time concurring, to appoint two judicious, sober and intelligent electors of the said district belonging to different political parties, overseers of election to supervise the proceedings of election officers thereof and to make report of the same as they may be required by such court. Said overseers shall be persons qualified to serve upon

election boards, but shall not be required to comply with the provisions of section 414 of this act. They shall be sworn or affirmed by the judge of election, to the faithful discharge of their duties, and each shall sign said oath in duplicate, and shall have the right to be present with the officers of such primary or election within the enclosed space during the entire time the same is held, the votes counted, and the returns made out and signed by the election officers; to keep a list of voters if they see proper; to challenge any person offering to vote and interrogate him and his witnesses under oath in regard to his right of suffrage at said primary or election, and to examine his papers produced. Overseers shall sign returns of elections as hereinafter required. Whenever the members of an election board shall differ in opinion, the overseers, if they shall be agreed thereon, shall decide the question of difference.

Section 416. Driving away Overseers; Effect.--Election officers are required to afford to said overseers, so selected and appointed, every convenience and facility for the discharge of their duties. If said election officers shall refuse to permit said overseers to be present and to perform their duties, as aforesaid, or if the overseers shall be driven away from the polls by violence or intimidation, all the votes polled in such election district may be rejected by the proper tribunal trying a contest of the said primary or election, or a part or portion of such votes aforesaid may be counted, as such tribunal may deem necessary to a just and proper disposition of the case.

Section 417. Appointment of Watchers.--

(a) Each candidate for nomination or election at any election shall be entitled to appoint two watchers for each election district in which such candidate is voted for. Each political party and each political body which has nominated candidates in accordance with the provisions of this act, shall be entitled to appoint three watchers at any general, municipal or special election for each election district in which the candidates of such party or political body are to be voted for. Such watchers shall serve without expense to the county.

(b) Each watcher so appointed must be a qualified registered elector of the county in which the election district for which the watcher was appointed is located. Each watcher so appointed shall be authorized to serve in the election district for which the watcher was appointed and, when the watcher is not serving in the election district for which the watcher was appointed, in any other election district in the county in which the watcher is a qualified registered elector: Provided, That only one watcher for each candidate at primaries, or for each party or political body at general, municipal or special elections, shall be present in the polling place at any one time from the time that the election officers meet prior to the opening of the polls under section 1208 until the time that the counting of votes is complete and the district register and voting check list is locked and sealed, and all watchers in the room shall remain outside the enclosed space. It shall not be a requirement that a watcher be a resident of the election district for which the watcher is appointed. After the close of the polls and while the ballots are being counted or voting machine canvassed, all the watchers shall be permitted to be in the polling place outside the enclosed space. Each watcher shall be provided with a certificate from the county board of elections, stating his name and the name of the candidate, party or political body he represents. Watchers shall be required to show their certificates when requested to do so. Watchers allowed in the

polling place under the provisions of this act, shall be permitted to keep a list of voters and shall be entitled to challenge any person making application to vote and to require proof of his qualifications, as provided by this act. During those intervals when voters are not present in the polling place either voting or waiting to vote, the judge of elections shall permit watchers, upon request, to inspect the voting check list and either of the two numbered lists of voters maintained by the county board: Provided, That the watcher shall not mark upon or alter these official election records. The judge of elections shall supervise or delegate the inspection of any requested documents.

(c) No candidate or committee of a political party or of a political body, nor any other person or persons shall pay to any watcher compensation in excess of one hundred twenty (\$120.00) dollars per diem.

(d) A watcher whose watcher's certificate is destroyed or lost on election day may appear before the court of common pleas under section 1206 and, after swearing under oath or affirmation that the watcher's certificate was destroyed or lost, may immediately receive a replacement watcher's certificate issued by the court.

Section 501. Townships, Boroughs and Wards to Constitute Election Districts.--Each borough and township, not divided into wards, and each ward of every city, borough and township now existing or hereafter created, shall constitute a separate election district, unless divided into two or more election districts or formed into one election district, as hereinafter provided.

(501 amended July 11, 1980, P.L.600, No.128)

Section 502. Court to Create New Election Districts.--Subject to the provisions of section 501 of this act, the court of common pleas of the county in which the same are located, may form or create new election districts by dividing or redividing any borough, township, ward or election district into two or more election districts of compact and contiguous territory, having boundaries with clearly visible physical features conforming with census block lines from the most recently completed Federal decennial census and wholly contained within any larger district from which any Federal, State, county, municipal or school district officers are elected, or alter the bounds of any election district, or form an election district out of two or more adjacent districts or parts of districts, or consolidate adjoining election districts or form an election district out of two or more adjacent wards, so as to suit the convenience of the electors and to promote the public interests. Except for good cause shown, election districts so formed shall not contain more than one thousand two hundred (1,200) registered electors. No election district shall be formed that shall contain less than one hundred (100) registered electors. When a school district crosses county lines, the regions of the school district shall be composed of contiguous election districts.

(502 amended Dec. 9, 2002, P.L.1246, No.150)

If the county board shall find that a division, redivision, alteration, formation or consolidation of election districts will promote the convenience of the electors and the public interests, it shall recommend a proper division, redivision, alteration, formation or consolidation of election districts, which must have clearly visible physical boundaries conforming with census block lines from the most recently completed Federal decennial census, and shall accompany its report with a map and a verbal description of the boundaries, as well as a certification of the number of electors registered in each of the resulting election districts for the immediately preceding general or municipal election. Such petitions may specify the boundaries desired by the petitioners, and may be accompanied by a map setting forth such boundaries. Such notice shall

state in brief form the division, redivision, alteration, formation or consolidation of election districts recommended by the county board, the number of electors registered in each district at the immediately preceding general or municipal election, and the date upon which the same will be considered by the court, and shall contain a warning that any person objecting thereto must file his objections with the clerk of the court prior to such date. Upon the making of any such final order by the court, a copy thereof shall be certified by the clerk to the county board of elections.

(504 amended Dec. 9, 2002, P.L.1246, No.150)

(a) The county board of elections shall cause all rooms used as polling places to be suitably provided with heat and light, and, in districts in which ballots are used, with a sufficient number of voting compartments or booths with proper supplies, in which electors may conveniently mark their ballots, with a curtain, screen or door in the upper part of the front of each compartment or booth so that in the marking thereof they may be screened from the observation of others. Every polling place shall consist of a single room, every part of which is within the unobstructed view of those present therein, and shall be furnished with a guard rail or barrier enclosing the inner portion of the said room, which guard rail or barrier shall be so constructed and placed that only such persons as are inside said rail or barrier can approach within six feet of the ballot box and voting compartments, or booths, or voting machines, as the case may be. The ballot box and voting compartments or booths shall be so arranged in the voting room within the enclosed space as to be in full view of those persons

in the room outside the said guard rail or barrier. In any case where the fact of a tie vote is not authoritatively determined until after the third Wednesday following the primary, the time for casting lots shall be at twelve o'clock noon on the second day after the fact of such tie vote is authoritatively determined. If any candidate or candidates, receiving a tie vote, fail to appear before twelve o'clock noon on said day, the county board or the Secretary of the Commonwealth, as the case may be, shall cast lots for him or them. For the purpose of casting lots any candidate may appear in person, or by proxy appointed in writing.

(b) Nomination of Candidates by Political Bodies

Section 951. Nominations by Political Bodies.--(a) In addition to the party nominations made at primaries, nomination of candidates for any public office may also be made by nomination papers signed by qualified electors of the State, or of the electoral district for which the nomination is made, and filed in the manner herein provided. Such nomination papers shall be in form prescribed by the Secretary of the Commonwealth, and no other forms than the ones so prescribed shall be used for such purposes.

(b) Where the nomination is for any office to be filled by the electors of the State at large, the number of qualified electors of the State signing such nomination paper shall be at least equal to two per centum of the largest entire vote cast for any elected candidate in the State at large at the last preceding election at which State-wide candidates were voted for. In the case of all other nominations, the number of qualified electors of the electoral district signing such nomination papers shall be at least equal to two per centum of the largest entire vote cast for any officer, except a judge of a court of record, elected at the last preceding election in said electoral district for which said nomination papers are to be filed, and shall be not less than the number of signers required for nomination petitions for party candidates for the same office. In cases where a new electoral district shall have been created, the number of qualified electors signing such nomination papers, for candidates to be elected at the first election held after the creation of such district, shall be at least equal to two per centum of the largest vote cast in the several election districts, which are included in the district newly created, for any officer elected in the last preceding election. ((b) amended Dec. 22, 1971, P.L.613, No.165)

(c) Each person signing a nomination paper shall declare therein that he is a qualified elector of the State or district, as the case may be, and shall add to his signature his legibly printed name and residence, giving city, borough or township, with street and number, if any, and shall also add the date of signing, expressed in words or numbers: Provided, however, That if said political district named in the papers lies wholly within any city, borough or township, or is coextensive with same, it shall not be necessary for any signer of a paper to

state therein the city, borough or township of his residence. No elector shall sign more than one nomination paper for each office to be filled, unless there are two or more persons to be elected to the same office, in which case he may sign nomination papers for as many candidates for such office as, and no more than, he could vote for at the succeeding election. More than one candidate may be nominated by one nomination paper and candidates for more than one office may be nominated by one nomination paper: Provided, That each political body nominating does not nominate more candidates than there are offices to be voted for at the ensuing election: And provided, That all the signers on each nomination paper are qualified to vote for all the candidates nominated therein. ((c) amended Dec. 9, 2002, P.L.1246, No.150)

(d) Nomination papers may be on one or more sheets and different sheets must be used for signers resident in different counties. If more than one sheet is used, they shall be bound together when offered for filing if they are intended to constitute one nomination paper, and each sheet shall be numbered consecutively, beginning with number one (1) at the foot of each page. Each sheet shall have appended thereto the statement of some person, not necessarily a signer, and not necessarily the same person on each sheet, setting forth, subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities)--(1) ((1) deleted by amendment); (2) the person's residence, giving city, borough or township with street and number, if any; (3) that the signers signed with full knowledge of the contents of the nomination paper; (4) that their respective residences are correctly stated therein; (5) that they all reside in the county named in the statement; (6) that each signed on the date set opposite his name; and (7) that, to the best of the person's knowledge and belief, the signers are qualified electors of the State, or of the electoral district, as the case may be. ((d) amended Oct. 31, 2019, P.L.552, No.77)

(e) There shall be appended to each nomination paper offered for filing an affidavit of each candidate nominated therein, stating--(1) the election district in which he resides; (2) the name of the office for which he consents to be a candidate; (3) that he is eligible for such office; (4) that he will not knowingly violate any provision of this act, or of any law regulating and limiting election expenses, and prohibiting corrupt practices in connection therewith; (5) that his name has not been presented as a candidate by nomination petitions for any public office to be voted for at the ensuing primary election, nor has he been nominated by any other nomination papers filed for any such office; (6) that in the case where he is a candidate for election at a general or municipal election, he was not a registered and enrolled member of a party thirty (30) days before the primary held prior to the general or municipal election in that same year; (7) that, in the case where he is a candidate for election at a special election, he is not a registered and enrolled member of a party; and (8) that he is not a candidate for an office which he already holds, the term of which is not set to expire in the same year as the office subject to the affidavit. ((e) amended May 12, 2006, P.L.178, No.45)

Section 951.1. Limitations on Eligibility of Candidates.--Any person who is a registered and enrolled member of a party during any period of time beginning with thirty (30) days before the primary and extending through the general or municipal election of that same year shall be ineligible to be

the candidate of a political body in a general or municipal election held in that same year nor shall any person who is a registered and enrolled member of a party be eligible to be the candidate of a political body for a special election.

(951.1 added July 12, 1980, P.L.649, No.134)

Section 952. Contents of Nomination Papers; Restriction on Names; Campaign Finances.--All nomination papers shall specify--(a) The name or appellation of the political body which the candidates nominated thereby represent, expressed in not more than three words, and in the case of electors for President and Vice-President of the United States, the names of the candidates for President and Vice-President of such political body; (b) the name of each candidate nominated therein, his profession, business or occupation, if any; and his place of residence with street and number, if any; (c) the office for which such candidate is nominated; and (d) the names and addresses of the committee, not to be less than three (3) nor more than five (5) persons, authorized to fill vacancies, if any shall occur. No words shall be used in any nomination paper to designate the name or appellation of the political body represented by the candidates named in such nomination paper which are identical with or deceptively similar to the words used for a like purpose by any existing political party as defined by section 801 of this act, or which contain part of the name or an abbreviation of the name or part of the name of any existing political party; nor shall any words be used in any nomination paper to designate the name or appellation of the political body represented by the candidate's name in such nomination paper which are identical with or deceptively similar to the words used for a like purpose by any political body which has already filed nomination papers for the same office nor which contain part of the name or an abbreviation of the name or part of the name of a political body which has already filed nomination papers for the same office. Any petition to set aside a nomination paper on account of the name or appellation used therein, or involving the right of the signers thereof to use such name or appellation shall be decided as in the case of other petitions to set aside nomination papers, in the manner provided by this article.

Each person filing any nomination paper for public office shall be given a statement composed by the Secretary of the Commonwealth setting forth his duties under law to file pre-election and post-election campaign finance reports, and the penalties for nonfiling. Each person filing shall also be given a form to file expenses if the amount received or expended or liabilities incurred shall exceed the sum of two hundred fifty dollars (\$250), and a form containing a sworn statement that the amount received or expended or liabilities incurred do not exceed the sum of two hundred fifty dollars (\$250), with written instructions prepared by the Secretary of the Commonwealth. Within three weeks after such candidate has filed, the appropriate supervisor shall mail the same forms and instructions to such candidate by first class mail.

(952 amended July 21, 1979, P.L.189, No.63)

(a) Nomination papers for candidates for presidential electors, United States Senators, Representatives in Congress, and State offices, including senators, representatives and judges of courts of record, shall be filed with the Secretary of the Commonwealth. Immediately after the last day for withdrawals of candidates nominated by nomination papers, the said county board shall certify to the county board of each other county involved a list of the names, addresses and occupations of the candidates so nominated to be voted for in two or more counties, together with the names or appellations of the political bodies nominating them.

(b) No nomination paper shall be circulated prior to the tenth Wednesday prior to the primary, and no signature shall be counted unless it bears a date affixed not earlier than the tenth Wednesday prior to the primary nor later than the second Friday subsequent to the primary. ((b) amended July 12, 1980, P.L.649, No.134)

(c) All nomination papers must be filed on or before the second Friday subsequent to the primary. ((c) amended July 12, 1980, P.L.649, No.134)

(d) The office in which a nomination paper is filed shall issue to the person filing the nomination paper a receipt containing the date and time of filing, the name of the candidate and the office for which he is a candidate. ((d) added Dec. 2, 1976, P.L.1221, No.269)

(e) For the primary election in the year 1982, the time schedule relating to circulating and filing of nominating petitions, filing of objections, and casting of lots for position on the ballot or ballot labels for the Office of Representative in Congress shall be delayed twenty-one (21) days from the times otherwise specified in this act and the time for withdrawal of candidates for such office shall be delayed fourteen (14) days from the time otherwise specified in this act. ((e) added Mar. 3, 1982, P.L.127, No.42)

Section 954. Filing Fee.--The same filing fee shall be paid for each candidate nominated by a nomination paper as required in section 913 for the filing of nomination petitions by candidates for nomination to the same office. Each nomination paper nominating a candidate or a group of candidates for office shall be accompanied by a certified check or money order drawn in the proper amount to cover the filing fees for each candidate nominated therein but in no case less than the sum of five dollars (\$5.00), and payable to the Commonwealth of Pennsylvania or to the county, as the case may be. (954 amended Sept. 11, 1959, P.L.877, No.351)

### (c) Objections; Withdrawals; Certifications

Section 976. Examination of Nomination Petitions, Certificates and Papers; Return of Rejected Nomination Petitions, Certificates and Papers.--When any nomination petition, nomination certificate or nomination paper is presented in the office of the Secretary of the Commonwealth or of any county board of elections for filing within the period limited by this act, it shall be the duty of the said officer or board to examine the same. No nomination petition, nomination paper or nomination certificate shall be permitted to be filed

if--(a) it contains material errors or defects apparent on the face thereof, or on the face of the appended or accompanying affidavits; or (b) it contains material alterations made after signing without the consent of the signers; or (c) it does not contain a sufficient number of signatures as required by law; Provided, however, That the Secretary of the Commonwealth or the county board of elections, although not hereby required so to do, may question the genuineness of any signature or signatures appearing thereon, and if he or it shall thereupon find that any such signature or signatures are not genuine, such signature or signatures shall be disregarded in determining whether the nomination petition, nomination paper or nomination certificate contains a sufficient number of signatures as required by law; or (d) in the case of nomination petitions, if nomination petitions have been filed for printing the name of the same person for the same office, except the office of judge of a court of common pleas, the Philadelphia Municipal Court or the office of school director in districts where that office is elective or the office of justice of the peace upon the official ballot of more than one political party; or (e) in the case of nomination papers, if the candidate named therein has filed a nomination petition for any public office for the ensuing primary, or has been nominated for any such office by nomination papers previously filed; or (f) if the nomination petitions or papers are not accompanied by the filing fee or certified check required for said office; or (g) in the case of nomination papers, the appellation set forth therein is identical with or deceptively similar to the words used by any existing party or by any political body which has already filed nomination papers for the same office, or if the appellation set forth therein contains part of the name, or an abbreviation of the name or part of the name of an existing political party, or of a political body which has already filed nomination papers for the same office. The invalidity of any sheet of a nomination petition or nomination paper shall not affect the validity of such petition or paper if a sufficient petition or paper remains after eliminating such invalid sheet. The action of said officer or board in refusing to receive and file any such nomination petition, certificate or paper, may be reviewed by the court upon an application to compel its reception as of the date when it was presented to the office of such officer or board: Provided, however, That said officer or board shall be entitled to a reasonable time in which to examine any petitions, certificates or papers, and to summon and interrogate the candidates named therein, or the persons presenting said petitions, certificates or papers, and his or their retention of same for the purpose of making such examination or interrogation shall not be construed as an acceptance or filing.

Upon completion of any examination, if any nomination petition, certificate or paper is found to be defective, it shall forthwith be rejected and returned to the candidate or one of the candidates named therein, together with a statement of the reasons for such rejection:

Provided further, That no nomination petition, nomination paper or nomination certificate shall be permitted to be filed, if the political party or political body referred to therein shall be composed of a group of electors whose purposes or aims, or one of whose purposes or aims, is the establishment, control, conduct, seizure or overthrow of the Government of the Commonwealth of Pennsylvania or the United States of America by the use of force, violence, military measure or threats of one or more of the foregoing. The authority to reject such

nomination petition, paper or certificate for this reason shall, when filed with the Secretary of the Commonwealth, be vested in a committee composed of the Governor, the Attorney General and the Secretary of the Commonwealth, and when filed with any county board of elections shall be vested in such board. If in such case the committee or board, as the case may be, shall conclude that the acceptance of such nomination petition, paper or certificate should be refused, it shall within two days of the filing of such nomination petition, paper or certificate fix a place and a time five days in advance for hearing the matter, and notice thereof shall be given to all parties affected thereby. At the time and place so fixed the committee or board, as the case may be, shall hear testimony, but shall not be bound by technical rules of evidence. The testimony presented shall be stenographically recorded and made a part of the record of the committee or board. Within two days after such hearing the committee or board, if satisfied upon competent evidence that the said nomination petition, paper or certificate is not entitled to be accepted and filed, it shall announce its decision and immediately notify the parties affected thereby. Failure to announce decision within two days after such hearing shall be conclusive that such nomination petition, paper or certificate has been accepted and filed. The decision of said committee or board in refusing to accept and file such nomination petition, paper or certificate may be reviewed by the court upon an application to compel its reception as of the date when presented to the Secretary of the Commonwealth or such board. The application shall be made within two days of the time when such decision is announced. If the application is properly made, any judge of said court may fix a time and place for hearing the matter in dispute, of which notice shall be served with a copy of said application upon the Secretary of the Commonwealth or the county board of elections, as the case may be. At the time so fixed, the court, or any judge thereof assigned for the purpose, shall hear the case de novo. If after such hearing the said court shall find that the decision of the committee or the board was erroneous, it shall issue its mandate to the committee or board to correct its decision and to accept and file the nomination paper, petition or certificate. From any decision of the court an appeal may be taken within two days after the entry thereof. It shall be the duty of the said court to fix the hearing and to announce its decision within such period of time as will permit the Secretary of the Commonwealth or the county board of elections to permit the names of the candidates affected by the court's decision to be printed on the ballot, if the court should so determine.

(976 amended Oct. 31, 2019, P.L.552, No.77)

**Compiler's Note:** Section 28 of Act 207 of 2004 provided that any and all references in any other law to a "district justice" or "justice of the peace" shall be deemed to be references to a magisterial district judge.

**Compiler's Note:** Section 509 of Act 223 of 1970 provided that section 976 is repealed insofar as it vests jurisdiction and powers in courts in any manner inconsistent with Act 223, provides a time for appeal to an appellate court which is other than the time expressly provided in section 502 of Act 223, provides appeal procedures inconsistent with Act 223 or is otherwise in any manner inconsistent with Act 223.

Section 977. Objections to Nomination Petitions and Papers.--All nomination petitions and papers received and filed within the periods limited by this act shall be deemed to be valid, unless, within seven days after the last day for filing said nomination petition or paper, a petition is presented to the court specifically setting forth the objections thereto, and praying that the said petition or paper be set aside. A copy of said petition shall, within said period, be served on the officer or board with whom said nomination petition or paper was filed. Upon the presentation of such a petition, the court shall make an order fixing a time for hearing which shall not be later than ten days after the last day for filing said nomination petition or paper, and specifying the time and manner of notice that shall be given to the candidate or candidates named in the nomination petition or paper sought to be set aside. On the day fixed for said hearing, the court shall proceed without delay to hear said objections, and shall give such hearing precedence over other business before it, and shall finally determine said matter not later than fifteen (15) days after the last day for filing said nomination petitions or papers. If the court shall find that said nomination petition or paper is defective under the provisions of section 976, or does not contain a sufficient number of genuine signatures of electors entitled to sign the same under the provisions of this act, or was not filed by persons entitled to file the same, it shall be set aside. If the objections relate to material errors or defects apparent on the face of the nomination petition or paper, the court, after hearing, may, in its discretion, permit amendments within such time and upon such terms as to payment of costs, as the said court may specify. In case any such petition is dismissed, the court shall make such order as to the payment of the costs of the proceedings, including witness fees, as it shall deem just. If a person shall sign any nomination petitions or papers for a greater number of candidates than he is permitted under the provisions of this act, if said signatures bear the same date, they shall, upon objections filed thereto, not be counted on any petition or paper and if they bear different dates, they shall be counted in the order of their priority of date, for only so many persons as there are candidates to be nominated or elected. The office of the Prothonotary of the Commonwealth Court and the office of the Secretary of the Commonwealth and the various offices of prothonotary of the court of common pleas shall be open between the hours of eight-thirty o'clock A.M. and five o'clock P.M. on the last day to withdraw after filing nomination petitions and on the last day to file objections to nomination petitions.

(d) Nominations and Elections in Counties about to Undergo a Change in Classification  
(Hdg. added May 24, 1951, P.L.363, No.81)

Section 990. County Boards to Ascertain Offices to be Filled.--Whenever, pursuant to the provisions of The General County Law, the Governor certifies a change of classification to any county, the board of county commissioners shall, immediately after the recording of such change, notify the county board of elections of the change in classification. The board of elections shall thereupon promptly ascertain all county offices to be filled at the ensuing municipal election as a result of the impending change in classification and any existing county offices which are not to be filled at said election. For this purpose, it shall be the duty of the chairman of the county committee of each party to send to the board a

written notice setting forth all party offices to be filled in the county at the ensuing municipal election.

(990 added May 24, 1951, P.L.363, No.81)

Section 991. Procedure upon Ascertaining Offices.--When the board shall have ascertained all offices to be filled at the ensuing municipal election, it shall proceed, as already provided in this article, if it is still possible to secure nominations for such offices in accordance with this article at the primary election. But if notice of an impending change in classification, as hereinbefore provided for, does not come to the election board in time for it to ascertain the county offices for the primary election, then all candidates who have been or are nominated for county offices pursuant to subdivision (a) or to subdivision (b) of this article shall, in all cases where the offices for which they are nominated are the same under the county's present classification and under its new classification which is impending as a result of the Governor's certification, be the candidates for those offices, except for deaths or withdrawals provided for in this act: Provided, however, That no office which is not automatically established by law for the impending classification shall be deemed to be established by this section. Any nomination, either for joint county offices or for any separate county office, when such offices or office will become either partly or wholly separate, or will become joint with one or more presently separate county office, upon the ensuing first Monday of January, shall not be construed as a nomination for any of the said offices, but any person being such a nominee may be nominated for any new office or offices ascertained. All offices ascertained, which are to be filled at the municipal election in anticipation of the new classification and for which nominations have not been made pursuant to the foregoing provisions of this subdivision, may have candidates nominated for them as if vacancies had occurred as to the candidates for such offices and as if they were substituted nominations, in accordance with the procedure, insofar as it is applicable, provided by sections 979, 980 and 981 (b) of this act, for substituted nominations, except that the cause of vacancy set out in the nomination certificates shall not be death or withdrawal, but that the office was not ascertained for nominations in time for the regular procedures established by this article.

Upon the ascertainment of the offices to be filled at the ensuing municipal election, if it shall appear that any candidates have been or will be nominated for offices which are to be abolished as a result of the impending change in classification, the county board of elections shall proceed to keep off or to remove from the ballots or ballot labels all such nominations, together with the offices involved.

Upon the ascertainment of offices to be filled at the municipal election pursuant to notice of change in classification, the board shall give notice of all such offices by newspaper publication, at least twice, in accordance with section 106 of this act, indicating whether the nominations thereto were obtained at the primary election or are to be obtained as hereinbefore provided. Notice of the November election shall be given, as provided in section 1201 of this act, and shall set forth, (1) any existing county offices which will cease to exist on the ensuing first Monday of January, indicating that those offices and any candidates therefor will not appear as such upon the ballots or ballot labels; (2) existing county offices which will subsist and the candidates

therefor; (3) county offices which will come into existence on the ensuing first Monday of January and the candidates therefor.

To vote for a person whose name is not on the ballot, write or stamp his name in the blank space provided for that purpose.

To vote for individual candidates for presidential elector, write or stamp their names in the blank spaces provided for that purpose under the title "Presidential Electors." Mark ballot only in black lead pencil, indelible pencil or blue, black or blue-black ink, in fountain pen or ball point pen; use the same pencil or pen for all markings you place on the ballot.

Before leaving the voting compartment, fold this ballot, without displaying the markings thereon, in the same way it was folded when received, then leave the compartment and exhibit the ballot to one of the election officers who shall ascertain by an inspection of the number appearing upon the right hand corner of the back of the ballot whether the ballot so exhibited to him is the same ballot which the elector received before entering the voting compartment. If it is the same, the election officer shall direct the elector, without unfolding the ballot, to remove the perforated corner containing the number, and the elector shall immediately deposit the ballot in the ballot box. Any ballot deposited in a ballot box at any primary or election without having the said number torn off shall be void and shall not be counted.

(a) amended Oct. 31, 2019, P.L.552, No.77)

(b) On the back of each ballot shall be printed in prominent type the words "Official Ballot," followed by the designation of the election district for which it is prepared, the date of the election and the facsimile signatures of the members of the county board of elections. The names of candidates shall be arranged under the title of the office for which they are candidates, and shall be printed thereunder in the order of the votes obtained by the parties or bodies at the last gubernatorial election, beginning with the party obtaining the highest number of votes: Provided, however, That in the case of parties or bodies not represented on the ballot at the last gubernatorial election, the names of the candidates of such parties shall be arranged alphabetically, according to the party name or political appellation. In the case of offices for which two or more candidates are to be voted for, the candidates of each party shall be arranged together in the order of the number of votes obtained by them at the primary, beginning with the candidates obtaining the highest number of votes, and the candidates of each political body shall be arranged in the order in which their names were placed in their nomination paper. Under the title of such offices where more than one candidate is to be voted for, shall be printed "Vote for not more than ....." (the blank space to indicate the number of candidates to be voted for the particular office.) Opposite or under the name of each candidate shall be printed the name or appellation of the political party or political body nominating him, and at the right of such name or appellation there shall be a square of sufficient size for the convenient insertion of a cross (X) or check (✓) mark. ((b) amended Dec. 2, 1976, P.L.1221, No.269)

(c) When presidential electors are to be elected, their names shall not be printed upon the ballot, but in lieu thereof, the names of the candidates of their respective parties or political bodies for President and Vice-President of the United States shall be printed together in pairs under the title "Presidential Electors." All ballots marked for the candidates for President and Vice-President of a party or political body shall be counted as votes for each candidate for presidential elector of such party or political body.

(d) Whenever any candidate shall receive more than one nomination for the same office, his name shall be printed once, and the names of each political party so nominating him shall be printed opposite the name of such candidate, arranged in the same order as candidates names are required to be arranged. At the right of all the party names or appellation shall be a single square of sufficient size for the convenient insertion

of a cross (X) or check (✓) mark. ((d) amended July 16, 1968, P.L.354, No.175)

(e) There shall be left at the end of the group of candidates for President and Vice-President of the United States under the title "Presidential Electors," as many blank spaces as there are presidential electors to be elected, in which spaces the elector may insert, by writing or stamping, the names of any individual candidates for presidential electors for whom he desires to vote. There shall also be left at the end of each group of candidates for each other office (or under the title of the office itself in case no candidates have been nominated therefor), as many blank spaces as there are persons to be voted for for such office, in which space the elector may insert the name of any person or persons whose name is not printed on the ballot as a candidate for such office. ((e) amended Oct. 31, 2019, P.L.552, No.77)

(f) In order that each elector may have the opportunity of designating his choice for all the candidates nominated by one political party or political body, there shall be printed on the extreme left of the ballot, and separated from the rest of the ballot by a space of at least one-half inch, a list of the names of all the political parties or political bodies represented on such ballot which have nominated candidates to be voted for at such election. Such names shall be arranged in the order of the votes obtained at the last gubernatorial election by the candidate for Governor of the parties or bodies nominating, beginning with the party that received the highest number of votes cast. Following the names of such political parties and political bodies shall be the names of the parties and bodies not represented on the ballot at the last gubernatorial election, arranged alphabetically, according to the party name or appellation. A square of sufficient size for the convenient insertion of a cross mark shall be placed at the right of each party name or appellation.

(g) The official ballots shall vary in form only as the names of districts, offices, candidates or the provisions of this act may require. When constitutional amendments or other questions are submitted to a vote of the electors, each amendment or other question so submitted may be printed upon the ballot below the groups of candidates for the various offices, and, when required by law, shall be so printed. Constitutional amendments so submitted shall be printed in brief form, to be determined by the Secretary of the Commonwealth, and other questions so submitted shall be printed in brief form, to be determined by the Secretary of the Commonwealth in the case of questions to be voted on by the electors of the State at large, and by the county boards in other cases. To the right of each question there shall be placed the words "yes" and "no," together with appropriate squares to the right of each for the convenient insertion of a cross mark.

Section 1103. Placing the Question on the Ballot; Election Thereon.--

(a) The county election board may, upon their own motion, submit to the qualified electors of the county, or of any city, borough or township thereof, at any general or municipal

election, the question "Shall voting machines be used in the (county, city, borough or township) of ....."?"

(b) The county election board, upon receipt of a request from the council of any city or borough, or from the commissioners or supervisors of any township, said request being evidenced by the filing of a copy of a resolution certified by the secretary or clerk of the council, commissioners or supervisors, or upon the filing of a petition with them signed by qualified electors of the county, city, borough or township, equal in number to at least ten per cent of the total number of electors who voted in said county, city, borough or township at the preceding general or municipal election, but in no case less than fifty, unless the total number of electors who voted therein at the preceding general or municipal election was less than one hundred, in which case one-half of the number so voting shall be sufficient, shall, at the next general or municipal election, occurring at least sixty days thereafter, submit to the qualified electors of such county, city, borough or township, the question "Shall voting machines be used in the (county, city, borough or township) of ....."? (b) amended July 11, 1980, P.L.600, No.128)

(c) The county board shall cause the said question to be printed upon the ballots to be used at the election, in the form and manner provided by the laws governing general and municipal elections.

(d) The election on said question shall be held at the places, during the hours, and under the regulations, provided by law for holding general and municipal elections, and shall be conducted by the election officers provided by law to conduct such elections. The election officers shall count the votes cast at the elections on said question, and shall make return thereof to the county election board of the county, as required by law. Said returns shall be computed by the county election board, or other return board, and, when so computed, a certificate of the total number of electors voting "Yes" and of the total number of electors voting "No" on such question shall be filed in the office of the county election board, and copies thereof, certified by the county election board, shall forthwith be furnished to the Secretary of the Commonwealth, and to the county commissioners or other appropriating authority.

(e) Where the qualified electors of any city, borough or township vote in favor of the adoption of voting machines in such city, borough or township, a vote on the question of adoption of voting machines by the qualified electors of the entire county containing therein such city, borough or township, held at the same time or at a subsequent time, the result of which vote is against the adoption of voting machines, shall not be considered as a vote to discontinue the use of voting machines in such city, borough or township.

(f) If a majority of the electors of any county, city, borough or township, voting on such question, shall vote against the adoption of voting machines, the question shall not again be submitted to the voters of such political subdivision within a period of one hundred and three weeks.

(g) Whenever, under the provisions of this section, the question of the adoption of voting machines is about to be submitted to the electors of any county, city, borough or township, it shall be the duty of the county commissioners, or other authority which levies taxes for county purposes in such county, to ascertain whether current funds will be available to pay for said machines, if adopted and purchased, or whether

they have power to increase the indebtedness of the county in an amount sufficient to pay for the same without the consent of the electors and, if such current funds will not be available and the power to increase the indebtedness of the county in a sufficient amount without the consent of the electors is lacking, it shall be the duty of the county commissioners, or other authority aforesaid, to submit to the electors of the county, in the manner provided by law, at the same election at which the adoption of voting machines is to be voted on, the question whether the indebtedness of such county shall be increased, in an amount specified by them, sufficient to pay for such voting machines, if adopted.

Section 1104. Installation of Voting Machines.--(a) (1)

If a majority of the qualified electors voting on the question shall vote in the affirmative, the county election board of the said county shall purchase for each election district of such county, city, borough or township, one or more voting machines, of a kind or kinds approved by the Secretary of the Commonwealth, as hereinafter provided, and of sufficient capacity to accommodate the names of a reasonable number of candidates for all public and party offices which, under the provisions of existing laws and party rules, are likely to be voted for at any future election, and shall notify the Secretary of the Commonwealth, in writing, that they have done so. The county election board shall provide machines in good working order, and shall preserve and keep them in repair. Voting machines of different kinds may be used for different election districts in the same county, city, borough or township. In each election district in which voting machines are used, the county election board shall provide an adequate number of voting machines for the electors of the election district in accordance with section 530.

(2) Whenever there shall be a number of candidates in a primary election so great as to require voting machines limited to the candidates of one political party, there shall be two voting machines of the same kind in any district for any party which has more than three hundred and fifty (350) registered qualified electors in that district.

((a) amended Feb. 13, 1998, P.L.72, No.18)

(b) Such voting machines shall be installed, either simultaneously or gradually, in political subdivisions which adopt them. Upon the installation of voting machines in any election district, the use of paper ballots therein shall be discontinued, except as otherwise provided herein.

(c) If voting machines are installed gradually, they may be introduced, in the case of counties, in alphabetical order--by cities, boroughs and townships, so that they will first be used in the city, borough or township, the name of which is first in alphabetical order, and then in the city, borough or township, the name of which is next in alphabetical order, and so on. In cities, boroughs and townships, they shall be introduced in numerical or alphabetical order by wards and election districts, if any, so that they will first be used in the first election district of the first ward, and then in the second election district of the first ward, and so on. After they have been installed in all the election districts in the first ward, they may be installed, in the same manner, in the second ward, then in the third ward, and so on. In any event, the machines shall be installed as rapidly as practicable after the electors have voted in favor of them.

If voting machines are installed gradually they may also be introduced in the case of counties by legislative districts

with priority in installation being given to municipalities therein in the order of their descending population rank according to the last official decennial census. Within such municipality the voting machines shall be introduced in numerical order by wards and election districts, if any, so that they will first be used in the first election district of the first ward and then in the second election district of the first ward and so on. After they have been installed in all the election districts in the first ward, they shall be installed in the same manner in the second ward, then in the third ward, and so on.

((c) amended Dec. 27, 1965, P.L.1226, No.500)

(d) If the question hereinbefore provided shall have been submitted to the qualified electors of the county, city, borough or township, and the majority of the electors voting thereon shall have voted favorably thereon, and if the county election board shall not, within one year, have executed their contract or contracts providing for the purchase or procurement of voting machines for use at the next general, municipal or primary election, occurring at least one year and sixty days after the referendum, then the Secretary of the Commonwealth shall forthwith, in writing, notify the said county election board that, after the expiration of thirty days, he, under the authority of this act, on behalf of the said county, will award, make, and execute such contract or contracts, unless the said county election board meanwhile shall have made and executed the same.

(e) If, upon the expiration of said thirty days, the county election board still shall not have made and executed the contract or contracts providing for the delivery of machines as aforesaid, the Secretary of the Commonwealth, on behalf of the said county and upon the approval of the Attorney General as to form, shall thereupon award, make, and execute a contract or contracts for the purchase or procurement of a sufficient number of voting machines, approved as required by this act, for each election district within each such county, city, borough or township; and the cost of such voting machines, including the delivery thereof, and of making and entering into the said contract or contracts, including the preparation and printing of specifications and all other necessary expense incidental thereto, shall be the debt of the said county, and, upon the certificate of the Secretary of the Commonwealth, it shall be the duty of the controller, if any, to allow, and of the treasurer of the county to pay, the sum out of any appropriation available therefor, or out of the first unappropriated moneys that come into the treasury of the county.

(f) Provided, however, that if the county election board or the Secretary of the Commonwealth, as the case may be, shall find it impracticable to procure a voting machine or voting machines for each election district of the county, city, borough or township, for use at the general, municipal or primary election then next ensuing, they or he shall provide as many machines as it shall be practicable to procure, and, as soon thereafter as practicable, shall provide the remainder of such machines required hereunder. The machines shall be installed in the election district or districts, in the manner provided for the gradual introduction of voting machines in paragraph (c) of this section.

(g) Any county, city, borough or township may, by a majority vote of its qualified electors cast at any general election held not earlier than one hundred and three weeks after they have voted to adopt such machines, direct the discontinuance

of the use of voting machines at elections held in such county, city, borough or township. The question for the discontinuance of the use of such voting machines shall be submitted to the voters, subject to the same requirements as to resolution or petition and signatures thereon, as is required for the submission of the question on the authorization of the use of such voting machines. Such question for discontinuance must be submitted to the qualified electors of the county or municipality which voted on the question of the adoption of voting machines, and the question of discontinuance shall not be submitted to the qualified electors of any city, borough or township forming a part only of any county which has previously voted to adopt voting machines for the entire county, unless the qualified electors of such city, borough or township have previously, by separate vote of its qualified electors, voted in favor of the adoption of voting machines. Where the qualified electors of any city, borough or township and the qualified electors of the entire county containing therein such city, borough or township, both have voted by separate questions in favor of the adoption of voting machines, a subsequent vote by the qualified electors of the entire county in favor of discontinuance shall not be considered as a vote to discontinue the use of voting machines in such city, borough or township.

Such question as to the discontinuance of the use of voting machines shall be submitted in the following form:

"Shall the use of voting machines be continued in the (city, borough or township), of.....?"

(h) If it shall appear at any election that the county board requires additional voting machines for the use of the electors, said county board shall have authority to enter into a contract or contracts for the rental of a sufficient number of machines for said election.

Section 1104.1. Temporary Use of Approved Voting Machines in Certain Cases.--If the question hereinbefore provided shall have been submitted to the qualified electors of the county, and the majority of the electors voting thereon shall have voted favorably thereon, and if the county election board has made a gradual installation of voting machines approved by the Secretary of the Commonwealth, then such county board of elections may, upon their own motion, authorize the temporary installation of voting machines approved by the Secretary of the Commonwealth for primaries and elections in one or more election districts of the county and the use of such voting machines shall be as valid for all purposes as if the voting machines had been permanently installed.

(1104.1 added Dec. 27, 1965, P.L.1226, No.500)

Section 1105. Changing the Boundaries of Election Districts.--

(a) The courts shall, upon petition, divide or redivide any borough, township or ward, where voting machines are adopted, into election districts of compact and contiguous territory, or shall consolidate election districts therein into new districts, each having between six hundred and eight hundred registered voters as nearly as may be, except that districts having less than six hundred registered voters may be created whenever the court shall be of opinion that the convenience of the voters and the public interests will be promoted thereby.

((a) repealed in part Apr. 28, 1978, P.L.202, No.53)

(b) Proceedings for such division or redivision shall be conducted under the provisions of sections 502, 503, 504, 505 and 506.

Section 1106. Examination and Approval of Voting Machines by the Secretary of the Commonwealth.--

(a) Any person or corporation owning, manufacturing or selling, or being interested in the manufacture or sale of, any voting machine, may request the Secretary of the Commonwealth to examine the machine. Any ten or more persons, being qualified electors of this Commonwealth, may, at any time, request the Secretary of the Commonwealth to reexamine any voting machine theretofore examined and approved by him. Before any such examination or reexamination, the person, persons, or corporation, requesting such examination or reexamination, shall pay to the treasurer of the Commonwealth an examination fee of four hundred and fifty dollars (\$450). The Secretary of the Commonwealth may, at any time, in his discretion, reexamine any voting machine.

(b) The Secretary of the Commonwealth shall thereupon require such machine to be examined or reexamined by three examiners, whom he shall appoint for the purpose, of whom one shall be an expert in patent law, and the other two shall be experts in mechanics, and shall require of them a written report on such machine, attested by their signatures; and the Secretary of the Commonwealth himself shall examine the machine, and shall make and file in his office, together with the reports of the examiners appointed by him, his own report, attested by his signature and the seal of his office, stating whether, in his opinion and in consideration of the reports of the examiners aforesaid, the kind of machine so examined can be safely used by electors at elections, as provided in this act. If his report states that the machine can be so used, the machine shall be deemed approved, and machines of its kind may be adopted for use at elections, as herein provided.

(c) No kind of voting machine not so approved shall be used at any election, and if, upon the reexamination of any voting machine previously approved, it shall appear that the machine so reexamined can no longer be safely used by electors at elections as provided in this act, the approval of the same shall forthwith be revoked by the Secretary of the Commonwealth, and no such voting machine shall thereafter be purchased for use in this Commonwealth.

(d) When a machine has been so approved, no improvement or change that does not impair its accuracy, efficiency or capacity, shall render necessary a reexamination or reapproval of the machine, or of its kind.

(e) Neither the Secretary of the Commonwealth, nor any examiner appointed by him for the purpose prescribed by this section, nor any member of a county election board shall have any pecuniary interest in any voting machine, or in the manufacture or sale thereof.

(f) Each examiner appointed hereunder shall receive a compensation of one hundred and fifty dollars (\$150) for each different type of voting machine examined by him.

Section 1107. Requirements of Voting Machines.--No voting machine shall, upon any examination or reexamination, be approved by the Secretary of the Commonwealth, or by any examiner appointed by him, unless it shall, at the time, satisfy the following requirements:

(a) It shall provide facilities for voting for such candidates as may be nominated, and upon such questions as may be submitted.

(b) ((b) deleted by amendment Oct. 31, 2019, P.L.552, No.77)

(c) It shall permit each voter, at other than primary elections, to vote a ticket selected from the nominees of any

and all political parties, from the nominees of any and all political bodies, and from persons not in nomination.

(d) It shall permit each voter to vote, at any election, for any person and for any office for whom and for which he is lawfully entitled to vote, whether or not the name of such person appears upon a ballot label as a candidate for nomination or election, and to vote for as many persons for an office as he is entitled to vote for, and to vote for or against any question upon which he is entitled to vote.

(e) It shall preclude each voter from voting for any candidate, or upon any question, for whom or upon which he is not entitled to vote, and from voting for more persons for any office than he is entitled to vote for, and from voting for any candidate for the same office or upon any question more than once, except in districts and for offices where cumulative voting is authorized by law.

(f) It shall be capable of adjustment by election officers, so as to permit each voter at a primary election to vote only for the candidates for nonpartisan nomination, if any, and for the candidates seeking nomination by the political party in which he is registered and enrolled, if he is enrolled as a member of a political party, and so as to preclude him from voting for the candidates seeking nomination by any political party in which he is not enrolled.

(g) It shall permit each voter to deposit, write in, or affix upon receptacles or devices provided for the purpose, ballots containing the names of persons for whom he desires to vote, whose names do not appear upon the machine.

(h) It shall permit each voter to change his vote for any candidate, or upon any question appearing upon the ballot labels, up to the time he begins the final operation to register his vote, or indicates or expresses his intention to register his vote.

(i) It shall permit and require voting in absolute secrecy, and shall be so constructed that no person can see or know for whom any other elector has voted or is voting, save a voter whom he has assisted or is assisting in voting, as prescribed by law.

(j) It shall have voting devices for separate candidates and questions, which shall be arranged in separate parallel rows or columns, so that, at any primary election, one or more adjacent rows or columns may be assigned to the candidates of a party, and shall have parallel office columns or rows transverse thereto.

(k) It shall have a counter, or other device, the register of which is visible from the outside of the machine, which shall show during any period of voting the total number of voters who have operated the machine during said period of voting.

(l) It shall have a protective counter, or other device, the register of which cannot be reset, which shall record the cumulative total number of movements of the operating mechanism.

(m) It shall be provided with a lock or locks, by the use of which, immediately after the polls are closed, or the operation of the machine for an election is completed, all movement of the registering mechanism is absolutely prevented.

(n) It shall be provided with a screen, hood or curtain, which shall conceal the actions of the voter while voting.

(o) It shall be constructed of material of good quality, in a neat and workmanlike manner.

(p) It shall, when properly operated, register or record correctly and accurately every vote cast.

(q) It shall be so constructed that a voter may readily learn the method of operating it.

(r) It shall be safely transportable.

(s) It shall be so constructed and controlled that, during the progress of voting, it shall preclude every person from seeing or knowing the number of votes registered for any candidate, and from tampering with any of the registering mechanism.

(t) If it is of a type equipped with mechanism for printing paper proof sheets, and not requiring the counters to be made visible in order to canvass the votes recorded on the machine, the door, or other device, concealing such counters, or keeping the same concealed, may be equipped with a lock or locks, requiring the simultaneous use of three separate and substantially different keys to open or operate the same.

Section 1108. Payment for Machines.--The county commissioners, or such other authority as levies the taxes for county purposes of any county which adopts voting machines, or of any county in which a city, borough or township is located which adopts voting machines, shall, upon the purchase thereof, provide for payment therefor by the county: Provided, however, That bonds or other evidences of indebtedness, payable not later than thirty years from their dates of issuance, may be issued in accordance with the provisions of law relating to the increase of indebtedness of counties, to meet all or any part of the cost of the voting machines.

(1108 amended Dec. 27, 1965, P.L.1226, No.500)

Section 1109. Demonstration of Voting Machines.--Whenever a referendum is about to be held upon the adoption of voting machines in any county, city, borough or township, the county election board shall purchase, lease or borrow a reasonable number of voting machines for demonstration purposes in such county, city, borough or township, prior to such referendum.

Section 1110. Form of Ballot Labels on Voting Machines.--

(a) The papers, cards or strips, enclosed within the ballot frame or frames of any voting machine, and containing the names of a candidate or candidates, or political party, or the statement of a question to be voted upon, hereinafter referred to as ballot labels, shall be printed in black ink, upon clear white material, of such size as will fit the ballot frame, and in plain clear type so as to be easily readable by persons with normal vision.

(b) If the construction of the machine shall require it, the ballot label for each candidate, group of candidates, political party, or question, to be voted on, shall bear the designating letter or number of the counter on the voting machine which will register or record votes therefor. Each question to be voted on shall appear on the ballot labels, in brief form, of not more than seventy-five words, to be determined by the Secretary of the Commonwealth in the case of constitutional amendments or other questions to be voted on by the electors of the State at large, and by the county election board in other cases.

(c) The ballot label for each candidate or group of candidates, nominated or seeking nomination by a political party, shall contain the name or designation of the political party.

(d) The titles of offices may be arranged horizontally or vertically, with the names of candidates for an office arranged transversely under or opposite the title of the office. Under the title of such offices where more than one candidate is to be voted for, shall be printed "Vote for not more than ....."

(the blank space to indicate the number of candidates to be voted for the particular office.) ((d) amended Dec. 2, 1976, P.L.1221, No.269)

(e) The names of all candidates, nominated or seeking nomination by a political party, shall appear in adjacent rows or columns containing generally the names of candidates nominated or seeking nomination by such party, provided that the names of individual candidates for presidential elector shall not appear upon the ballot labels, but, in lieu thereof, the names of the candidates of said party for President and Vice-President shall be printed on a single ballot label, together with the name of said party.

(f) When the same person has been nominated for the same office by more than one political party, his name shall appear in the rows or columns containing generally, the names of candidates nominated by each such party, his position in such rows or columns to be determined by the number of votes he received at the primary in the party entitled to priority on the ballot as determined by the votes obtained in the State at the last gubernatorial election by the candidate for Governor.

(g) The form and arrangement of ballot labels shall be prepared by the county election board. ((g) amended Sept. 29, 1951, P.L.1571, No.404)

(h) The names of all candidates of a political party shall appear in the same row or column, and except in cases of names of presidential commitments of nominees for delegate or alternate delegate to political party National conventions no other names shall appear in the same row or column. Where the names of the delegate or alternate delegate and the presidential candidate he is supporting shall both appear, the print size of the name of the delegate or alternate delegate shall be equal to the size of the name of the particular presidential candidate to whom he is committed, or in the case where he is uncommitted, the word "uncommitted" shall appear in the same size print. The names of such candidates shall be arranged under or opposite the title of the office for which they are candidates, and shall appear in the order of the votes obtained by the candidate for Governor of the party nominated at the last gubernatorial election, beginning with the party obtaining the highest number of votes: Provided, however, That in the case of parties or bodies not represented on the ballot at the last gubernatorial election, the names of the candidates of such parties shall be arranged alphabetically, according to the party or body name. The names of all candidates of a political body shall appear in the same row or column, and, if the number of parties and bodies permits, each political body shall be entitled exclusively to a separate row or column. If, however, the number of political parties and political bodies renders it impossible or impracticable to so arrange the political bodies, in such case said bodies shall not be entitled to a separate row or column, but shall be listed by political appellations on the first left hand or top row, with the designating letter and number of the ballot label where their candidates may be found, together with the political appellations of other political bodies, whose candidates may be interspersed on the same row or column. Subject to the aforesaid limitations, the form and arrangement of ballot labels, as to the placing thereon of political bodies, shall be within the discretion of the county board. ((h) amended Oct. 31, 2019, P.L.552, No.77)

(i) In primary elections, the ballot labels, containing the names of candidates seeking nomination by a political party, shall be segregated on the face of the machine in adjacent rows

or columns by parties, the priority of such political parties on the ballot labels to be determined in the same manner as provided for determining priority on paper ballots in section 1003 (f) herein.

(j) In primary elections, if it shall be impossible or impracticable to place on the ballot labels of one machine the names of all candidates seeking nomination in all political parties, the county election board may arrange for each election district the names of the candidates on separate voting machines: Provided, however, That the names of all the candidates seeking nomination in any one political party shall appear on one machine.

(k) Except as hereinafter provided in primary elections where there are a sufficient number of ballot frames on one row or column to accommodate all the candidates of a political party, the names of all the candidates shall appear on that row or column in the order that was established under the provisions of sections 915 and 916 of this act. Where there are four or more candidates for a particular office, the names of the candidates may be divided between the rows or columns as equally as possible so long as the order as provided in sections 915 and 916 is maintained. ((k) added Aug. 8, 1963, P.L.614, No.322)

(l) At the written request of a State committee, filed with the party rules and on the deadline prescribed by section 808.1 of this act, a party may have a "no preference" column added to the list of candidates for the office of President of the United States at the primary election. The ballot position for "no preference" shall be drawn in the same manner as the other candidates for that office: Provided, however, That this position shall be drawn by the Secretary of the Commonwealth or his or her designee. ((l) added July 21, 1979, P.L.189, No.63)

(m) Notwithstanding any other provision of this section, a county election board may, to avoid voter confusion, provide for the use of a color scheme to identify all the candidates for a specific office. ((m) added Dec. 17, 1990, P.L.681, No.169)

(1110 amended Apr. 24, 1947, P.L.68, No.33)

Section 1111. Preparation of Voting Machines by County Election Boards.--

(a) The county election board of each county shall cause the proper ballot labels to be placed on each voting machine which is to be used in any election district within such county; and shall cause each machine to be placed in proper order for voting; shall examine each machine before it is sent out to a polling place; shall see that each registering counter, except the protective counter, on each machine is set at zero (000); shall lock each machine so that the counting machinery cannot be operated, and shall seal each machine with a numbered seal. The county election board or their duly authorized agent shall adjust each machine to be used at a primary election, so that the election officers may lock it on primary election day, in such a way that each voter can vote only for the candidates for nonpartisan nomination, if any, and for the candidates seeking nomination by the political party in which he is enrolled, if he is enrolled as a member of a political party, and so that no voter can vote for the candidates seeking nomination by any political party in which he is not enrolled.

(b) The county election board shall appoint one custodian of voting machines, and such deputy custodians as may be necessary, whose duty it shall be to prepare the machines to be used in the county at the elections to be held therein. Each

custodian and deputy custodian shall receive from the county, for each day he is actually employed under the provisions of this act, such compensation as shall be fixed by the county election board, but not less than five dollars (\$5.00) per day. Such custodian shall, under the direction of the county election board, have charge of and represent the county election board during the preparation of the voting machines as required by this act, and he and the deputy custodians whose duty it shall be to assist him in the discharge of his duties, shall serve at the pleasure of the county election board. Each custodian shall take the constitutional oath of office, which shall be filed with the county election board.

(c) On or before the fortieth day preceding an election, the county election board shall mail to the chairman of the county committee of each political party, which shall be entitled under existing laws to participate in primary elections within the county, and to the chairman or presiding officer of any organization of citizens within the county having as its purpose or among its purposes the investigation or prosecution of election frauds, which has registered its name and address, and the names of its principal officers with the county election board at least fifty (50) days before such election, a written notice stating the times when and the place or places where preparation of the machines for use in the several election districts in the county will be started. One representative of each of such political parties, certified by the respective chairmen of the county committees of such parties, and one representative of each such organization of citizens, certified by the respective chairmen or presiding officers of such organizations, shall be entitled to be present, during the preparation of the machines, and to see that the machines are properly prepared and are placed in proper condition and order for use: Provided, however, That such representatives shall not interfere with preparation of the machines, and the county board may make such reasonable rules and regulations governing the conduct of such representatives.

(d) The custodian and deputy custodians of voting machines shall make a certificate, in writing, which each shall sign, and request each representative of a party or a citizens organization as aforesaid, present at the preparation of the machine to attest, and which shall be filed with the county election board, stating--(1) the identifying number or other designation of the voting machine; (2) that each registering counter of the machine was set at zero (000); (3) the number registered on the protective counter or other device of the machine; and (4) the number on the seal with which the machine is sealed.

(e) No member of the county election board, nor custodian, nor other employe of the county election board, shall, in any way, prevent free access to and examination of all voting machines, which are to be used at the election, by any of the duly appointed representatives aforesaid; and the county election board and their employes shall afford to each such representative every facility for the examination of all registering counters, protective counters, and public counters of each and every voting machine.

(f) The county election board shall furnish, at the expense of the county, all ballot labels, forms of certificates, returns, and other papers and supplies, required under the provisions of this act, all of which shall be in the form, and according to the specifications, prescribed, from time to time, by the Secretary of the Commonwealth.

Section 1112. Delivery of Voting Machines and Supplies by County Election Boards to Election Officers.--

(a) The county election board shall deliver the proper voting machine or voting machines, properly furnished with ballot labels, to the polling places of the respective election districts, at least one hour before the time set for opening the polls at each election, and shall cause each machine to be set up in the proper manner for use in voting. Each machine shall then remain sealed until the examination immediately preceding the opening of the polls prescribed by this act.

(b) The county election board shall provide ample protection against molestation of and injury to the voting machine, and, for that purpose, shall and may call upon any police or elected peace officer of this Commonwealth to furnish such assistance as may be necessary, and it shall be the duty of police and elected peace officers to furnish such assistance when so requested by the county election board.

(c) The county election board shall furnish, at the expense of the county, and deliver with each voting machine:

1. A lantern, or a proper substitute for one, which shall give sufficient light to enable voters, while in the voting machine booth, to read the ballot labels, and suitable for the use of election officers in examining the counters. The lantern, or proper substitute therefor, shall be prepared and in good order for use before the opening of the polls.

2. Two diagrams or sample ballots, of suitable size, representing such part of the face of such voting machine as will be in use in the election, and accompanied by directions for voting on the machine. Such diagrams shall be posted prominently outside the enclosed space within the polling place.

3. A mechanically operated model of a portion of the face of a voting machine, for the instruction of electors. Such model shall be placed in the polling place and at or outside of the guard-rail or barrier.

4. A seal, for sealing the machine after the polls are closed; an envelope for the return of the keys, if the construction of the voting machine shall permit their separate return; and such other election materials and supplies as may be necessary, or as may be required by law.

Section 1113. Election Officers; Polling Places.--

(a) The election board in each election district in which a voting machine is used shall consist of a judge of election, two inspectors of election, and one clerk of election chosen by the minority inspector, as is provided by this act.

(b) Where more than one machine is to be used in an election district, the county election board shall, prior to each election, appoint, for each additional voting machine to be used in such district, one elector of the county, qualified to serve as an election officer, to serve as machine inspector in such district at such election, who shall receive the same compensation as an inspector of election, and whose duty it shall be to have charge of the operation of one of the voting machines under the supervision of the judge of election. Each machine inspector shall be sworn to the faithful discharge of his duties.

(c) In election districts in which voting machines are used, the county election board may, in its discretion, procure and provide portable or movable polling places of adequate size and facilities for any or all of such districts.

Section 1114. Delivery of Voting Machine Keys to Judge of Election.--

(a) The county election board shall deliver the keys, which unlock the operating mechanism and the registering counters or counter compartment of the voting machine, to the judge of election, not earlier than the Saturday preceding an election, nor later than three-quarters of an hour before the time set for the opening of the polls, and shall take his receipt therefor. The keys shall be enclosed in a sealed envelope, on which shall be written or printed: (1) the number of the voting machine; (2) the name or designation of the election district; (3) the number of the seal; (4) the number registered on the protective counter or device as reported by the custodian: Provided, however, That if the type of voting machine used requires the simultaneous use of three keys to unlock the registering counters or counter compartment, only two of said keys shall be enclosed in said sealed envelope, the third key being retained by the custodian, the county election board, or such other person as they shall have authorized.

(b) No election officer shall open an envelope so delivered, until the minority inspector shall be present in the polling place, and shall have examined the envelope to see that it has not been opened.

(1114 amended Apr. 21, 1949, P.L.693, No.165)

Section 1115. Instruction of Voters Before an Election.--

(a) During the thirty days next preceding an election, the county election board shall place on public exhibition, in such public places, and at such times as it may deem most suitable for the information and instruction of the voters, one or more voting machines, containing the ballot labels, and showing the offices and questions to be voted upon, the names and arrangements of parties, and, so far as practicable, the names and arrangements of the candidates to be voted for. Such machine or machines shall be under the charge and care of a person competent as custodian and instructor. No voting machine, which is to be assigned for use in an election, shall be used for such public exhibition and instruction, after having been prepared and sealed for the election.

(b) During such public exhibition and instruction, the counting mechanism of the voting machine shall be concealed from view, and the doors, or cover concealing the same, shall be opened, if at all, only temporarily, and only upon written authorization from the county election board.

(c) Prior to any election, the county board may cause copies of any diagram or diagrams, required to be furnished with voting machines at polling places, to be made, either in full size or in reduced size, and to be posted, published, advertised or distributed among the electors in such manner as they may deem desirable.

Section 1116. Voting by Ballot.--If a method of election for any candidates or offices is prescribed by law, in which the use of voting machines is not possible or practicable, or in case, at any election, the number of candidates nominated or seeking nomination for any office renders the use of voting machines for such office at such election impracticable, or if, for any other reason, at any election the use of voting machines is not possible or practicable, the county election board may arrange to have the voting for such or all offices conducted by paper ballots. In such cases, ballots shall be printed for such or all offices, and the election conducted by the election officers herein provided for, and the ballots counted and return thereof made in the manner required by law for such offices, in so far as paper ballots are used.

Section 1117. Unofficial Ballot Labels; Repair of Machine, or Use of Paper Ballots.--

(a) If ballot labels for an election district, at which a voting machine is to be used, shall not be delivered to the election officers as required by section 1209 (b) (2) of this act, the judge of election of such district shall cause other labels to be prepared, printed, or written, as nearly in the form of official ballot labels as practicable, and the election officers shall cause the labels, so substituted, to be used at the election, in the same manner, as near as may be, as the official labels. Such labels, so substituted, shall be known as unofficial ballot labels.

(b) If any voting machine being used in any election shall become out of order during such election, it shall, if possible, be repaired or another machine substituted by the custodian or county election board as promptly as possible, for which purpose the county board may purchase as many extra voting machines as they may deem necessary, but in case such repair or substitution cannot be made, paper ballots, printed or written, and of any suitable form, may be used for the taking of votes.

Section 1118. Custody of Voting Machines and Keys.--

(a) The county election board shall designate a person or persons who shall have the custody of the voting machines of the county, city, borough or township, and the keys therefor, when the machines are not in use at an election, and shall provide for his compensation and for the safe storage and care of the machines and keys.

(b) All voting machines, when not in use, shall be properly boxed or covered, and stored in a suitable place or places.

Section 1102-A. Authorization of Electronic Voting Systems for Use at Polling Places.--Any county or municipality may, by a majority vote of its qualified registered electors voting thereon cast at any primary or election, authorize and direct the use of an electronic voting system for registering or recording and computing the vote at all elections and primaries held at polling places in such county or municipality.

(1102-A added July 11, 1980, P.L.600, No.128)

Section 1103-A. Placing the Question on the Ballot; Election Thereon.--(a) The county election board may, upon their own motion, submit to the qualified registered electors of the county or municipality, at any primary or election, the question "Shall an electronic voting system be used at polling places in the (county or municipality) of ....."?"

(b) The county election board, upon receipt of a request from the governing body of a municipality, said request being evidenced by the filing of a copy of a resolution certified by the secretary or clerk of the municipality, or upon the filing of a petition with them signed by qualified registered electors of the county or municipality, equal in number to at least ten (10) per centum of the total number of electors who voted in said county or municipality, at the preceding general or municipal election, but in no case less than fifty, shall, at the next primary or election, occurring at least sixty days thereafter, submit to the qualified registered electors of such county or municipality, the question "Shall an electronic voting system be used at polling places in the (county or municipality) of ....."?"

(c) The county board shall cause the said question to be submitted at the primary or election, in accordance with the provisions of this act relating to elections.

(d) The election on said question shall be held at the places, during the hours, and under the regulations, provided by law for holding primaries and elections, and shall be conducted by the election officers provided by law to conduct such elections. (c) If the question hereinbefore provided shall have been submitted to the qualified registered electors of the county or municipality and the majority of the electors voting thereon shall have voted favorably thereon, and if the county board of

elections shall not, within one year after such vote, have executed a contract or contracts providing for the purchase, lease or other procurement of an electronic voting system for use at the general, municipal, primary or special election occurring at least one year and sixty days after such vote, then the Secretary of the Commonwealth shall forthwith in writing, notify the said county board of elections that, after the expiration of thirty days, he, under the authority of this act, will award, make and execute such contract or contracts on behalf of the said county, unless the said county board of elections shall make and execute the same prior to the expiration of that period and shall notify him, in writing, that they have done so.

(d) If, upon the expiration of said thirty days, the county board of elections still shall not have made and executed a contract or contracts providing for the purchase, lease or other procurement of an electronic voting system as aforesaid, the Secretary of the Commonwealth, on behalf of the said county and upon the approval of the Attorney General as to form, shall thereupon award, make and execute a contract or contracts for the purchase, lease or other procurement of an electronic voting system, approved as required by this act, for each election district within such county or municipality, and the cost of such system, including the preparation and printing of specifications and all other necessary expenses incidental thereto, shall be the debt of the said county, and upon the certificate of the Secretary of the Commonwealth, it shall be the duty of the controller, if any, to allow, and of the treasurer of the county to pay, the sum out of any appropriation available therefore or out of the first unappropriated moneys that come into the treasury of the county. If the Secretary of the Commonwealth shall find it impracticable to procure an electronic voting system for installation in each election district of the county or municipality for use at the election then next ensuing, he shall provide for the installation of such a system in as many election districts of the county or municipality as shall be practicable and, as soon thereafter as practicable, shall provide for the installation of such system in the remainder of the election districts of the county or municipality.

(e) Any county or municipality may, by a majority vote of its qualified registered electors cast at any general or municipal election held not earlier than one hundred and three weeks after they have voted to adopt an electronic voting system, direct the discontinuance of the use of such a system at all elections held in such county or municipality. Upon the receipt by the county board of elections of a petition signed by qualified registered electors of the county or municipality equal in number to at least ten (10) per centum of the total number of electors who voted in said county or municipality at the last preceding general or municipal election, the question for the discontinuance of the use of such an electronic voting system shall be submitted to the qualified registered electors of that county or municipality, subject to the same requirements as to the conduct of the election as is required for the submission of the question on the authorization of the use of an electronic voting system. The question as to the discontinuance of the use of an electronic voting system shall be submitted in the following form: "Shall the use of an electronic voting system be continued in the (county or municipality) of .....?"

(1104-A added July 11, 1980, P.L.600, No.128)

Section 1105-A. Examination and Approval of Electronic Voting Systems by the Secretary of the Commonwealth.--(a) Any person or corporation owning, manufacturing or selling, or being interested in the manufacture or sale of, any electronic voting system, may request the Secretary of the Commonwealth to examine such system if the voting system has been examined and approved by a federally recognized independent testing authority and if it meets any voting system performance and test standards established by the Federal Government. The costs of the examination shall be paid by the person requesting the examination in an amount set by the Secretary of the Commonwealth. Any ten or more persons, being qualified registered electors of this Commonwealth, may, at any time, request the Secretary of the Commonwealth to reexamine any electronic voting system theretofore examined and approved by him. Before any reexamination, the person, persons, or corporation, requesting such reexamination, shall pay to the Treasurer of the Commonwealth a reexamination fee of four hundred fifty dollars (\$450). The Secretary of the Commonwealth may, at any time, in his discretion, reexamine any such system therefore examined and approved by him. The Secretary of the Commonwealth may issue directives or instructions for implementation of electronic voting procedures and for the operation of electronic voting systems. ((a) amended Dec. 9, 2002, P.L.1246, No.150)

(b) Upon receipt of a request for examination or reexamination of an electronic voting system as herein provided for or in the event he determines to reexamine any such system, the Secretary of the Commonwealth shall examine the electronic voting system and shall make and file in his office his report, attested by his signature and the seal of his office, stating whether, in his opinion, the system so examined can be safely used by voters at elections as provided in this act and meets all of the requirements hereinafter set forth. If his report states that the system can be so used and meets all such requirements, such system shall be deemed approved and may be adopted for use at elections, as herein provided. With respect to any electronic voting system approved for use in this Commonwealth by the secretary, the report of the secretary shall specify the capacity of the components of that system, the number of voters who may reasonably be accommodated by the voting devices and automatic tabulating equipment which comprise such system and the number of clerks and machine inspectors, if any, required based on the number of registered electors in any election district in which the voting system is to be used, such specifications being based upon the secretary's examination of the system. Any county which thereafter may adopt any such approved system shall provide the components of such system in a number no less than that sufficient to accommodate the voters of that county or municipality in accordance with the minimum capacity standards so prescribed by the secretary. The county board shall comply with the requirements for the use of the electronic voting system as set forth in the report by the Secretary of the Commonwealth. ((b) amended Dec. 9, 2002, P.L.1246, No.150)

(c) No electronic voting system not so approved shall be used at any election, and if, upon the reexamination of any such system previously approved, it shall appear that the system so reexamined can no longer be used safely by voters at elections as provided in this act or does not meet the requirements hereinafter set forth, the approval of that system shall forthwith be revoked by the Secretary of the Commonwealth,

and that system shall not thereafter be used or purchased for use in this Commonwealth.

(d) When an electronic voting system has been so approved, no improvement or change that does not impair its accuracy, efficiency or capacity or its compliance with the requirements hereinafter set forth, shall render necessary the reexamination or reapproval of such system.

(e) Neither the Secretary of the Commonwealth nor any member of a county board of elections shall have any pecuniary interest in any electronic voting system or in any of the components thereof, or in the design, manufacture or sale thereof. ((e) amended Dec. 9, 2002, P.L.1246, No.150)

(f) ((f) deleted by amendment Dec. 9, 2002, P.L.1246, No.150)

(1105-A added July 11, 1980, P.L.600, No.128)

Section 1106-A. Experimental Use of Electronic Voting Systems.--(a) The county board of elections of any county may provide for experimental use at any primary or election in one or more election districts of said county, of an electronic voting system, and the use of such system shall be as valid for all purposes as if the electronic voting system had been adopted in accordance with the provisions of this act.

(b) The Secretary of the Commonwealth may approve the use of an experimental electronic voting system by the county board of elections of any county which complies with section 1306(a) for absentee voters as provided for in the Uniformed and Overseas Citizens Absentee Voting Act (Public Law 99-410, 100 Stat. 924) if the system allows the elector to mark his electronic ballot in secrecy as provided for paper absentee ballots pursuant to section 1306(a). The system shall be exempt from the requirements of sections 1107-A, 1302, 1303, 1304, 1305 and 1306.

(1106-A amended Dec. 9, 2002, P.L.1246, No.150)

Section 1107-A. Requirements of Electronic Voting Systems.--No electronic voting system shall, upon any examination or reexamination, be approved by the Secretary of the Commonwealth, or by any examiner appointed by him, unless it shall be established that such system, at the time of such examination or reexamination:

(1) Provides for voting in absolute secrecy and prevents any person from seeing or knowing for whom any voter, except one who has received or is receiving assistance as prescribed by law, has voted or is voting.

(2) Provides facilities for voting for such candidates as may be nominated and upon such questions as may be submitted.

(3) ((3) deleted by amendment Oct. 31, 2019, P.L.552, No.77)

(4) Permits each voter, at other than primary elections, to vote a ticket selected from the nominees of any and all political parties, from the nominees of any and all political bodies, and from any persons whose names are not in nomination and do not appear upon the official ballot.

(5) Permits each voter to vote for any person and any office for whom and for which he is lawfully entitled to vote, whether or not the name of such person appears upon the ballot as a candidate for nomination or election.

(6) Permits each voter to vote for as many persons for any office as he is entitled to vote for and to vote for or against any question upon which he is entitled to vote and precludes each voter from voting or from having his vote tabulated for any candidate, or upon any question, for whom or upon which he is not entitled to vote.

(7) If it is of a type that registers the vote electronically, the voting system shall preclude each voter from voting for more persons for any office than he is entitled to vote for or upon any question more than once.

(8) Precludes each voter from voting or from having his vote tabulated more than once for any candidate for the same office or upon any question, except in districts and for offices where cumulative voting is authorized by law.

(9) Permits each voter at a primary election to vote only for the candidates seeking nomination by a political party in which such voter is registered and enrolled, and for any candidate for nonpartisan nomination, and for any question upon which he is entitled to vote.

(10) If it is of a type that registers the vote electronically, the voting system shall permit each voter to change his vote for any candidate or upon any question appearing on the official ballot up to the time that he takes the final step to register his vote and to have his vote computed. If it is of a type that uses paper ballots or ballot cards to register the vote and automatic tabulating equipment to compute such votes, the system shall provide that a voter who spoils his ballot may obtain another ballot; any ballot thus returned shall be immediately cancelled and at the close of the polls shall be enclosed in an envelope marked "spoiled" which shall be sealed and returned to the county board.

(11) Is suitably designed for the purpose used, is constructed in a neat and workmanlike manner of durable material of good quality, is safely and efficiently useable in the conduct of elections and, with respect to the counting of ballots cast at each district, is suitably designed and equipped to be capable of absolute accuracy, which accuracy shall be demonstrated to the Secretary of the Commonwealth.

(12) Provides acceptable ballot security procedures and impoundment of ballots to prevent tampering with or substitution of any ballots or ballot cards.

(13) When properly operated, records correctly and computes and tabulates accurately every valid vote registered.

(14) Is safely transportable.

(15) Is so constructed that a voter may readily learn the method of operating it.

(16) If the voting system is of a type which provides for the computation and tabulation of votes at the district level, the district component of the automatic tabulating equipment shall include the following mechanisms or capabilities:

(i) A public counter, the register of which is visible from the outside of the automatic tabulating equipment component into which the ballots are entered, which shall show during any period of operation the total number of ballots entered for computation and tabulation.

(ii) A lock, or locks, by the use of which all operation of the tabulation element of the automatic tabulating equipment is absolutely prevented immediately after the polls are closed or where the tabulation of votes is completed.

(iii) It shall be so constructed and controlled that, during the progress of voting, it shall preclude every person from seeing or knowing the number of votes theretofore registered for any candidate or question; and it shall preclude every person from tampering with the tabulating element.

(iv) If the number of choices recorded for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question, provided, that if used

during the period of voting it may also have the capacity to indicate to a voter that he has improperly voted for more candidates for any office than he is entitled to vote for, and in such case it shall have the capacity to permit the voter to mark a new ballot or to forego his opportunity to make such correction.

(v) It shall be equipped with an element which generates a printed record at the beginning of its operation which verifies that the tabulating elements for each candidate position and each question and the public counter are all set to zero and with an element which generates a printed record at the finish of its operation of the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against, any question appearing on the ballot.

(17) If the voting system is of a type which provides for the computation and tabulation of all votes at a central counting center or if it provides for the tabulation of district totals at such a central counting center, the central automatic tabulating equipment shall include the following mechanisms or capabilities:

(i) It shall be constructed so that every person is precluded from tampering with the tabulating element during the course of its operation.

(ii) If the number of choices for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question.

(iii) It shall have a means by which to verify that the counters for each candidate position and for each question are all set to zero and shall be able to generate a printed record of each election district showing the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against, any question appearing on the ballot. It may also be capable of generating cumulative election reports.

(1107-A added July 11, 1980, P.L.600, No.128)

Section 1108-A. Payment for Machines.--The county commissioners or such other authority as levies the taxes for county purposes of any county which adopts an electronic voting system shall, upon the purchase, lease or other procurement thereof, provide for payment therefor by the county. Bonds or other evidences of indebtedness may be issued in accordance with the provisions of the act of July 12, 1972 (P.L.781, No.185) known as the "Local Government Unit Debt Act," to meet all or any appropriate part of the cost of any such system.

(1108-A added July 11, 1980, P.L.600, No.128)

Section 1109-A. Forms.--(a) (1) Ballot labels used in conjunction with ballot cards shall, as far as practicable, be in the same order or arrangement as provided for paper ballots or voting machine ballots, except that such information may be printed in vertical columns or in a number of separate pages which are placed on the voting device.

(2) The pages placed on the voting device shall be of sufficient number to include, following the listing of particular candidates, the names of candidates for any nonpartisan offices and any measures for which a voter may be qualified to vote on a given election day. ((2) amended Mar. 27, 2020, P.L.41, No.12)

(3) In a primary election the pages placed on the voting device may be arranged with the entire ballot label consisting of several groups of pages, so that a separate group can be used to list the names of candidates seeking nomination of each qualified political party, with additional groups used to list any nonpartisan offices or measures. Groups of pages may be identified by color or other suitable means, and voters shall be instructed to vote only for candidates of the party of their choice and thereafter to vote for any nonpartisan candidates or measures.

(b) Ballot labels shall be printed in plain clear type, of such size and arrangement as to fit the construction of the voting device; and they shall be printed in a manner prescribed by the Secretary of the Commonwealth to identify different ballots or parts of a ballot and in primary elections to identify each political party. ((b) amended Mar. 27, 2020, P.L.41, No.12)

(c) On all ballot labels the titles of offices and the names of candidates shall in all elections be arranged in columns or rows in a series of separate pages and, in primary elections, the names of candidates for an office shall appear in the order that was established under the provisions of sections 915 and 916. The office titles shall be printed above or at the side of the names of candidates so as to indicate clearly the candidates for each office and the number to be elected. In partisan elections the party designation of each candidate shall be printed to the right or below the candidate's name. All candidates for one office shall be grouped on one page where practical; in case there are more candidates for an office than can be printed in one column or on one ballot page, the ballot label shall clearly indicate that the list of candidates is continued on the following column or page, and so far as possible, the same number of names shall be printed on each column or page. Arrows may be used to indicate the place to vote for each candidate and for or against every question presented.

(d) ((d) deleted by amendment Oct. 31, 2019, P.L.552, No.77)

(e) In primary elections, the Secretary of the Commonwealth shall prescribe a method to ensure that the elector votes the correct ballot. ((e) amended Mar. 27, 2020, P.L.41, No.12)

(f) Ballot cards, or the portion thereof on which the voter registers his vote, shall be of a size, design and stock suitable for processing by the automatic tabulating equipment used in the voting system. ((f) amended Nov. 27, 2019, P.L.673, No.94)

(g) Sample ballots, which shall be facsimile copies of the official ballot or ballot labels, shall be provided and posted in each polling place on election day as required by law. Sample ballots may be printed on a single page or on a number of pages stapled together.

(1109-A added July 11, 1980, P.L.600, No.128)

Section 1110-A. Supplies; Preparation of the Voting System and of Polling Places.--(a) Prior to any election in which an electronic voting system is to be used, the county board of elections shall furnish to each election district, at the expense of the county, the elements of such voting system, including voting devices, automatic tabulating equipment, ballot boxes, ballot labels, ballots, ballot envelopes, forms of certificates, returns and other records and supplies, as are necessary for the proper operation of the voting system at the election district level or as are required under the provisions of this act, all of which shall be in the form and according

to the specifications prescribed from time to time by the Secretary of the Commonwealth.

(b) Unless the voting device itself enables the voter to register his vote in secret, the county board of elections shall provide voting booths for each election district, which shall be of a size and design which shall enable the voter to register his vote in secret. The county board shall determine the number of voting devices and voting booths to be provided in each such district in order to satisfy the minimum capacity standards prescribed by the Secretary of the Commonwealth.

(b.1) The county board of elections shall furnish supplies to each election district which shall enable the voter to insert the ballot into the district automatic tabulating equipment in secret. The supplies shall be in the form and according to the specifications prescribed by the Secretary of the Commonwealth. ((b.1) added Nov. 27, 2019, P.L.673, No.94)

(c) The county board of elections shall appoint a custodian of the electronic voting system and such deputy custodians as may be necessary, and it shall be the duty of such custodians to prepare the voting system and all of its components for use in any election in which such system is employed. Each custodian and deputy custodian shall receive from the county, for each day he is actually employed under the provisions of this act, such compensation as shall be fixed by the county board of elections. Such custodian shall, under the direction of the county board of elections, have charge of and represent the county election board during the preparation of the electronic voting system as required by this act, and he and the deputy custodians, whose duty it shall be to assist him in the discharge of his duties, shall serve at the pleasure of the county board of elections. Each custodian shall take the constitutional oath of office, which shall be filed with the county board of elections.

(d) On or before the fortieth day preceding any election, the county board of elections shall mail to the chairman of the county committee of each political party which shall be entitled under existing laws to participate in primary elections within the county, and to the chairman or presiding officer of any organization of citizens within the county which has as its purpose or among its purposes the investigation or prosecution of election frauds and which has registered its name and address and the names of its principal officers with the county board of elections at least fifty days before the election, a written notice stating the times when and the place or places where preparation of the system and its components for use in the several election districts in the county or municipality will be started. One representative of each such political party, certified by the respective chairman of the county committee of such party, and one representative of each such organization of citizens, certified by the respective chairman or presiding officer of such organization shall be entitled to be present during the preparation of the voting system and its components and to see that they are properly prepared and are in proper condition and order for use. Such representatives shall not interfere with the preparation of the system and its components, and the county board may make reasonable rules and regulations governing the conduct of such representatives.

(e) Prior to the delivery of any automatic tabulating equipment to any election district the county board of elections shall examine or cause to have examined such equipment and shall make a certificate stating:

(1) the identifying number and election district designation of the equipment;

(2) that the equipment is suitable for use in the particular election district designated;

(3) that the equipment has been tested to ascertain that it will accurately compute the votes cast for all offices and all questions;

(4) that the offices and questions on the official ballot correspond in all respects with the ballot labels assigned to such particular election district;

(5) that the public counter and the counters for each candidate position and each question are all set at zero and that element that generates a printed record of the results of the election is functioning correctly; and

(6) the number on the seal with which the equipment is sealed.

(f) At least one hour before the time set for the opening of the polls at each election, the county board of elections shall deliver to each election district any district components of the electronic voting system and any supplies necessary to prepare the automatic tabulating equipment for operation in the district, and they shall position such automatic tabulating equipment for proper use in voting. Any tabulating equipment so placed shall remain locked and sealed until its examination and preparation immediately preceding its use as prescribed by this act.

(g) The members of the district election board shall arrive at the polling place at least one-half hour before the opening of the polls. Prior to the commencement of the election, the district election board shall inspect the district components of the electronic voting system to see that they are in proper working order, and they shall check all ballots, supplies, records and forms and shall post the sample ballots, the cards of instruction and the notices of penalties. If the voting system provides for the initial computation and tabulation of votes at the district level during voting hours, the district election board shall also break the seal on the automatic tabulating equipment and insure that the equipment is properly prepared for the particular election district designated, and the district board shall then determine that the counters for each candidate position and for each question and the public counter are all set to zero. If the system provides for tabulation of ballots after the polls are closed, such test shall be conducted immediately prior to its actual use. If any such counter is not set to zero, the district election board shall immediately notify the county board of elections which shall forthwith cause one of its representatives to ascertain and correct any error. Thereupon, a zero print-out sheet or an appropriate certificate by the district election board reflecting its examination shall be posted on the wall of the polling place by the district election board and such sheet or certificate shall remain posted until the polls are closed. At the close of the polls, the district election board shall deliver such sheet or certificate together with the election returns to the county board of elections.

(1110-A added July 11, 1980, P.L.600, No.128)

Section 1111-A. Instruction of Voters.--(a) During the thirty days next preceding an election at which any electronic voting system is to be used, the county board of elections shall place on public exhibition, in such public places and in such quantity and at such times as it shall deem most suitable for the instruction and information of the voters of the county,

those components of the electronic voting system which are used by the voter, containing a sample ballot designed for instructional use. Such components shall be under the charge and care of a person competent as custodian and instructor. No voting system component which is assigned for use in an election shall be used for such public exhibition and instruction after having been prepared and sealed for the election.

(b) At the polling place on the day of the election, each voter who desires shall be instructed, by means of appropriate diagrams and a model, in the operation of the voting device before he enters the voting booth. If any voter shall ask for further instructions concerning the manner of voting after entering the voting booth, any election officer may give him audible instructions without entering such booth, but no such election officer shall when giving such instructions in any manner request, suggest or seek to persuade or induce any such voter to vote any particular ticket or for any particular candidate or other person or for or against any particular question.

(1111-A added July 11, 1980, P.L.600, No.128)

Section 1112-A. Election Day Procedures and the Process of Voting.--(a) In an election district which uses an electronic voting system in which votes are registered electronically, the following procedures will be applicable for the conduct of the election at the election district:

(1) At primary elections, the election officer in charge shall adjust the voting system before the voter records any vote so that the voter will only be able to register a vote for candidates on the ballot of the party in which he is registered and enrolled or for persons whose names are not on the official ballot, for candidates for nonpartisan nominations, if any, and for any questions upon which he is entitled to vote.

(2) At all elections, the voter shall be able to vote for each candidate individually by the means provided. The voter may also vote individually for or against a question submitted to the vote of the electors. ((2) amended Oct. 31, 2019, P.L.552, No.77)

(3) A voter may, at any primary or other election, vote for any person or persons for any office for which his name does not appear upon the ballot label as a candidate, by writing the identification of the office and the name of such person in or upon the appropriate receptacle or device provided for that purpose. No write-in vote shall be cast on a voting device for any person for any office, whose name appears on the ballot label as a candidate for that office, and any ballot so cast shall be void and not counted.

(4) At any general election at which presidential electors are to be chosen, each elector shall be permitted to vote by one operation for all the presidential electors of a political party or political body. For each party or body nominating presidential electors, a ballot label shall be provided containing only the words "Presidential Electors," preceded by the names of the party or body and followed by the names of the candidates thereof for the Office of President and Vice-President, and the corresponding counter or registering device shall register votes cast for said electors when thus voted for collectively. If any elector desires to vote a ticket for presidential electors made up of the names of persons nominated by different parties or bodies, or partially of names of persons so in nomination and partially of names of persons not in nomination by any party or body, he may write or deposit a paper ballot prepared by himself in the receptacle provided

in or on the voting device for that purpose, or he may list their names on the write-in ballot or envelope provided for that purpose. The voting device shall be so constructed that it will not be possible for any one voter to vote a straight party ticket for presidential electors and at the same time to deposit a ballot for presidential electors in a receptacle as provided in this section. When the votes for presidential electors are counted, the votes appearing upon the counter or registering device corresponding to the ballot label containing the names of the candidates for President and Vice-President of any party or body shall be counted as votes for each of the candidates for presidential elector of such party or body, and thereupon all candidates for presidential elector shall be credited, in addition, with the votes cast for them upon the ballots deposited in the machine, as provided in this section. ((4) amended Oct. 31, 2019, P.L.552, No.77)

(5) As soon as the elector has adjusted the voting device so that it will record his choices for the various candidates to be voted for, and his answers to the various questions submitted, he shall operate the recording mechanism of the voting device and forthwith leave the voting booth.

(b) In an election district which uses an electronic voting system which utilizes paper ballots or ballot cards to register the votes, the following procedures will be applicable for the conduct of the election at the election district:

(1) The voter, after receiving his ballot from the district election officials, shall retire to one of the voting booths in which the voting devices are located.

(2) At primary elections, the voter shall vote for the candidates of his choice for nomination, according to the number of persons to be voted for by him, for each office by making a cross (X) or check (✓) mark or by making a punch or mark sense mark in the square opposite the name of the candidate or by otherwise indicating a selection associated with the candidate, or he may so indicate on the ballot that the voter is electing to write in the name of a person for the particular office, and insert the identification of the office in question and the name of any person not already listed as a candidate for that office, and such indication and insertion shall count as a vote for that person for such office. ((2) amended Mar. 27, 2020, P.L.41, No.12)

(3) At all other elections, the voter shall vote for the candidates of his choice for each office to be filled, according to the number of persons to be voted for by him for each office, by making a cross (X) or check (✓) mark or by making a punch or mark sense mark in the square opposite the name of the candidate, or by otherwise indicating a selection associated with the candidate, or he may so indicate on the ballot that the voter is electing to write in the name of a person for the particular office, and insert the identification of the office in question and the name of any person not already listed as a candidate for that office, and such indication and insertion shall count as a vote for that person for such office. ((3) amended Mar. 27, 2020, P.L.41, No.12)

(4) If he desires to vote for the entire group of presidential electors nominated by any party or political body, he may make a cross (X) or check (✓) or punch or mark sense mark or otherwise indicate a selection associated with the names of the candidates for President and Vice-President of such party or body. If he desires to vote a ticket for presidential electors made up of the names of persons nominated by different parties or political bodies, or partially of names of persons

so in nomination and partially of names of persons not in nomination by any party or political body, or wholly of names of persons not in nomination by any party or political body, he shall insert the names of the candidates for presidential electors for whom he desires to vote on the write-in ballot under the title of the office "Presidential Electors". In case of a question submitted to the vote of the electors, he may make a cross (X) or check (✓) or punch or mark sense mark or otherwise indicate a selection associated with the answer which he desires to give. ((4) amended Mar. 27, 2020, P.L.41, No.12)

(5) Any voter who spoils his ballot may return it and secure another. The word "spoiled" shall be written across the face of the ballot, and it shall be placed in the envelope marked "Spoiled Ballots".

(6) Following the completion of his vote, the voter shall leave the voting booth and return the ballot to the election officer by a means designed to insure its secrecy as prescribed by the Secretary of the Commonwealth; the voter shall insert the ballot into the district automatic tabulating equipment or, in the event district tabulation is not provided for by the voting system or such district tabulation equipment is inoperative for any reason, into a secure ballot box. ((6) amended Nov. 27, 2019, P.L.673, No.94)

(1112-A added July 11, 1980, P.L.600, No.128)

Section 1113-A. Post Election Procedures.--(a) As soon as the polls have been closed and the last elector has voted in districts having an electronic voting system which employs paper ballots or ballot cards, and district tabulation is provided for, the number of such ballots issued to electors (at primary elections, the number issued to the electors of each party) and the number of ballots (at primaries the number of ballots of each party), if any, spoiled and returned by voters and cancelled, shall be announced to all present in the polling place and entered on the general returns of votes cast at such primary or election. The district election officers shall then compare the number of names marked as voting in the district register, "Voting Check List" and numbered lists of voters, shall announce the result, and shall enter on the general returns the number of electors who have voted, as shown by the "Voter's Check List." Any differences which exist shall be reconciled where possible, and where reconciliation is not possible such differences shall be noted on the general returns. The district register, the "Voting Check List" and the numbered lists of voters, together with all unused ballots, and all spoiled and cancelled ballots, and all rejected voters certificates shall then be placed in separate packages, containers or envelopes and sealed before the tabulation of any ballots. ((a) amended Nov. 27, 2019, P.L.673, No.94)

(b) If ballots are computed and tabulated in the election district, all write-in votes which have been properly cast and recorded on the voting device shall be counted and recorded on a standard form provided for this purpose. District totals cards or other appropriate data storage device may also be prepared by the district board of election reflecting the results of the voting in that district. Such cards and reporting forms of write-in vote tabulation shall be delivered to the county board of elections. In cases where central counting is utilized, write-in ballots may be recorded either at the election district or at the counting center.

(c) In any case in which the write-in ballot is a separate entity from the ballot or ballot card, and the write-in ballot

has been used, both sections shall be given a unique identifying number prior to their separation for tabulation.

(d) In returning any votes cast for any person whose name is not printed on the official ballot, the election officers shall record any such names exactly as they were written or stamped. ((d) amended Oct. 31, 2019, P.L.552, No.77)

(e) If, as a result of an otherwise properly cast write-in vote, the voter has registered more votes for an office than he is entitled to vote for that office, the entire vote cast for that office shall be void and shall not be counted; and such write-in ballots shall be fastened to the write-in vote tabulation form and shall be delivered to the county board of elections.

(f) In the event district tabulation of votes is provided for by the voting system, the district election officers shall, immediately upon the close of the polls, cause the automatic tabulating equipment to tabulate the ballots cast during the election and shall prepare duplicate records of the total number of voters whose ballots have been tabulated; the total number of votes cast for each candidate whose name appears on the ballot; the total number of write-in votes properly cast for each office on the ballot; and the total number of votes cast for or against any question appearing on the ballot. One such record shall be publicly posted at the district polling place. All votes so cast and tabulated in the district may also be recorded on a district totals card and all properly cast write-in votes may also be recorded on the district totals card, and the delivery of such district totals cards and reporting forms to the county board of elections shall be the responsibility of the judge of election. The minority inspector shall keep duplicate copies of all such reports and returns. At the close of the election and after the tabulation of all ballots, the automatic tabulating equipment or other component of the voting system which contains ballots shall be locked and sealed so that no further ballots may be deposited in or removed from any such equipment or component, and all components of the voting system, suitably packaged and secured for storage, shall be held for delivery to the county election board.

(g) In the event district tabulation of votes is not provided for by the voting system, the judge of election shall prepare a report of the number of voters who have voted, as indicated by the "Voting Check List" and numbered lists of voters poll list. He shall also prepare a report of the number of spoiled ballots and the number of unused ballots. He shall deliver the original copy of this report to the county board of elections under seal. The minority inspector shall keep a duplicate copy of this report. The judge of election and minority inspector shall forthwith deliver the sealed transport carrier containing all voted ballot cards to the county board of elections or to such places as the county board may designate. The county board of elections may provide that the ballot container and reports may upon proper certification and signature instead be picked up at the polling places by two authorized election deputies of opposite parties.

(h) All reports and returns shall be signed by all district election officers.

(i) In the event that district tabulation of votes is not provided for by the voting system, it shall be the responsibility of the county board of elections to make available to the public at the central tabulating center, the election results for each election district. ((i) amended Mar. 27, 2020, P.L.41, No.12)

(j) By two o'clock A. M. on the day following the election, all of the following shall be returned to the county board:

- (1) Envelopes.
- (2) Supplies, including all uncast provisional ballots.
- (3) Returns, including all provisional ballots and absentee ballots cast in the election district.

((j) added Oct. 8, 2004, P.L.807, No.97)

(1113-A added July 11, 1980, P.L.600, No.128)

Section 1114-A. Returns.--(a) By the fourth day prior to each election, the county board of elections shall have the central automatic tabulating equipment tested to ascertain that it will accurately count the votes cast for all offices and all questions. Public notice of the time and place of the test shall be given at least forty-eight hours prior to the test by newspaper publication in the county in accordance with section 106, such notice to be published once. The test shall be conducted by processing a preaudited group of district totals cards or ballots on which are recorded votes for each candidate and on each question. In such test a different number of valid votes shall be assigned to each candidate for an office and for and against each question. If any error is detected, the cause of it shall be ascertained and corrected and an errorless count shall be made and certified to by the county board of elections prior to election day. All test and program materials shall then be sealed by the county board of elections until their use on election day. The central automatic tabulating equipment shall pass the same test at the conclusion of the actual election count before the election returns are approved as official. On completion of the count, the programs, test materials, and district totals cards or ballots shall be sealed and retained according to the provisions contained in this act for the retention of paper ballots.

(b) (1) All proceedings at the central tabulation center shall be under the direction of the county board of elections or of such persons as it may designate and shall be conducted under the observation of the public insofar as is practical, but no persons except those authorized for the purpose shall touch any ballot or district totals card. All persons who are engaged in processing and counting the ballots and district totals cards shall be deputized and take an oath that they will faithfully perform their assigned duties.

(2) Each political party or political body represented on the official ballot may have one technically qualified person, authorized by the county chairman and deputized by the county board of elections, present during the testing of the central automatic tabulating equipment and the actual counting of the ballot or district totals cards. Such persons shall be allowed to make independent tests of the equipment prior to, during, and following the vote count: Provided, however, That such testing shall in no way interfere with the official tabulation of the ballots and district totals cards. In addition, each political party or political body shall be entitled to have observers at the central tabulation center, in a number, as determined by the county board of elections, sufficient to permit accurate observation of the receipt, handling, duplication, and processing of all ballots and district totals cards.

(3) If any ballots or district totals cards are damaged or defective so that they cannot properly be counted by the central automatic tabulating equipment, a true duplicate copy shall be made and substituted for any such damaged ballot or card. All such duplicate ballots or cards shall also be clearly labeled

"duplicate," and shall bear a serial number which shall be recorded on the damaged or defective ballot or card.

(c) The return printed by the central automatic tabulating equipment, to which have been added write-in votes as recorded on the district reporting form and absentee votes, shall, when certified by the county board of elections, constitute the official return of each election district. Upon completion of the count, the official returns shall be open to the public.

(d) If for any reason it becomes impracticable to count all or a part of the ballots or district totals cards with automatic tabulating equipment, the county board of elections may direct that such ballots or cards be counted manually, following as far as practicable the provisions of this act governing the counting of paper ballots.

(e) During the course of central tabulation of ballots or district totals cards, the county board of elections may unofficially report the progress of the count for each candidate and on any question.

Upon completion of the count, all ballots, absentee ballots and district totals cards shall be securely packaged, suitably labeled and sealed, and delivered to the county board of elections. The board shall likewise package and seal a true copy of the ballot label used in each election district. Thereafter these packages are to be retained and disposed of in the same manner as paper ballots and related materials are disposed of under the provisions of this act.

(b) The county board of elections shall likewise package and retain all tabulating cards and other materials used in the preparation of the automatic tabulating equipment but may have access to these tabulating cards and other materials. It shall not alter or make changes to these materials but may make copies of them and make changes to the copies, and all such materials shall be preserved and maintained by the board in accordance with the terms of section 309.

In such cases, the ballots shall be printed for any such election or office and the election shall be conducted by the election officers herein provided for, and the ballots counted and the return thereof made in the manner required by law for such offices insofar as paper ballots are used.

(1119-A added July 11, 1980, P.L.600, No.128)

(1207 amended July 1, 1976, P.L.523, No.124)

Section 1208. Meeting of Election Officers on Day of Election; Duties of Election Officers.--(a) The judges, inspectors, clerks of election and machine inspectors, together with the overseers, if any, shall meet in the respective places appointed for holding the election in each election district at least thirty minutes before the hour for opening the polls on the day of each primary and election. They shall thereupon, in the presence of each other, take and subscribe in duplicate to the oaths required by this act.

(b) If any judge of election shall not appear at the polling place by 7 o'clock A.M., on the day of any primary or election, the majority inspector shall appoint a judge of election, who is qualified under the provisions of this act. If any majority inspector of election shall not appear at said hour, the judge of election shall appoint a majority inspector, who is qualified under the provisions of this act. If any minority inspector of election shall not appear at said hour, the person who received the second highest vote for judge at the preceding election shall serve as minority inspector, if available, and if qualified under the provisions of this act. If such person is not available or not qualified, the qualified electors of the district, present at said time, shall, under the supervision of the judge of election, elect one of their number who is duly qualified, to fill said vacancy. If, for any reason, any vacancy in an election board shall not have been filled, as aforesaid, by 7:30 A.M., the qualified electors of the district, present at said time, shall elect a qualified person or persons to fill such vacancies. If any clerk shall not appear by 7 o'clock A.M., the inspector who appointed said clerk shall fill said vacancy, appointing a qualified elector therefor. If any machine inspector shall not appear at said time, it shall be the duty of the judge of election to promptly notify the county board, who shall immediately appoint a qualified machine inspector to fill said vacancy. Any persons thus appointed or elected to fill vacancies shall take and subscribe in duplicate to the oaths required by this act, and shall hold office only for said election.

(c) After the election board has been organized, the judge of election shall designate one of the inspectors of election

to have custody of the district register and to make the entries therein, required by this act. In districts in which ballots are used, the other inspector shall have charge of the receipt and deposit of ballots in the ballot box, the judge or one of the clerks shall issue the ballots to electors after they are found entitled to vote, and the other clerk shall have custody of the "Voting Check List," and shall place the voter's certificates therein as they are received and approved. In districts in which voting machines are used, the other inspector or clerk shall have custody of the "Voting Check List," and shall place the voter's certificates therein as they are received and approved, and the judge shall have special charge of the operation of the voting machine: Provided, however, That the judge of election may make other arrangements for the division of the duties imposed by this act, so long as each election officer and clerk is assigned some specific duty to perform. If more than one voting machine is used, the judge shall be assisted by the machine inspectors, each machine inspector being assigned by him to have charge of the operation of a particular machine. In all election districts, the judge shall assign two (2) members of the election board or clerks to keep two (2) numbered lists of voters during the progress of the voting.

(d) Any election officer, clerk or machine inspector may be assigned by the judge of election to assist another officer, clerk or machine inspector in the performance of his duties, or to perform them for him during his temporary absence or disability.

Section 1209. Opening of Polls; Posting Cards of Instruction and Notices of Penalties and Voters' Rights; Examination of Voting Machines.--(Hdg. amended May 12, 2006, P.L.178, No.45)

(a) In districts in which ballots are used, the election officers shall, after taking the oath, open the ballot boxes which have been furnished to them, and burn and totally destroy all the ballots and other papers which they may find therein, before the opening of the polls.

Whenever during any emergency, it becomes necessary to save waste paper on account of a shortage thereof, the Governor of the Commonwealth may, by proclamation, suspend the foregoing provisions relating to the destruction of ballots and papers, and in that case, the election board shall set the ballots and other papers aside and they shall be collected and disposed of by such means and in such manner as may be determined by the county election board. When the polling place is opened, the ballot box shall be securely locked, and shall not be opened until the close of the polls, as provided in section 1221. At the opening of the polls the seals of the packages furnished by the county board shall be publicly broken, and the said packages shall be opened by the judge of election. The cards of instruction and notices of penalties shall be immediately posted in each voting compartment, and not less than three such cards and notices of penalties and voters' rights, and not less than five specimen ballots (at primaries five of each party), shall be immediately posted in or about the voting room outside the enclosed space, and such cards of instruction, notices of penalties and specimen ballots shall be given to any elector at his request, so long as there are any on hand.

((a) amended May 12, 2006, P.L.178, No.45)

(a.1) The notice pertaining to voters' rights shall contain the following in boldface type:

An elector shall have the right to cast his or her vote:  
without the use or threat of force, violence or restraint;

without the infliction or threat of infliction of injury;  
without any intimidation or coercion upon or against his or  
her person; or  
without any other action intended to deny any individual's  
right to vote.

((a.1) added May 12, 2006, P.L.178, No.45)

(b) (1) In districts in which voting machines are used, at the opening of the polls, the seals of the package furnished by the county board shall be publicly broken, and the said package shall be opened by the judge of election. Not less than three cards of instruction and notices of penalties, and not less than two diagrams of the face of the machine shall be immediately posted in or about the voting room outside the enclosed space, and such cards and notices of penalties shall be given to any elector at his request, so long as there are any on hand. Thereupon the election officers, before opening the envelope containing the keys which unlock the operating mechanism and registering counters or counter compartment of the voting machine, shall examine the number of the seal on the machine and the number registered on the protective counter or device, and shall see whether they are the same as the numbers written on the envelope containing the keys. If either number shall be found not to agree, the envelope shall remain unopened until the election officers shall have notified the proper custodian of voting machines, or the county board, and until the custodian or some other person authorized by the county board shall have presented himself at the polling place for the purpose of reexamining the machine, and shall have certified that it is properly arranged. But if the numbers on the seal and the protective counter or device shall both be found to agree with the numbers on the envelope, the envelope shall be opened, and where the voting machine provided is not equipped with mechanism for printing paper proof sheets, the election officers shall examine the registering counters, and, for that purpose, shall open the doors concealing such counters, if the construction of the voting machine shall so require, and, before the polls are opened, the judge and each inspector shall carefully examine every counter, and shall see that it registers zero (000), and shall allow the overseers and watchers to examine the counters. When the voting machine provided is equipped with mechanism for printing paper proof sheets, and requires the simultaneous use of three keys to unlock the registering counters or counter compartment, the judge of election shall deliver one of the two keys, aforesaid, to the minority inspector to be retained by him as hereinafter provided, and shall then print at least two proof sheets, one of which the judge and each inspector shall carefully examine to ascertain whether every counter registers zero (000), and shall then preserve said proof sheets to be signed by them and returned to the county election board, with the duplicate return sheet, and shall sign and post the other proof sheet upon the wall of the polling place, where it shall remain until the polls are closed. The key delivered by the judge of election to the minority inspector as aforesaid, shall be retained by the minority inspector until the polls have been closed, and the voting and counting mechanism of the machine shall have been locked and sealed against voting, and shall then be returned to the judge of election, for return by him to the county election board, as hereinafter provided.

(2) If the ballot labels containing the names of offices, parties, political bodies, candidates, and questions, shall not be in their proper places on the voting machine, the election

officers, forthwith, shall notify the proper custodian of voting machines, or the county board, and the machine shall not be used until the custodian, or some other person authorized by the county board, shall have supplied ballot labels, as herein prescribed. If the ballot labels for a voting machine shall not be delivered at the time required, or if after delivery, they shall be lost, destroyed, or stolen, the county board or custodian shall cause other ballot labels to be prepared, printed or written, as nearly in the form of the official ballot labels as practicable, and shall cause such ballot labels to be used in the same manner, as nearly as may be, as the official ballot labels would have been used.

(3) The judge, each inspector of election, each clerk of election and the overseers, if any, shall sign a certificate showing--(1) the identifying number or other designation of the voting machine; (2) the delivery of the keys in a sealed envelope; (3) the number on the seal upon the machine; (4) the number registered on the protective counter or device; (5) that all of the counters were set at zero (000); and (6) that the ballot labels are properly placed in the machine, which certificate shall be returned by the judge of election to the county board with the other certificates, as hereinafter provided.

(4) The machine shall remain locked against voting until the polls are opened, and shall not be operated except by electors in voting. If any counter is found not to register zero (000), the election officer shall immediately notify the custodian, or the county board, who shall, if practicable, adjust or cause the counters to be adjusted at zero (000), but, if it shall be found impracticable for the custodian or other person authorized by the county board to arrive in time so to adjust such counters before the time set for opening the polls, the election officer shall immediately make a written record of the designation or designating letter or number of such counter, together with the number registered thereon, herein below called the initial number, and shall sign and post the same upon the wall of the polling place, where it shall remain until the polls are closed: Provided, however, That if the voting machine used is equipped with mechanism for printing paper proof sheets, in any case where any counter is shown by such proof sheet not to register zero (000), if it shall be found impracticable to have such counter adjusted before the time set for opening the polls, the election officer shall sign such printed proof sheet and post the same upon the wall of the polling place where it shall remain until the polls are closed; and, in filling out the returns of the election, if the final number of such counter is greater than the initial number, the election officer shall subtract the initial number from the final number, and enter the difference on the returns as the vote for the candidate or on the question represented by such counter; if the final number of such counter is less than the initial number, the election officers shall add one thousand to the final number and shall subtract the initial number from the sum so ascertained, and shall enter upon the returns as the vote for the candidate or on the question represented by such counter the final number plus one thousand less the initial number.

(5) The exterior of the voting machine, and every part of the polling place, shall be in plain view of the election officers, overseers and watchers. The voting machine shall be located in the polling place, at least six feet back of the guard-rail or barrier, in such a position that, unless its

construction shall require otherwise, the ballot labels on the face of the machine can be seen plainly by the election officers, overseers and watchers when the machine is not occupied by a voter.

(6) The election officers shall not themselves be, nor allow any other person to be, in any position that will permit any one to see or ascertain how an elector votes, or how he has voted. The election officers, or one of them, shall inspect the face of the machine at frequent intervals, to see that the ballot labels are in their proper places, and that the machine has not been injured or tampered with.

(7) During a primary or election, the door, or other covering of the compartment containing the counters of the machine shall not be unlocked or opened, or the counters exposed, except by action of the proper custodian of voting machines, for good and sufficient reason, a statement of which shall be made in writing and signed by him and attested by the signatures of the election officers and overseers, or except upon the written order of the county board, for good and sufficient reason, which shall be stated in the order.

Section 1210. Manner of Applying to Vote; Persons Entitled to Vote; Voter's Certificates; Entries to Be Made in District Register; Numbered Lists of Voters; Challenges.--(a) At every primary and election each elector who appears to vote and who desires to vote shall first present to an election officer proof of identification.

The election officer shall examine the proof of identification presented by the elector and sign an affidavit stating that this has been done.

((a) amended Mar. 14, 2012, P.L.195, No.18)

(a.1) ((a.1) deleted by amendment Mar. 14, 2012, P.L.195, No.18)

(a.2) If any of the following apply, the elector shall be permitted to cast a provisional ballot in accordance with subsection (a.4):

(1) The elector is unable to produce proof of identification:

(i) on the grounds that the elector is indigent and unable to obtain proof of identification without the payment of a fee; or

(ii) on any other grounds.

(2) The elector's proof of identification is challenged by the judge of elections.

((a.2) amended Mar. 14, 2012, P.L.195, No.18)

(a.3) (1) All electors, including any elector that shows proof of identification pursuant to subsection (a), shall subsequently sign a voter's certificate in blue, black or blue-black ink with a fountain pen or ball point pen, and, unless he is a State or Federal employe who has registered under any registration act without declaring his residence by street and number, he shall insert his address therein, and hand the same to the election officer in charge of the district register.

(2) Such election officer shall thereupon announce the elector's name so that it may be heard by all members of the election board and by all watchers present in the polling place and shall compare the elector's signature on his voter's certificate with his signature in the district register. If, upon such comparison, the signature upon the voter's certificate appears to be genuine, the elector who has signed the certificate shall, if otherwise qualified, be permitted to vote: Provided, That if the signature on the voter's certificate, as compared with the signature as recorded in the district

register, shall not be deemed authentic by any of the election officers, such elector shall not be denied the right to vote for that reason, but shall be considered challenged as to identity and required to make the affidavit and produce the evidence as provided in subsection (d) of this section.

(3) When an elector has been found entitled to vote, the election officer who examined his voter's certificate and compared his signature shall sign his name or initials on the voter's certificate, shall, if the elector's signature is not readily legible, print such elector's name over his signature, and his number in the order of admission to the voting machines, and at primaries a letter or abbreviation designating the party in whose primary he votes shall also be entered by one of the election officers or clerks. ((3) amended Nov. 27, 2019, P.L.673, No.94)

(4) As each voter is found to be qualified and votes, the election officer in charge of the district register shall write or stamp the date of the election or primary, his number in the order of admission to the voting machines, and at primaries a letter or abbreviation designating the party in whose primary he votes, and shall sign his name or initials in the proper space on the registration card of such voter contained in the district register. ((4) amended Nov. 27, 2019, P.L.673, No.94)

(5) As each voter votes, his name in the order of voting shall be recorded in two (2) numbered lists of voters provided for that purpose, with the addition of a note of each voter's party enrollment after his name at primaries.

((a.3) amended Mar. 14, 2012, P.L.195, No.18)

(a.4) (1) At all elections an individual who claims to be properly registered and eligible to vote at the election district but whose name does not appear on the district register and whose registration cannot be determined by the inspectors of election or the county election board shall be permitted to cast a provisional ballot. Individuals who appear to vote shall be required to produce proof of identification pursuant to subsection (a) and if unable to do so shall be permitted to cast a provisional ballot. An individual presenting a judicial order to vote shall be permitted to cast a provisional ballot. ((1) amended Mar. 27, 2020, P.L.41, No.12)

(2) Prior to voting the provisional ballot, the elector shall be required to sign an affidavit stating the following:

I do solemnly swear or affirm that my name is \_\_\_\_\_,  
that my date of birth is \_\_\_\_\_, and at the time that I  
registered I resided at \_\_\_\_\_ in the municipality of  
\_\_\_\_\_ in \_\_\_\_\_ County of the Commonwealth  
of Pennsylvania and that this is the only ballot that I cast  
in this election.

Signature of Voter/Elector

Check the Reason for Casting the Provisional Ballot.

Signed by Judge of Elections and minority inspector

(3) After the provisional ballot has been cast, the individual shall place it in a secrecy envelope. The individual shall place the secrecy envelope in the provisional ballot envelope and shall place his signature on the front of the provisional ballot envelope. All provisional ballots shall remain sealed in their provisional ballot envelopes for return to the county board of elections.

(4) Within seven calendar days of the election, the county board of elections shall examine each provisional ballot envelope that is received to determine if the individual voting that ballot was entitled to vote at the election district in

the election. One authorized representative of each candidate in an election and one representative from each political party shall be permitted to remain in the room in which the determination is being made. Representatives shall be permitted to keep a list of those persons who cast a provisional ballot and shall be entitled to challenge any determination of the county board of elections with respect to the counting or partial counting of the ballot under this section. Upon challenge of any provisional ballot under this clause, the ballot envelope shall be marked "challenged" together with the reason for the challenge, and the provisional ballot shall be set aside pending final determination of the challenge according to the following procedure:

(i) Provisional ballots marked "challenged" shall be placed unopened in a secure, safe and sealed container in the custody of the county board of elections until it shall fix a time and place for a formal hearing of all such challenges, and notice shall be given where possible to all provisional electors thus challenged and to every attorney, watcher or candidate who made the challenge.

(ii) The time for the hearing shall not be later than seven days after the date of the challenge.

(iii) On the day fixed for the hearing, the county board shall proceed without delay to hear the challenges and, in hearing the testimony, the county board shall not be bound by the Pennsylvania Rules of Evidence.

(iv) The testimony presented shall be stenographically recorded and made part of the record of the hearing.

(v) The decision of the county board in upholding or dismissing any challenge may be reviewed by the court of common pleas of the county upon a petition filed by any petitioner aggrieved by the decision of the county board. The appeal shall be taken, within two days after the decision was made, whether the decision was reduced to writing or not, to the court of common pleas setting forth the objections to the county board's decision and praying for an order reversing the decision.

(vi) Pending the final determination of all appeals, the county board shall suspend any action in canvassing and computing all challenged provisional ballots irrespective of whether or not an appeal was taken from the county board's decision.

(vii) Upon completion of the computation of the returns of the county, the votes cast upon the challenged official provisional ballots shall be added to the other votes cast within the county.

(5) (i) Except as provided in subclause (ii), if it is determined that the individual was registered and entitled to vote at the election district where the ballot was cast, the county board of elections shall compare the signature on the provisional ballot envelope with the signature on the elector's registration form and, if the signatures are determined to be genuine, shall count the ballot if the county board of elections confirms that the individual did not cast any other ballot, including an absentee ballot, in the election.

(ii) A provisional ballot shall not be counted if:

(A) either the provisional ballot envelope under clause (3) or the affidavit under clause (2) is not signed by the individual;

(B) the signature required under clause (3) and the signature required under clause (2) are either not genuine or are not executed by the same individual;

(C) a provisional ballot envelope does not contain a secrecy envelope;

(D) in the case of a provisional ballot that was cast under subsection (a.2)(1)(i), within six calendar days following the election the elector fails to appear before the county board of elections to execute an affirmation or the county board of elections does not receive an electronic, facsimile or paper copy of an affirmation affirming, under penalty of perjury, that the elector is the same individual who personally appeared before the district election board on the day of the election and cast a provisional ballot and that the elector is indigent and unable to obtain proof of identification without the payment of a fee;

(E) in the case of a provisional ballot that was cast under subsection (a.2)(1)(ii), within six calendar days following the election, the elector fails to appear before the county board of elections to present proof of identification and execute an affirmation or the county board of elections does not receive an electronic, facsimile or paper copy of the proof of identification and an affirmation affirming, under penalty of perjury, that the elector is the same individual who personally appeared before the district election board on the day of the election and cast a provisional ballot; or

(F) the elector's absentee ballot or mail-in ballot is timely received by a county board of elections.

((ii) amended Oct. 31, 2019, P.L.552, No.77)

(iii) One authorized representative of each candidate in an election and one representative from each party shall be permitted to remain in the room in which deliberation or determination of subclause (ii) is being made.

((5) amended Mar. 14, 2012, P.L.195, No.18)

(6) If it is determined that the individual voting the provisional ballot was not registered, the provisional ballot shall not be counted and the ballot shall remain in the provisional ballot envelope and shall be marked "Rejected as Ineligible."

(7) The following shall apply:

(i) Except as provided in subclause (ii), if it is determined that the individual voting the provisional ballot was eligible to vote in the county in which the ballot was cast but not at the election district where the ballot was cast, the county board of elections shall open the envelope and only count that portion of the ballot that the individual would have been eligible to vote in his proper election district and at the election district where the vote was cast if:

(A) the county board of elections confirms that the individual did not cast any other ballot, including an absentee ballot, in the election; and

(B) the individual casting the provisional ballot is a resident of the county in which the provisional ballot was cast.

(ii) In the event that the individual casting the provisional ballot is not found to be a resident of the county in which the provisional ballot was cast, the ballot shall not be counted.

(iii) In the event that the board of elections determines, based on an evidentiary record, that the individual intentionally and wilfully cast a provisional ballot in an election district in which the individual was not eligible to vote, the ballot shall not be counted.

(8) On election night, immediately upon completion of the count and tabulation of the votes cast, the judge of election shall prepare and certify under oath a tally displaying the

number of provisional ballots received from the election board and the number of provisional ballots cast and transmitted to the county board of elections. The judge of election shall record on the tabulation the name of the individual into whose possession the provisional ballots were passed for transmission to the county board of elections.

(9) All provisional ballots and the tally of provisional ballots tabulated under clause (8) in the possession of an election board official shall be promptly returned by the judge of election to the custody of the proper county election board in accordance with sections 1113-A(j), 1225(b) and 1228(a).

(10) One authorized representative of each candidate in an election and one representative from each political party shall be permitted to remain in the room where provisional ballots are received by the county board of elections.

(11) The department shall establish a World Wide Web site and a toll-free telephone number to permit an individual who cast a provisional ballot to determine whether the vote of that individual was counted and, if the vote was not counted, the reason that it was not counted.

(12) For purposes of this subsection, "provisional ballot" means a ballot issued to an individual who claims to be a registered elector by the judge of elections on election day when the individual's name does not appear on the general register and the individual's registration cannot be verified.

(b) If any elector was unable to sign his name at the time of registration, or, if having been able to sign his name when registered, he subsequently shall have lost his sight or lost the hand with which he was accustomed to sign his name, or shall have been otherwise rendered by disease or accident unable to sign his name when he applies to vote, he shall establish his identity to the satisfaction of the election officers, and in such case he shall not be required to sign a voter's certificate, but a certificate shall be prepared for him by one of the election officers, upon which the facts as to such disability shall be noted and attested by the signature of such election officer.

(c) No person who applies to vote shall be permitted by any election officer or clerk or other person to see the signature recorded as his in the district register until after he shall have signed his name to the voter's certificate.

(d) No person, except a qualified elector who is in actual military or naval service under a requisition of the President of the United States or by the authority of this Commonwealth, and who votes under the provisions of Article XIII of this act, shall be entitled or permitted to vote at any primary or election at any polling place outside the election district in which he resides, nor shall he be permitted to vote in the election district in which he resides, unless he has been personally registered as an elector and his registration card appears in the district register of such election district, except by order of the court of common pleas as provided in this act, and any person, although personally registered as an elector, may be challenged by any qualified elector, election officer, overseer, or watcher at any primary or election as to his identity, as to his continued residence in the election district or as to any alleged violation of the provisions of section 1210 of this act, and if challenged as to identity or residence, he shall produce at least one qualified elector of the election district as a witness, who shall make affidavit of his identity or continued residence in the election district: Provided, however, That no person shall be entitled to vote as

a member of a party at any primary, unless he is registered and enrolled as a member of such party upon the district register, which enrollment shall be conclusive as to his party membership and shall not be subject to challenge on the day of the primary.

(e) A person who wilfully commits fraud or who conspires to wilfully commit fraud in relation to any of the provisions of this section commits a felony of the third degree and, upon conviction, shall be sentenced to pay a fine not exceeding fifteen thousand dollars (\$15,000) or to undergo a term of imprisonment of not more than seven years, or both. An individual convicted under this subsection shall be barred for life from serving as a judge, inspector or clerk of election, machine inspector translator, county election board official, poll watcher or in any other official capacity relating to the sanctity, observation or conduct of Pennsylvania elections.

(f) As used in this section, "care facility" means any of the following:

(1) A long-term care nursing facility as defined in section 802.1 of the act of July 19, 1979 (P.L.130, No.48), known as the "Health Care Facilities Act."

(2) An assisted living residence or a personal care home as defined in section 1001 of the act of June 13, 1967 (P.L.31, No.21), known as the "Public Welfare Code."

((f) added Mar. 14, 2012, P.L.195, No.18)

(1210 amended Oct. 8, 2004, P.L.807, No.97)

**Compiler's Note:** The short title of the act of June 13, 1967 (P.L.31, No.21), known as the Public Welfare Code, referred to in this section, was amended by the act of December 28, 2015 (P.L.500, No.92). The amended short title is now the Human Services Code.

**Compiler's Note:** Section 13.1 of Act 97 of 2004, which amended section 1210, provided that the amendment shall apply to all elections occurring on or after December 31, 2004.

**Compiler's Note:** See sections 10 and 11 of Act 18 of 2012 in the appendix to this act for special provisions relating to application of law.

Section 1211. Bribery at Elections; Challenges; Rejection of Votes.--(a) The election officers shall reject the vote of any person at any primary or election who shall give or promise or offer to give to an elector, any money, reward or other valuable consideration for his vote at such primary or election or for withholding the same, or who shall give or promise to give such consideration to any other person or party for such elector's vote or for the withholding thereof, or who shall receive or agree to receive for himself or for another any money, reward or other valuable consideration for his vote at such primary or election, or for withholding the same.

(b) The vote of any elector shall be rejected by the election officers if they or any one of them shall of their own knowledge know him to be guilty of a violation of any of the provisions of this section, or if upon challenge of such elector by any qualified elector, election officer, overseer or watcher, it shall be proved to their satisfaction that such elector has violated the provisions of this section, and in no case shall any elector so challenged be permitted to vote, unless he shall make written affidavit that the matter of the challenge is untrue.

Section 1212. Voting Check List.--After each elector has been admitted to vote, his voter's certificate shall be inserted

in the file or binder provided therefor by the county board, and known as the "Voting Check List," and the said voter's certificate so bound shall constitute the official list of electors voting at such primary or election. All voter's certificates prepared by persons applying to vote whose applications to vote are refused by the election officer shall be carefully preserved and returned to the county board with the other papers.

Section 1213. Qualifications of Electors to Be Decided by Inspectors; Duty of Judge.--The inspectors of election shall investigate and pass upon the qualifications of all persons claiming the right to vote at any primary or election, and if the inspectors shall disagree upon the right of any person to vote, the judge of election shall decide the question. If the judge is unable to decide, then the overseers of election, if they be agreed, shall decide the question.

Section 1214. Admission of Electors Within Enclosed Space.--

(a) No elector shall be allowed to enter the enclosed space until he shall be found entitled to vote.

(b) As soon as an elector has been admitted within the enclosed space, the election officer having charge of the ballots in districts in which ballots are used, shall detach a ballot and give it to the elector, first folding it so that the words and figures printed on the back shall be the only words and figures visible, and no ballots shall be deposited in the ballot box unless folded in the same manner. Not more than one ballot shall be detached in any book of ballots at any one time. Not more than one ballot shall be given to an elector, but if an elector inadvertently spoils a ballot, he may obtain another upon returning the spoiled one. The ballots thus returned shall be immediately cancelled and at the close of the polls shall be enclosed in an envelope, sealed and returned to the county board. ((b) amended Nov. 27, 2019, P.L.673, No.94)

(c) In districts in which voting machines are used, an elector, after being found to be qualified and admitted within the enclosed space, shall be admitted to the voting machine booth as soon as it is vacant, and shall be permitted to vote.

(d) Not more than twice as many electors waiting to vote as there are voting compartments or voting machines in use in the district shall be admitted within the enclosed space at any one time.

Section 1215. Method of Marking Ballots and Depositing Same in Districts in Which Ballots are Used.--(a) In districts in which ballots are used, the elector, after receiving his ballot, shall retire to one of the voting compartments, and draw the curtain or shut the screen or door, and shall then prepare his ballot.

(b) At primaries, the elector shall prepare his ballot in the following manner: He shall vote for the candidates of his choice for nomination or election, according to the number of persons to be voted for by him, for each office, by making a cross (X) or check (✓) mark in the square opposite the name of the candidate, or he may insert by writing or stamping in the blank space provided therefor, any name not already printed on the ballot, and such insertion shall count as a vote without the making of a cross (X) or check (✓) mark. In districts in which paper ballots or ballot cards are electronically tabulated, stickers or labels may not be used to mark ballots. ((b) amended Oct. 31, 2019, P.L.552, No.77)

(c) At elections, the elector shall prepare his ballot in the following manner: He may vote for the candidates of his choice for each office to be filled according to the number of

persons to be voted for by him for each office, by making a cross (X) or check (✓) mark in the square opposite the name of the candidate, or he may insert by writing or stamping in the blank spaces provided therefor, any name not already printed on the ballot, and such insertion shall count as a vote without the making of a cross (X) or check (✓) mark. In districts in which paper ballots or ballot cards are electronically tabulated, stickers or labels may not be used to mark ballots. If he desires to vote for every candidate of a political party or political body, except its candidates for offices as to which he votes for individual candidates in the manner hereinafter provided, he may make a cross (X) or check (✓) mark in the square opposite the name of the party or political body of his choice in the party column on the left of the ballot, and every such cross (X) or check (✓) mark shall be equivalent to and be counted as a vote for every candidate of a party or political body so marked, including its candidates for presidential electors, except for those offices as to which he has indicated a choice for individual candidates of the same or another party or political body, by making a cross (X) or check (✓) mark opposite their names in the manner hereinabove provided, as to which offices his ballot shall be counted only for the candidates which he has thus individually marked, notwithstanding the fact that he made a mark in the party column, and even though in the case of an office for which more than one candidate is to be voted for, he has not individually marked for such office the full number of candidates for which he is entitled to vote. If he desires to vote for the entire group of presidential electors nominated by any party or political body, he may make a cross (X) or check (✓) mark in the appropriate square at the right of the names of the candidates for President and Vice-President of such party or body. If he desires to vote a ticket for presidential electors made up of the names of persons nominated by different parties or political bodies, or partially of names of persons so in nomination and partially of names of persons not in nomination by any party or political body, or wholly of names of persons not in nomination by any party or political body, he shall insert, by writing or stamping, the names of the candidates for presidential electors for whom he desires to vote in the blank spaces provided therefor under the title of the office "Presidential Electors." In case of a question submitted to the vote of the electors, he may make a cross (X) or check (✓) mark in the appropriate square opposite the answer which he desires to give. ((c) amended Oct. 31, 2019, P.L.552, No.77)

(d) Before leaving the voting compartment, the elector shall fold his ballot, without displaying the markings thereon, in the same way it was folded when received by him, and he shall then leave the compartment and exhibit the ballot to one of the election officers who shall ascertain by an inspection of the number appearing upon the right hand corner of the back of the ballot whether the ballot so exhibited to him is the same ballot which the elector received before entering the voting compartment. If it is the same, the election officer shall direct the elector, without unfolding the ballot, to remove the perforated corner containing the number, and the elector shall immediately deposit the ballot in the ballot box. Any ballot deposited in a ballot box at any primary or election without having the said number torn off shall be void and shall not be counted.

(1215 amended Jan. 8, 1960, 1959 P.L.2142, No.790)

Section 1216. Instructions of Voters and Manner of Voting in Districts in Which Voting Machines are Used.--

(a) In districts in which voting machines are used, the election officers shall, with the aid of the diagrams authorized by this act and the mechanically operated model, instruct each elector before he enters the voting machine booth regarding the operation of the machine, and shall give the elector opportunity personally to operate the model. In election districts using full-scale models listing the actual ballot labels for the primary or election as the case may be, any elector who desires a demonstration on such full-size scale model shall have the right to select any registered elector who is legally entitled to be inside the polling place under the provisions of this act to give such elector a demonstration. ((a) amended Nov. 21, 1969, P.L.309, No.132)

(b) If any voter, after entering the voting machine booth and before the closing of such booth, shall ask for further instructions concerning the manner of voting, any one of the election officers may give him such instructions, but no person giving a voter such instructions shall in any manner request, suggest or seek to persuade or induce any such elector to vote any particular ticket or for any particular candidate or for or against any particular question. After giving such instructions, and before the elector closes the booth or votes, the election officer shall retire, and the elector shall forthwith vote.

(c) At primaries, before a voter is admitted to the voting machine, it shall be adjusted by the election officer in charge thereof, so that such voter will only be able to vote for the candidates of the party in which he is registered and enrolled and for candidates for nonpartisan nomination, if any.

(d) At all elections, the elector shall vote for each candidate individually by operating the key, handle, pointer or knob, upon or adjacent to which the name of such candidate is placed. In the case of a question submitted to the vote of the electors, the elector shall operate the key, handle, pointer or knob corresponding to the answer which he desires to give. ((d) amended Oct. 31, 2019, P.L.552, No.77)

(e) A voter may, at any primary or election, vote for any person for any office, for which office his name does not appear upon the voting machine as a candidate, by an irregular ballot containing the name of such person deposited, written or affixed in or upon the appropriate receptacle or device provided in or on the machine for that purpose, and in no other manner. Where two or more persons are to be elected to the same office, and the name of each candidate is placed upon or adjacent to a separate key, handle, pointer or knob, and the voting machine requires that all irregular ballots voted for that office be deposited, written or affixed in or upon a single receptacle or device, an elector may vote in or by such receptacle or device for one or more persons whose names do not appear upon the machine, with or without the names of one or more persons whose names do so appear. With these exceptions no irregular ballot shall be cast on a voting machine for any person for any office, whose name appears on the machine as a candidate for that office, and any ballot so cast shall be void and not counted.

(f) At any general election at which presidential electors are to be chosen, each elector shall be permitted to vote by one operation for all the presidential electors of a political party or political body. For each party or body nominating presidential electors, a ballot label shall be provided

containing only the words "Presidential Electors," preceded by the names of the party or body and followed by the names of the candidates thereof for the office of President and Vice-President, and the corresponding counter or registering device shall register votes cast for said electors when thus voted for collectively. If an elector desires to vote a ticket for presidential electors made up of the names of persons nominated by different parties or bodies, or partially of names of persons so in nomination and partially of names of persons not in nomination by any party or body, or wholly of names of persons not in nomination by any party or body, he may write or deposit a paper ballot prepared by himself in the receptacle provided in or on the machine for the purpose. The machine shall be so constructed that it will not be possible for any one voter to vote a straight party ticket for presidential electors and at the same time to deposit a ballot for presidential electors in a receptacle as provided in this section. When the votes for presidential electors are counted, the votes appearing upon the counter or registering device corresponding to the ballot label containing the names of the candidates for President and Vice-President of any party or body shall be counted as votes for each of the candidates for presidential elector of such party or body, and thereupon all candidates for presidential elector shall be credited, in addition, with the votes cast for them upon the ballots deposited in the machine, as provided in this section. ((f) amended Oct. 31, 2019, P.L.552, No.77)

(g) As soon as the elector has adjusted the voting machine so that it will record his choice for the various candidates to be voted for, and his answers to the various questions submitted, he shall operate the recording mechanism, and forthwith leave the voting machine booth.

Section 1217. Time Allowed Elector in Voting Booth or Voting Machine Compartment.--No elector shall remain in a voting compartment or voting machine booth an unreasonable length of time, and, in no event, for more than three minutes, and if he shall refuse to leave after said period, he shall be removed by the election officers: Provided, however, That they may grant him a longer time if other electors are not waiting to vote.

Section 1218. Assistance in Voting.--

(a) No voter shall be permitted to receive any assistance in voting at any primary or election, unless there is recorded upon his registration card his declaration that, by reason of blindness, disability, or inability to read or write, he is unable to read the names on the ballot or on the voting machine labels, or that he has a physical disability which renders him unable to see or mark the ballot or operate the voting machine, or to enter the voting compartment or voting machine booth without assistance, the exact nature of such condition being recorded on such registration card, and unless the election officers are satisfied that he still suffers from the same condition.

(b) Any elector who is entitled to receive assistance in voting under the provisions of this section shall be permitted by the judge of election to select a person of the elector's choice to enter the voting compartment or voting machine booth with him to assist him in voting, such assistance to be rendered inside the voting compartment or voting machine booth except that the judge of election, the elector's employer or an agent of the employer or an officer or agent of the elector's union shall not be eligible to assist the elector.

(c) In every case of assistance under the provisions of this section, the judge of election shall forthwith enter in

writing in a book to be furnished by the county board of elections, to be known as the record of assisted voters--(1) the voter's name; (2) a statement of the facts which entitle him to receive assistance; and (3) the name of the person furnishing the assistance. The record of assisted voters shall be returned by the judge of election to the county board of elections with the other papers, as hereinafter provided, and said county board shall permit the same to be examined only upon the written order of a judge of the court of common pleas: Provided, however, That such record shall be subject to subpoena to the same extent to which other election records may be subpoenaed: And provided further, That the county election board shall permit any registration commission to examine any records of assisted voters without a court order, in order that the registration commission may ascertain whether electors, who have declared, at the time of registration, their need for assistance, actually did receive assistance when voting at any election.

(1218 amended Dec. 9, 2002, P.L.1246, No.150)

Section 1219. Ballots to Be Issued by Election Officers Only; Ballots Not to Be Removed; Official Ballots Only to Be Deposited or Counted.--No official ballot shall be taken from any book of ballots, except by an election officer or clerk when a person desiring to vote has been found to be a qualified elector entitled to vote. Not more than one ballot shall be removed at any one time or given to an elector, except in the case of a spoiled ballot as provided by this act. No person other than the election officers shall take or remove any ballot from the polling place. No ballot without the official endorsement shall, except as herein otherwise provided, be deposited in the ballot box, and no other ballots shall be counted. If any ballot appears to have been obtained otherwise than from the county board as provided by this act, the same shall not be counted, and the judge of election shall transmit such ballot to the district attorney without delay, together with whatever information he may have regarding the same.

(1219 amended Nov. 27, 2019, P.L.673, No.94)

Section 1220. Regulations in Force at Polling Places.--(a) Until the polls are closed, no person shall be allowed in the polling place outside of the enclosed space at any primary or election, except the watchers, voters not exceeding ten at any one time who are awaiting their turn to vote, and peace officers, when necessary for the preservation of the peace. No elector shall be allowed to occupy a voting compartment or voting machine booth already occupied by another, except when giving assistance as permitted by this act.

(b) No elector, except an election officer, clerk, machine inspector or overseer, shall be allowed to re-enter the enclosed space after he has once left it, except to give assistance as provided by this act.

(c) No person, when within the polling place, shall electioneer or solicit votes for any political party, political body or candidate, nor shall any written or printed matter be posted up within the said room, except as required by this act.

(d) All persons, except election officers, clerks, machine inspectors, overseers, watchers, persons in the course of voting, persons lawfully giving assistance to voters, and peace and police officers, when permitted by the provisions of this act, must remain at least ten (10) feet distant from the polling place during the progress of the voting.

(e) When the hour for closing the polls shall arrive, all qualified electors who have already qualified, and are inside

the enclosed space, shall be permitted to vote; and, in addition thereto, all those qualified electors who are in the polling place outside the enclosed space waiting to vote and all those voters who are in line either inside or outside of the polling place waiting to vote, shall be permitted to do so, if found qualified. ((e) amended Aug. 31, 1971, P.L.397, No.95)

(f) It shall be the duty of the judge of election to secure the observance of the provision of this section, to keep order in the voting room, and to see that no more persons are admitted within the enclosed space than are permitted by this act. The judge of election may call upon any constable, deputy constable, police officer or other peace officer to aid him in the performance of his duties under this section.

Section 1221. Duties of Election Officers After the Close of the Polls in Districts in Which Ballots are Used.--After the polls are closed and the last elector has voted in districts in which ballots are used, the election officers, clerks and overseers, if any, shall remain within the enclosed space. Before the ballot box is opened, the number of ballots issued to electors (at primaries the number issued to the electors of each party) and the number of ballots (at primaries the number of ballots of each party), if any, spoiled and returned by voters and cancelled, shall be announced to all present in the voting room, and entered on the general returns of votes cast at such primary or election. The election officers shall then compare the number of electors voting with the number of names marked as voting in the district register, "Voting Check List," and numbered lists of voters, shall announce the result, and shall enter on the general returns the number of electors who have voted, as shown by the "Voter's Check List." If any differences exist, they shall be reconciled, if possible, otherwise they shall be noted on the general returns. The district register, the "Voting Check List" and the numbered lists of voters, together with all unused ballots, and all spoiled and cancelled ballots, and all rejected voter's certificates shall then be placed in separate packages, containers or envelopes, and sealed, before the ballot box is opened.

(1221 amended Nov. 27, 2019, P.L.673, No.94)

Section 1222. Count and Return of Votes in Districts in Which Ballots are Used.--

(a) As soon as all the ballots have been properly accounted for, and those outside the ballot box, as well as the "Voting Check List," numbered lists of voters and district register sealed, the election officers shall forthwith open the ballot box, and take therefrom all ballots therein, and at primaries, separate the same according to the party to which they belong. The ballots shall then be counted one by one, and a record made of the total number, and at primaries of the total number cast for each party. Then the judge, under the scrutiny of the minority inspector, or the minority inspector, under the scrutiny of the judge, in the presence of the other officers, clerks, and of the overseers, if any, and within the hearing and sight of the watchers outside the enclosed space, shall read aloud the names of the candidates marked or inserted upon each ballot (at primaries the ballots of each party being read in sequence), together with the office for which the person named is a candidate, and the answers contained on the ballots to the questions submitted, if any, and the majority inspector and clerks shall carefully enter each vote as read, and keep account of the same in ink in triplicate tally papers (triplicate tally papers for each party at primaries) to be

provided by the county board of elections for that purpose, all three of which shall be made at the same time. All ballots, after being removed from the box, shall be kept within the unobstructed view of all persons in the voting room until replaced in the box. No person while handling the ballots shall have in his hand any pencil, pen, stamp or other means of marking or spoiling any ballot. The election officers shall forthwith proceed to canvass and compute the votes cast, and shall not adjourn or postpone the canvass or computation until it shall have been fully completed.

(b) When the vote cast for the different persons named upon the ballots and upon the questions, if any, appearing thereon, shall have been fully recorded in the tally papers and counted, the election officers shall duly certify to the number of votes cast for each person (upon the respective party tickets at primaries), and shall prepare in ink two (2) general returns, showing, in addition to the entries made thereon as aforesaid, the total number of ballots received from the county board (the total of each party at primaries), the number of ballots cast (the number of each party at primaries), the number of ballots (of each party at primaries) declared void, and the number of ballots spoiled and cancelled, and any blank ballots cast, as well as the votes cast for each candidate. At elections, the number of votes cast for each candidate by each political party or political body of which such candidate is a nominee shall be separately stated. In an immediate column to the left thereto, the number of votes received by each candidate upon all ballots shall be entered, such column to be of convenient width and shall be headed "number of votes received." The total number of votes received by each candidate shall be entered in a column on the extreme right-hand side of the return sheets, which column shall be of convenient width and shall be headed "total number of votes."

Nothing in this section contained shall be construed to authorize or permit the canvassing, counting or tallying ballots with any less degree of strictness than otherwise required by law.

(c) In returning any votes cast for any person whose name is not printed on the ballot, the election officers shall record any such names exactly as they were written or stamped upon the ballot. In districts in which paper ballots or ballot cards are electronically tabulated, stickers or labels may not be used to mark ballots. A vote cast by means of a sticker or label affixed to a ballot or ballot card shall be void and may not be counted.

(1222 amended Oct. 31, 2019, P.L.552, No.77)

Section 1223. What Ballots Shall Be Counted; Manner of Counting; Defective Ballots.--(a) No ballot which is so marked as to be capable of identification shall be counted. Any ballot that is marked in blue, black or blue-black ink, in fountain pen or ball point pen, or black lead pencil or indelible pencil, shall be valid and counted: Provided, That all markings on the ballot are made by the same pen or pencil. Any ballot marked by any other mark than an (X) or check (✓) in the spaces provided for that purpose shall be void and not counted: Provided, however, That no vote recorded thereon shall be declared void because a cross (X) or check (✓) mark thereon is irregular in form. Any erasure or mutilation in the vote in any office block shall render void the vote for any candidates in said block, but shall not invalidate the votes cast on the remainder of the ballot, if otherwise properly marked. Any ballot indicating a vote for any person whose name is not

printed on the ballot, by writing or stamping, shall be counted as a vote for such person, if placed in the proper space or spaces provided for that purpose, whether or not an (X) or check (✓) is placed after the name of such person: Provided, however, That if such writing or stamping is placed over the name of a candidate printed on the ballot, it shall render the entire vote in said office block void. In districts in which paper ballots or ballot cards are electronically tabulated, stickers or labels may not be used to mark ballots. A vote cast by means of a sticker or label affixed to a ballot or ballot card shall be void and may not be counted. If an elector shall mark his ballot for more persons for any office than there are candidates to be voted for for such office, or if, for any reason, it may be impossible to determine his choice for any office, his ballot shall not be counted for such office, but the ballot shall be counted for all offices for which it is properly marked. Ballots not marked, or improperly or defectively marked, so that the whole ballot is void, shall be set aside and shall be preserved with the other ballots. ((a) amended Oct. 31, 2019, P.L.552, No.77)

(b) At November elections, a cross (X) or check (✓) mark in the square opposite the name of political party or political body in the party column shall be counted as a vote for every candidate of that party or body so marked, including its candidates for presidential electors, except for those offices as to which the voter has indicated a choice for individual candidates of the same or another party or body in any office block, in which case the ballot for such office block shall be counted only for the candidates thus individually marked, notwithstanding the fact that the voter has made a mark in the party column, and even though in the case of an office for which more than one candidate is to be voted for, he has not individually marked for such office the full number of candidates for which he is entitled to vote.

(1223 amended Jan. 8, 1960, 1959 P.L.2142, No.790)

Section 1224. Ballot Decisions to Be Made by Inspectors; Duty of Judge.--Decisions concerning questionable marks on ballots or defacing or mutilation of ballots, and the count to be recorded thereon, shall be made in the same manner as decisions concerning the qualifications of voters, as provided in section 1213 herein.

Section 1225. Signing and Disposition of Returns, District Register and Voting Check List; Posting; Return of Ballot Boxes.--(a) Immediately after the vote has been counted in districts in which paper ballots are used, all of the general returns shall be signed by the election officers and clerks, and certified by the overseers, if any. If any election officer, clerk or overseer shall refuse to sign or certify the general returns, he shall write his reasons therefor upon the general return sheets. One of said returns shall be immediately posted for the information of the public outside the polling place, and one shall be entrusted to the judge for delivery to the county board with the package of unused ballots, etc., in an envelope provided for that purpose. The election officers shall then replace all the ballots cast, so counted and canvassed, in the ballot boxes, including those declared void, spoiled, and cancelled, together with one set of tally papers, one numbered list of voters, sealed as aforesaid, and one oath of each election officer, and lock and seal each ballot box so that nothing can be inserted therein until it be opened again; and the judge and minority inspector shall immediately deliver the ballot boxes to the custody of the county board, and the

county board shall not compute any returns from any election district until the ballot boxes therefor, as well as the package of unused ballots, etc., aforesaid therefrom, are delivered, as aforesaid. The election officers shall record the number of votes cast for each person on an official specimen ballot, shall sign the same and immediately post it outside the polling place for the information of the public.

(b) The minority inspector shall retain one complete set of tally papers, one numbered list of voters, sealed as aforesaid, and one set of oaths of election officers and carefully preserve the same for a period of at least one year. The remaining tally papers, affidavits of voters and others, including oaths of election officers, and one general return sheet shall be placed in separate envelopes, to be provided for that purpose, and sealed as soon as the count is finally completed. All of such envelopes and one numbered list of voters, previously sealed as aforesaid, shall be entrusted to the judge of election to be immediately delivered to the county board. The judge of elections shall return to the county board by two o'clock A. (1226 amended May 5, 1986, P.L.150, No.47)

Section 1227. Canvass and Return of Votes in Districts in Which Voting Machines are Used.--(a) If the type of voting machine provided shall require the counters to be seen in order to enable the election officers to canvass the vote, the election officers, in the presence of the watchers and all other

persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. If the voting machine is equipped with mechanism for printing paper proof sheets, the election officers shall forthwith print not less than four proof sheets, and as many more as may be necessary to supply one to each member of the election board, overseer, candidate, watcher, representative of a newspaper, and other persons who may be lawfully present within the polling place, requesting the same. The judge of election and the minority inspector shall then, under the scrutiny of the majority inspector of election, the clerk appointed by the minority inspector, the overseers, if any, and the watchers, and in the order of the offices as their titles are arranged on the machine, read from the counters or from one of the proof sheets, as the case may be, and announce, in distinct tones, the designation or designating number and letter on each counter for each candidate's name, the result as shown by the counter numbers, the votes recorded for each office for persons other than nominated candidates, and the designation or designating numbers and letters on each counter, and the results as shown by the counter numbers for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next.

(b) The vote as registered shall be entered by the election officers, in ink, on duplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the election officers, the clerk, and certified by the overseers, if any. If any election officer, clerk or overseer shall refuse to sign or certify the general or duplicate return sheets or statement, he shall write his reasons therefor upon said sheets. The vote for presidential electors shall be computed and returned as provided hereinbefore in section 1215 of this act. If more than one voting machine is used in any election district, the vote registered on each machine shall be ascertained in like manner, and separately entered in appropriate spaces on the general and duplicate return sheets and statement. The total vote cast for each candidate, and for and against each question, shall then be computed and entered on the general and duplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted and in primaries, the number of voters who voted in each party, as shown by the numbered lists of voters, district register, and voting check list, and the number on each machine, as shown by the public counters, and also the number registered on the protective counter or device on each machine immediately prior to the opening of the polls and immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, duplicate return sheets shall be prepared as for other elections. The registering counters of the voting machine or the paper proof sheets, as the case may be, shall remain exposed to view until the said returns, and all other reports have been fully completed and checked by the inspectors, clerk and overseers, if any. During such time, any candidate, or duly accredited watcher, who may desire to be present shall be admitted to the polling place. ((b) amended Feb. 2, 1966, 1965 P.L.1859, No.585)

(c) The proclamation of the result of the votes cast shall be announced distinctly and audibly by the judge of election, who shall read the name of each candidate, the designation or designating numbers and letters of his counters, and the vote registered on each counter, also the vote cast for and against each question submitted. During such proclamation, ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine or with the paper proof sheets, as the case may be, and any necessary corrections shall then and there be made by the election officers, after which the doors or other cover of the voting machine shall be closed and locked. Any ballots written, deposited, or affixed, in or upon the voting machine, shall be inclosed in properly sealed packages, and properly indorsed, and shall be delivered by the judge of election as hereinafter provided. The judge of election shall promptly deliver to the county board, or their duly authorized representative, the keys of the voting machine, inclosed in a sealed envelope, if the construction of the voting machine shall permit their separate return. Said envelope shall have indorsed thereon a certificate of the election officers, stating the number of the machine, the election district where it has been used, the number on the seal, and the number on the protective counter or device at the close of the polls.

(d) The election officers, on the foregoing returns, shall record any votes which have been cast for a person whose name is not printed on the ballot labels, by means of an irregular ballot, as defined herein. In returning any such votes which have been written or deposited upon receptacles or devices provided for the purpose, the election officers shall record any such names exactly as they were written or deposited. ((d) amended Oct. 31, 2019, P.L.552, No.77)

Section 1228. Disposition of Returns; Posting; Return of District Register and Voting Check List.--(a) The general return sheet, duplicate return sheets, and statement, shall be printed to conform to the type of voting machine used, and in form approved by the Secretary of the Commonwealth. The designating number and letter, if any, on the counter for each candidate, shall be printed thereon opposite the candidate's name: Provided, however, That it shall not be necessary to print the name or designating counter number or letter of any candidate for any borough, township, ward, or election district office. Immediately after the vote has been ascertained, the statement thereof shall be posted on the door of the polling place. The minority inspector shall retain one of said duplicate return sheets, one numbered list of voters, sealed as aforesaid, and one set of oaths of election officers and carefully preserve the same for a period of at least one year. The other duplicate return sheet, numbered list of voters, oaths of election officers, and affidavits of voters and others, shall be sealed up and given to the judge of election, who shall deliver them, together with the general return sheet and the package of ballots deposited, written or affixed in or upon the voting machine, to the county board. If the type of voting machine is equipped with mechanism for printing paper proof sheets, one of said proof sheets shall be posted on the door of the polling place with the statement aforesaid; one shall be retained by the minority inspector; one shall be placed in the envelope and delivered with the general return sheet; and one shall be sealed in the envelope with the duplicate return sheets and delivered by the judge of election to the county board. The printed proof sheet returned with the general return sheet, and the printed

proof sheet returned with the duplicate return sheet, shall each be part of the return of the election. The judge of elections shall return to the county board by two o'clock A. M. on the day following the election envelopes; supplies, including all uncast provisional ballots; and returns, including all provisional ballots and absentee ballots cast in the election district.

One authorized representative of each candidate in an election and one representative from each political party shall be permitted to remain in the room in which the absentee ballots and mail-in ballots are pre-canvassed. No person observing, attending or participating in a pre-canvass meeting may disclose the results of any portion of any pre-canvass meeting prior to the close of the polls.

(2) The county board of elections shall meet no earlier than the close of polls on the day of the election and no later than the third day following the election to begin canvassing absentee ballots and mail-in ballots not included in the pre-canvass meeting. The appeal shall be taken, within two (2) days after the decision was made, whether the decision was reduced to writing or not, to the court of common pleas setting forth the objections to the county board's decision and praying for an order reversing the decision.

(7) Pending the final determination of all appeals, the county board shall suspend any action in canvassing and computing all challenged ballots received under this subsection irrespective of whether or not appeal was taken from the county

Offices of County Boards to Remain Open During Primaries and Elections and Until Completion of Count; Reports and Returns to Be Made Public.--Each county board of elections shall cause its office to remain open, in charge of one or more members of the board, during the entire duration of each primary and election, and after the close of the polls, until all the ballot boxes and returns have been received in the office of the county elections board, or received in such other place as has been designated by the board.

any person, except by the order of the return board, or of the court of common pleas.

(b) The county board shall submit returns received under subsection (a) to the Department of State for each office for which a candidate must file a nomination petition with the Secretary of the Commonwealth by three o'clock A. Section 1403. Place of Meeting for Computation of Votes; Notice; Papers to Be Prepared; Assistants to Be Sworn.--

(a) The county board of elections shall arrange for the computation and canvassing of the returns of votes cast at each primary and election at its office or at some other convenient public place at the county seat with adequate accommodations for the watchers and attorneys authorized by this act to be present, who shall be permitted to keep or check their own computation of the votes cast in the several election districts as the returns from the same are read, as hereinafter directed. The county board shall give at least one week's previous notice by newspaper publication, as provided by section 106 of this act, of the time and place when and where the board will commence and hold its sessions for the computation and canvassing of the returns, and keep copies of such advertisement posted in its office during said period. The county board shall also prepare a sufficient number of blank forms of returns made out in proper manner, and headed as the nature of the primary or election may require, for making out full and fair statements of all votes which shall have been cast within the county or any political district therein, according to the returns from the several election districts thereof, for any person voted for therein, or upon any question voted upon therein. All the clerks of the county board and other persons designated to assist in the computation and canvassing of the votes shall be first sworn to perform their duties impartially and not read, write, count or certify any return or vote falsely or fraudulently.

(b) If any member of the county board of any county shall be a candidate for any nomination or election to public office, he shall not act as a member of said board for the computation and canvassing of returns, but the other members, if qualified, and if both such remaining members are not of the same political party affiliation, shall act; and in case in any county there are not at least a majority of the members of said board so qualified, two (2) or more judges of the court of common pleas shall be designated by said court to act as a return board, provided that neither of them is a candidate for any nomination or election to public office; and if there shall be only one judge of such court in such county or if less than two (2) judges are qualified and able to act in such county, any judge who is qualified may act alone, and if there be none qualified, the following county officers, in order named, not being candidates for any nomination or election to any public office, shall act as the return board: the prothonotary, sheriff, county treasurer, clerk of the orphans' court, clerk of oyer and terminer and quarter sessions court, register of wills and the recorder of deeds. The county

**Compilers Note:** Section 11 of Act 269 of 1976 provided that section 1403(b) is repealed insofar as it is inconsistent with Act 169.

Section 1404. Computation of Returns by County Board; Certification; Issuance of Certificates of Election.--

(a) The county board shall, at nine o'clock A. M. on the third day following the primary or election, at its office or at some other convenient public place at the county seat, of which due notice shall have been given as provided by section 1403, publicly commence the computation and canvassing of the returns, and continue the same from day to day until completed, in the manner hereinafter provided. For this purpose any county board may organize itself into sections, each of which may simultaneously proceed with the computation and canvassing of the returns from various districts of the county in the manner provided by this section. Upon the completion of such computation and canvassing, the board shall tabulate the figures for the entire county and sign, announce and attest the same, as required by this section. ((a) carried without amendment Oct 8, 2004, P.L.807, No.97)

(b) It shall be the duty of each board of registration commissioners in each county, before the time fixed for the county board to convene for purpose of computing and canvassing returns of any primary or election, to certify to said county board the total registration of each election district within its jurisdiction, and the enrollment of each district by political parties at primaries. The county board, before computing the votes cast in any election district, shall compare said registration and enrollment figures with the certificates returned by the election officers showing the number of persons who voted in each district or the number of ballots cast. If, upon consideration by said return board of the returns before it from any election district and the certificates aforesaid, it shall appear that the total vote returned for any candidate or candidates for the same office or nomination or on any question exceeds the number of registered or enrolled electors in said election district or exceeds the total number of persons who voted in said election district or the total number of ballots cast therein, or, if it shall appear that the total number of partisan votes returned for any candidate or candidates for the same office or nomination at any primary exceeds the number of electors registered or enrolled in said district as members of that political party, or exceeds the total number of persons belonging to that party who voted in said district or the total number of ballots of that party cast therein, in any such case, such excess shall be deemed a discrepancy and palpable error, and shall be investigated by the return board, and no votes shall be recorded from such district until such investigation shall be had, and such excess shall authorize--(a) the summoning of the election officers, overseers, machine inspectors, and clerks to appear forthwith with any election papers in their possession; (b) the production of the ballot box before the return board, and the examination and scrutiny of all of its contents, and all of the registration and election documents whatever, relating to said district, in

the presence of representatives of each party and candidate interested who are attending the canvass of such votes; and the recount of the ballots contained in said ballot box, either generally or respecting the particular office, nomination, or question as to which the excess exists, in the discretion of the return board; (c) the correction of the returns in accordance with the result of said recount; (d) in the discretion of the return board, the exclusion of the poll of that district, either as to all offices, candidates, questions, and parties, or as to any particular offices, candidates, questions, or parties as to which said excess exists, if the ballot box be found to contain more ballots than there are electors registered or enrolled in said election district, or more ballots of one party than there are electors registered or enrolled in said district as members of that party, or more ballots than the number of voters who voted at said election, or more ballots of one party than the number of voters of that party who voted at said election; (e) a report of the facts of the case to the district attorney where such action appears to be warranted.

(c) The county board shall first publicly account for all extra official ballots printed under the provisions of section 1007 of this act. The general returns made by the election officers from the various election districts shall then be read one after another in the usual order, slowly and audibly, by one of the clerks who shall, in each case of a return from a district in which ballots were used, read therefrom the number of ballots (in the case of primaries the number of ballots of each party) issued, spoiled and cancelled, and cast, respectively, whereupon the clerk having charge of the records of the county board showing the number of ballots furnished for each election district, including the number of extra official ballots as provided by section 1007 of this act as so furnished, and the number of unused ballots and spoiled and cancelled ballots returned, shall publicly announce the number of the same respectively, and unless it appears by said number or calculations therefrom that said records, and the said general return correspond, no further returns shall be read from the latter until all discrepancies are explained to the satisfaction of the county board. In the case of districts in which voting machines are used, there shall be read from the general return the identifying number or other designation of each voting machine used, the numbers registered on the protective counter or device on each machine prior to the opening of the polls and immediately after close of the same, whereupon the clerk having charge of the records of the county board showing the number registered on the protective counter or device of each voting machine prior to delivery at the polling place, shall publicly announce the numbers so registered, and unless it appears that the said records, and the said general return correspond, no further returns shall be read from the latter until any and all discrepancies are explained to the satisfaction of the county board. ((c) amended Nov. 27, 2019, P.L.673, No.94)

(d) (1) In districts in which paper ballots have been used, when the records agree with said returns regarding the number of ballots and the number of votes recorded for each candidate (on each party ticket at primaries), said votes for each candidate shall be read by the clerk slowly, audibly, and in an orderly manner from the general return which has been returned unsealed, and the figures announced shall be compared by other clerks with the general return which has been returned sealed. The figures announced for all districts shall be

compared by one of the clerks with the tally papers from the respective districts. If any discrepancies are discovered, the county board shall thereupon examine all of the return sheets, tally papers and other papers in its possession relating to the same election district. If the tally papers and sealed general return sheet agree, the unsealed general return shall be forthwith corrected to conform thereto. But in every other case the county board shall forthwith cause the ballot box of the district to be opened and the vote therein to be recounted in the presence of attorneys, watchers, and candidates interested, and if the recount shall not be sufficient to correct the error, the county board may summon the election officers and overseers, if any, to appear forthwith with all election papers in their possession.

(2) In districts in which voting machines have been used, when the records agree with the returns regarding the number registered on the voting machine, the votes recorded for each candidate shall be read by the clerk slowly, audibly, and in an orderly manner from the general return sheet which has been returned unsealed, and the figures announced shall be compared by other clerks with the duplicate return sheet which has been returned sealed, and if the voting machine is of the type equipped with mechanism for printing paper proof sheets, said general and duplicate return sheets shall also be compared with said proof sheets, which have been returned as aforesaid. If any discrepancies are discovered, the county board shall thereupon examine all of the return sheets, proof sheets and other papers in its possession relating to the same election district. The said proof sheets shall be deemed to be the primary evidence of the result of the election and to be prima facie accurate, and if the proper proof sheets properly identified, shall be mutually consistent, and if the general and duplicate returns, or either of them, from said district shall not correspond with said proof sheets, they shall be corrected so as to correspond with same, in the absence of allegation of specific fraud or error, proved to the satisfaction of the county board.

(3) If any error or fraud is discovered, the county board shall compute and certify the votes justly regardless of any fraudulent or erroneous returns presented to it, and shall report the facts to the district attorney of the proper county for action.

(4) In districts where electronically tabulated ballots are used in conjunction with central ballot tabulation, the return board shall compare the number of persons voting as indicated on the computer return sheets, with the number voting as indicated on the sealed general return from the election district. In the case of a discrepancy, the procedures specified for paper ballots in subsection (d)(1) shall be followed. ((4) added July 11, 1980, P.L.600, No.128)

(5) In districts where ballots are tabulated at the election district, the procedures specified for paper ballots in subsection (d)(1) shall be followed. ((5) added July 11, 1980, P.L.600, No.128)

(e) Provision for Recount or Recanvass of Vote.--Whenever it shall appear that there is a discrepancy in the returns of any election district, or, upon petition of three voters of any district, verified by affidavit, that an error, although not apparent on the face of the returns, has been committed therein, or of its own motion or under subsection (g), the county board shall at any time prior to the completion of the computation of all of the returns for the county, summon the election

officers of the district, and said officers, in the presence of said board, shall conduct a recount or recanvass of all ballots cast. Before making such recount or recanvass, the said board shall give notice in writing to the proper custodian of voting machines, and to each candidate, and to the county chairman of each party or political body, affected by the recount or recanvass; and each such candidate may be present in person, or by attorney, and each of such parties, or bodies, may send two representatives to be present at such recount or recanvass.

(1) In a county in which an election district uses voting machines, all of the following apply:

(i) The county board shall:

(A) make a record of the number of the seal upon the voting machine and the number on the protective counter or other device;

(B) make visible the registering counters of such machine; and

(C) without unlocking the machine against voting, recanvass the vote cast on the machine.

(ii) If, upon such recanvass, it shall be found that the original canvass of the returns has been correctly made from the machine, and that the discrepancy still remains unaccounted for, the said board, with the assistance of the custodian, in the presence of the election officers and the authorized candidates and representatives, shall unlock the voting and counting mechanism of the machine, and shall proceed thoroughly to examine and test the machine to determine and reveal the true cause or causes, if any, of the discrepancy in returns from such machine. Each counter shall be reset at zero (000) before it is tested, after which it shall be operated at least one hundred times. After the completion of such examination and test, the custodian shall then and there prepare a statement, in writing, giving in detail the result of the examination and test, and such statement shall be witnessed by the persons present, and shall be filed with the said board.

(iii) If, upon such recanvass, it shall appear that the original canvass of the returns by the election officers was incorrect, the said returns and all papers being prepared by the said board shall be corrected accordingly: Provided, however, That in the case of returns from any election district wherein the election was held by the use of a voting machine equipped with mechanism for printing paper proof sheets, said proof sheets, if mutually consistent, shall be deemed to be the primary evidence of the result of the election and to be prima facie accurate, and there shall not be considered to be any discrepancy or error in the returns from any such district, such as to require a recanvass of the vote, if all available proof sheets, from the voting machine used therein, identified to the satisfaction of the return board and shown to its satisfaction to have been produced from proper custody, shall be mutually consistent, and, if the general and duplicate returns, or either of them, from said district shall not correspond with said proof sheets, they, and all other papers being prepared by said return board, shall be corrected so as to correspond with the same, in the absence of allegation of specific fraud or error, proved to the satisfaction of the return board by the weight of the evidence, and only in such case shall the vote of said election district be recanvassed under the provisions of this section.

(2) In a county in which an election district uses paper ballots other than those used in conjunction with an electronic voting system, all of the following apply:

(i) The county board shall, in the presence of the election officers and the authorized candidates and representatives, cause:

(A) the ballot box of each district to be opened and the vote in the ballot box to be recounted; and

(B) the entire vote of the election district to be counted correctly.

(ii) The county board may summon the election officers and overseers to appear with all election papers in their possession to assist in determining an accurate count or addressing errors and omissions.

(3) In a county in which an election district uses an electronic voting system utilizing paper ballots, all of the following apply:

(i) The county board shall recount all ballots using manual, mechanical or electronic devices of a different type used for the specific election.

Returns under this subsection shall be considered unofficial for five (5) days. The county board shall submit the unofficial returns to the Secretary of the Commonwealth by five o'clock P. M. on the Tuesday following the election. The submission shall be as directed by the secretary for public office which appears on the ballot in every election district in this Commonwealth or for a ballot question which appears on the ballot in every election district in this Commonwealth. At the expiration of five (5) days after the completion of the computation of votes, in case no petition for a recount or recanvass has been filed in accordance with the provisions of this act, or upon the completion of the recount or recanvass if a petition therefor has been filed within five (5) days after the completion of the computation of votes, the county board shall certify the returns so computed in said county in the manner required by this act, unless upon appeals taken from any decision, the court of common pleas shall have directed any returns to be revised, or unless in case of a recount, errors in the said returns shall have been found, in which case said returns shall be revised, corrected and certified accordingly. The county board shall thereupon, in the case of elections, issue certificates of election to the successful candidates for all county, city, borough, township, ward, school district, poor district and election offices, and local party offices to be filled by the votes of the electors of said county, or of any part thereof. ((f) amended Oct. 8, 2004, P.L.807, No.97)

(g) This subsection relates to recounts and recanvasses ordered by the secretary.

(1) Except as set forth in subsection (h), the secretary shall order a recount and recanvass to all county boards if the unofficial returns prepared in accordance with subsection (f) reflect any of the following:

(ii) A ballot question appearing on the ballot in every election district in this Commonwealth was approved or rejected by one-half of a percent or less of the votes cast on the question.

(2) The secretary shall issue an order under clause (1) by five o'clock P. M. of the second Thursday following the day of the election.

(3) The secretary shall provide twenty-four (24) hours notice of an order under clause (1) to each candidate and to the county chairman of each party or political body affected by the recount and recanvass. Notice shall be by press release, the World Wide Web site or other means.

(4) A candidate affected by the recount and recanvass may be present, in person or by attorney, at the recount and recanvass. A party or body affected by the recount and recanvass may send two representatives to the recount and recanvass.

(5) The recount and recanvass shall:

(6) The results of the recount and recanvass shall be submitted to the secretary by 12 o'clock noon on the day following completion of the recount and recanvass.

(7) The secretary shall issue a press release and publish on the World Wide Web site all results received from the county boards of election.

(8) Following the completion of the recount and recanvass, the Commonwealth shall pay to each county the sum specified in sections 1701 and 1702. The amounts necessary to pay the counties are hereby appropriated, upon approval of the Governor, to the Department of State.

((g) added Oct. 8, 2004, P.L.807, No.97)

(h) A recount and recanvass shall not be ordered under subsection (g)(1)(i) if the defeated candidate requests in writing that a recount and recanvass not be made. A request under this subsection must be made by 12 o'clock noon on the second Wednesday following the election. ((h) added Oct 8, 2004, P.L.807, No.97)

Section 1405. Manner of Computing Irregular Ballots.--The county board, in computing the votes cast at any primary or election, shall compute and certify votes cast on irregular ballots exactly as such names were written, stamped or deposited in or on receptacles for that purpose, and as they have been so returned by the election officers. In districts in which paper ballots or ballot cards are electronically tabulated, stickers or labels may not be used to mark ballots. A vote cast by means of a sticker or label affixed to a ballot or ballot card shall be void and may not be counted. In the primary the Secretary of the Commonwealth shall not certify the votes cast on irregular ballots for any person for a National office

including that of the President of the United States, United States Senator and Representative in Congress; or for any State office including that of Governor and Lieutenant Governor, Auditor General, State Treasurer, Senator and Representative in the General Assembly, justices and judges of courts of record or for any party office including that of delegate or alternate delegate to National conventions and member of State committee unless the total number of votes cast for said person is equal to or greater than the number of signatures required on a nomination petition for the particular office. In the primary the county board shall not certify the votes cast on irregular ballots for any person for a justice of the peace, constable, National, State, county, city, borough, town, township, ward, school district, election or local party office unless the total number of votes cast for said person is equal to or greater than the number of signatures required on a nomination petition for the particular office.

(1405 amended Oct. 31, 2019, P.L.552, No.77)

**Compiler's Note:** Section 28 of Act 207 of 2004 provided that any and all references in any other law to a "district justice" or "justice of the peace" shall be deemed to be references to a magisterial district judge.

Section 1406. Petition to Establish Identity by Candidate Nominated under Different Names; Cumulation Prohibited.--Any person who has been nominated at a primary election by more than one party for the same office under different names may, at any time not later than five (5) days after the certification by the county board of the votes cast at a primary election, present a petition to the court of common pleas of the proper county, praying for an order declaring such petitioner by his true name to be the person who was thus nominated by more than one party under different names. If the court shall determine that the different names so appearing on the returns of the primary represent one and the same person, the court shall enter an order finding said fact and directing the county board to revise its return accordingly. No such order shall be entered by any court, unless notice of the filing of said petition shall first have been given to the county board, and to all the other candidates who appear to have been nominated for the same office, in such manner as the court may, by its order, direct, which notice shall specify the time and place of the hearing on said petition. Upon the filing of any such petition, said court shall proceed to hear said matter without delay, having due regard to the proximity of the ensuing election. Immediately upon the entry of any order as aforesaid, a certified copy thereof shall be served on the county board, which shall correct and revise its returns accordingly. No candidate for public office at any November election whose name, for any reason, is printed more than once for the same office on any ballot at any general, municipal or special election, shall be entitled to have cumulated, either by the election officers, by the county board, or by any court, the votes cast after such different names. (1406 repealed in part Apr. 28, 1978, P.L.202, No.53)

Section 1407. Appeals to Court from Decisions of the County Board.--

(a) Any person aggrieved by any order or decision of any county board regarding the computation or canvassing of the returns of any primary or election, or regarding any recount or recanvass thereof under sections 1701, 1702 and 1703 of this act, may appeal therefrom within two days after such order or

decision shall have been made, whether then reduced to writing or not, to the court specified in this subsection, setting forth why he feels that an injustice has been done, and praying for such order as will give him relief. If a recount or recanvass is made under section 1404(g), the appeal must be made to Commonwealth Court. Unless a recount or recanvass is made under section 1404(g), the appeal must be made to the court of common pleas of the proper county. Upon the payment to the prothonotary of a fee for filing such appeal, a judge of the court shall fix a time and place for hearing the matter in dispute within three days thereafter, of which due notice shall be served, with a copy of such appeal, by the appellant upon a member of the county board whose action is complained of and upon every attorney, watcher or candidate who opposed the contention of the appellant before the county board, and upon any other person that the judge shall direct, at least two days before the matter shall be reviewed by the court. Proof of such notice or the waiver thereof must be filed therein before any appeal is sustained.

(b) The court on an appeal shall have full power and authority to hear and determine all matters pertaining to any fraud or error committed in any election district to which such appeal relates, and to make such decree as right and justice may require. Pending such appeal, the county board shall suspend any official certification of the votes cast in such election district. None of the orders or decisions of either the county board or the court of common pleas on appeal shall be deemed a final adjudication regarding the results of any primary or election, so as to preclude any contest thereof. No appeal shall be allowed or granted from any order or decree of the court of common pleas made in pursuance of this section. The court of common pleas, upon any appeal under this section, may compel the appellant or any opposing party, other than the county board, to pay all the witness fees, if any, or other legal costs of the hearing, which costs may be taxed by the prothonotary in the usual manner.

(1407 amended Oct. 8, 2004, P.L.807, No.97)

Section 1408. Copy of Certified Returns to Be Filed; Copy to Be Forwarded to the Secretary of the Commonwealth; Duplicate Copies.--After the certification of the returns of any primary or election, as provided by section 1404 of this act, the county board shall retain in its office one copy of the returns so certified. After completing the tabulation of such returns, the return board of said county shall issue certificates of election to the successful candidates. In case of any county, borough, city or township officer who is by law required to be commissioned by the Governor, the said return board shall also transmit a certified copy of such return to the Secretary of the Commonwealth, who shall forthwith lay the results of such election before the Governor.

The Secretary of the Commonwealth shall forthwith lay the return so made before the Governor, and the Governor shall issue a commission to any persons elected to said offices, notwithstanding that the election of such person to any or either of said offices may be contested in the manner provided by this act.

(c) Whenever it shall appear by the decision of the proper tribunal having jurisdiction of a contested election, that the person to whom said commission shall have been issued has not been legally elected to the office for which he has been commissioned, then a commission shall issue to the person who shall appear to be legally elected to said office, the issuing of which commission shall nullify and make void the commission already issued, and all power and authority under said commission first issued shall thereupon cease and determine.

The Governor shall also transmit the returns of such election to the President of the United States Senate, in the case of the election of a United States Senator, and to the Speaker of the House of Representatives of the United States, in the case of the election of representatives in Congress.

For the purpose of this article, an individual shall be deemed to be seeking nomination or election to such office if he has:

appropriate supervisor reports of receipts and expenditures on forms, designed by the Secretary of the Commonwealth, if the amount received or expended or liabilities incurred shall exceed the sum of two hundred fifty dollars (\$250). Should such an amount not exceed two hundred fifty dollars (\$250), then the candidate or the treasurer of the committee shall file a sworn statement to that effect with the appropriate supervisor rather than the report required by this section.

(b) Each report shall include the following information:

(1) The full name, mailing address, occupation and name of employer, if any, or the principal place of business, if self-employed, of each person who has made one or more contributions to or for such committee or candidate within the reporting period in an aggregate amount or value in excess of two hundred fifty dollars (\$250), together with the amount and date of such contributions. (c) Vouchers or copies of vouchers for all sums expended amounting to more than twenty-five dollars (\$25) shall be retained by the candidate or the committee treasurer and shall be available for public inspection and copying as herein provided. Any person may inspect or copy such vouchers or copies thereof by filing a written request with the appropriate supervisory office which shall notify the candidate or political committee of such request. The candidate or political committee shall have the option of either forwarding such vouchers or copy of the same to the supervisor for such purpose or making the vouchers or copy of the same available to the requesting person. If a candidate or a treasurer of a political committee shall fail to make said vouchers or copies thereof available for inspection and copying when requested by the appropriate supervisory officer, such officer shall direct the candidate or political committee to promptly deliver the vouchers or copies thereof to the supervisory office for purposes of inspection and copying. Costs of copying and costs of delivery by the candidate or treasurer of the requested vouchers or copies thereof shall be borne by the person requesting same.

(f) Each report shall also contain a summary, on a separate page, of the information required by subsection (b).

(g) Every person, other than a political committee or candidate, who makes independent expenditures expressly advocating the election or defeat of a clearly identified candidate, or question appearing on the ballot, other than by contribution to a political committee or candidate, in an aggregate amount in excess of one hundred dollars (\$100) during a calendar year shall file with the appropriate supervisor, on a form prepared by the Secretary of the Commonwealth, a report which shall include the same information required of a candidate or political committee receiving such a contribution and, additionally, the name of the candidate or question supported or opposed. This provision shall be in addition to any other filing and reporting provisions of

this act which apply to such committees, their treasurers and chairmen. ((j) added July 21, 1979, P.L.189, No.63)

(1626 added Oct. 4, 1978, P.L.893, No.171)

(a) All political committees and candidates, including those committees and candidates filing reports under section 1626 (d) and (e), shall file a report on January 31 of each year which shall be complete as of December 31 of the prior year. Such reports shall be filed annually at this time until there is no balance or debt in the report of the candidate or political committee. Such reports shall be cumulative. However, if there has been no change in the account, then the candidate or political committee shall file a statement to that effect with the appropriate supervisor. (b) Any wilfully false, fraudulent or misleading statement or entry made by any candidate or treasurer in any statement or report under oath as required by this article, shall constitute the crime of perjury, and be punishable as such according to the laws of this Commonwealth.

(c) Any person hereafter convicted of such an act shall be disqualified from holding public office in this Commonwealth. Conviction, as used in this subsection, shall include a finding or verdict of guilt, an admission of guilt, or a plea of nolo contendere.

The maximum fee payable with respect to a single report is two hundred fifty dollars (\$250). A supervisor shall receive an overdue report or statement even if any late filing fee due has not been paid but the report or statement shall not be considered filed until all fees have been paid upon the receipt by the supervisor of an overdue report. No further late filing fees shall be incurred notwithstanding the fact that the report or statement is not considered filed. The late filing fee is the personal liability of the candidate or treasurer of a political committee and cannot be paid from contributions to the candidate or committee, nor may such fee be considered an expenditure. No candidate may be sworn in until the appropriate supervisor certifies that all required reports have been filed, and no official of the Commonwealth or any of its political subdivisions may issue a commission or administer an oath of office until that official has received this certification. No certification shall be issued until the supervisor has received post election reports of any candidate and treasurer of committees authorized by such candidate.

Section 1701. Opening Ballot Boxes upon Petition of Electors Alleging Fraud or Error; Deposit or Bond.--(a) Except as set forth in subsection (a.1), the court of common pleas, or a judge thereof, of the county in which any election district is located in which ballots were used, shall open the ballot box of such election district used at any general, municipal, special or primary election held therein, and cause the entire vote thereof to be correctly counted by persons designated by such court or judge, if three qualified electors of the election district shall file, as hereinafter provided, a petition duly verified by them, alleging that upon information which they consider reliable they believe that fraud or error, although not manifest on the general return of votes made therefrom, was committed in the computation of the votes cast for all offices or for any particular office or offices in such election district, or in the marking of the ballots, or otherwise in connection with such ballots. It shall not be necessary for the petitioners to specify in their petition the particular act of fraud or error which they believe to have been committed, nor to offer evidence to substantiate the allegations of their petition.

(a.1) In cases resulting from a recount or recanvass order by the Secretary of the Commonwealth under section 1404(g), all of the following apply:

(1) Upon petition under clause (2), Commonwealth Court shall:

(i) open the ballot box of each election district in which ballots were used at a general, municipal, special or primary election; and

(ii) cause the entire vote of the election district to be correctly counted by persons designated by the court.

(2) To obtain relief under clause (1):

(i) Three (3) qualified electors of a county must file a verified petition alleging that, upon information which they consider reliable, they believe that fraud or error, although not manifest on the general return of votes, was committed:

(A) in the computation of votes cast;

(B) in the marking of the ballots; or

(C) otherwise in connection with the ballots.

(ii) It is not necessary for the petitioners to specify in their petition the particular act of fraud or error which they believe to have been committed nor to offer evidence to substantiate the allegations of their petition.

(b) Every petition for the opening of a ballot box under the provisions of this section shall be filed in the office of the prothonotary of the proper county, accompanied by a deposit of cash in the amount of fifty (\$50.00) dollars, or by a bond signed by the petitioners as principals and by a corporate surety to be approved by the court, in the amount of one hundred (\$100.00) dollars, conditioned upon the payment to the county treasurer for the use of the county of the sum of fifty (\$50.00) dollars, in the event that, upon the opening of the ballot box, it shall not appear that fraud or substantial error was committed in the computation of the votes cast on the ballots contained therein, or fraud in the marking of the ballots contained therein, or otherwise in connection with such ballots.

(c) Before any ballot box is opened under the provisions of this section, the court shall direct that notice of time and place of proposed recount be given, either personally or by registered mail, to each candidate for the office or offices which are to be recounted by the order of the court, and each such candidate may be present at such recount, either in person or by his attorney or by his duly authorized representative, under such regulations as the court may prescribe.

(d) If, upon opening any such ballot box, it shall appear that fraud or substantial error was committed in the computation of the votes cast on the ballots contained therein, or fraud in the marking of the ballots contained therein, or otherwise in connection with such ballots, it shall be the duty of the court to certify such fact to the prothonotary and thereupon the prothonotary shall return to the petitioners the said sum of fifty (\$50.00) dollars, or if the petitioners shall have filed a bond in lieu of cash, to mark said bond cancelled and notify the petitioners that he has done so.

(e) If, upon opening any ballot box under the provisions of this section, it shall not appear that fraud or substantial error was committed in the computation of the votes cast on the ballots contained therein, or fraud in the marking of the ballots contained therein, or otherwise in connection with such ballots, the persons upon whose petition such ballot box shall have been opened shall forfeit to the county the sum of fifty (\$50.00) dollars. If said petitioners shall have deposited the said sum in cash with the prothonotary at the time of filing the petition, the prothonotary, upon certification of the court that fraud or substantial error was not discovered, shall pay said sum deposited with him to the county treasurer; and if the petitioners shall have filed with their petition a bond in the sum of one hundred (\$100.00) dollars, it shall be the duty of the county treasurer forthwith to collect from the principals or surety on said bond, the sum of fifty (\$50.00) dollars, and costs of suit, and for this purpose, he is hereby authorized to institute any necessary legal proceedings. When so collected, the said sum of fifty (\$50.00) dollars shall be paid over to the county treasurer.

It shall not be necessary for the petitioners to specify in their petition the particular act of fraud or error they believe to have been committed, nor to offer evidence to substantiate the allegations of their petition.

(b) Before the votes cast on any voting machine are recanvassed under the provisions of this section, the court shall direct that notice of the time and place of the proposed recanvass be given, either personally or by registered mail, to each candidate whose name appears on the ballot labels, and each such candidate may be present at such recanvass, either in person or by his attorney, or by his duly authorized representative, under such regulations as the court may prescribe.

(b.1) If, upon the recanvassing of the votes in any voting machine, it shall appear that fraud or substantial error was

committed in the computation of the votes cast on the voting machine or otherwise in connection with such voting machine, it shall be the duty of the court to certify such fact to the prothonotary, and thereupon the prothonotary shall return to the petitioners the said sum of fifty (\$50) dollars, or if the petitioners shall have filed a bond, in lieu of cash, to mark said bond cancelled and notify the petitioners that he has done so.

(b.2) If, upon the recanvassing of the votes in any voting machine under the provisions of this section, it shall not appear that fraud or substantial error was committed in the computation of the votes cast in the voting machine or otherwise in connection with such voting machine, the persons upon whose petition such voting machine was recanvassed shall forfeit to the county the sum of fifty (\$50) dollars. If said petitioners shall have deposited the said sum in cash with the prothonotary at the time of filing the petition, the prothonotary, upon certification of the court that fraud or substantial error or otherwise in connection with such machine was not discovered, shall pay said sum deposited with him to the county treasurer, and if the petitioners shall have filed with their petition a bond in the sum of one hundred (\$100) dollars, it shall be the duty of the county treasurer forthwith to collect from the principals or surety on said bond the sum of fifty (\$50) dollars and costs of suit, and for this purpose he is hereby authorized to institute any necessary legal proceedings. When so collected, the said sum of fifty (\$50) dollars shall be paid over to the county treasurer.

entries previously made in the returns of the county being prepared by it, or which have been prepared and not yet certified.

(b) No order or decision of the court under the provisions of sections 1701 and 1702 of this act, shall be deemed a final adjudication regarding the results of any primary or election, so as to preclude any contest thereof under the provisions of this article, and no such order or decision shall affect the official returns of any election district, unless a petition to open the ballot boxes or to recanvass the votes on a voting machine or an electronic voting system shall have been presented before the certification of the returns of the county by the county board, or unless a contest shall have been instituted in the manner provided by this article.

(c) If upon the opening of any ballot box or recanvass of any voting machine or electronic voting system under the provisions of this article, it shall be found that fraud was committed in the computation of the votes cast on the ballots or voting machine, or in the marking of the ballots contained therein or otherwise in connection with such ballots, the county board shall take such steps as shall be appropriate to enable the ballot box and contents thereof or voting machine or electronic voting system to be available as evidence in any prosecution which may be begun against any person or persons alleged to be guilty of such fraud.
