PRAYER

The Chaplain, Reverend ANN MEYERS, of Pine Street Presbyterian Church, Harrisburg, offered the following prayer:

Let us join together now for prayer.

Let us pray.

Almighty God, it is going to be a hot one in the State Capitol today. Yet, we always anticipate the refreshing wind of Your spirit. We ask for the presence of Your spirit with these legislators this day.

Almighty God, You have plans for us and the power to make them happen. Give these leaders a knowledge of Your will for the world. Let them remember that they serve the public first beyond personal gain or glory. May they see that no nation lives for itself alone but is responsible for the peace and well-being of Your children.

Finally, we close now by thanking You for the great State of Pennsylvania and its leaders. Amen.

The PRESIDENT. The Chair thanks Reverend Meyers, who is the guest today of Senator Piccola.

UNFINISHED BUSINESS
SENATE RESOLUTIONS ADOPTED

Senator STACK, by unanimous consent, offered **Senate Resolution No. 282**, entitled:

A Resolution recognizing the week of June 5 through 12, 2004, as "Philippines Independence Week" in Pennsylvania.

On the question,
Will the Senate adopt the resolution?

The PRESIDENT. The Chair recognizes the gentleman from Philadelphia, Senator Stack.

Senator STACK. Madam President, I rise to seek unanimous consent for a resolution that recognizes the week of June 5 through 12, 2004, as Philippines Independence Week in Pennsylvania.

This year marks the 106th anniversary of the Philippines' independence from Spain. It has also been 106 years since the Philippines established the first constitutional democracy in Asia. Over the past century, the Philippines and the United States have enjoyed a strong relationship built on political, social, and

economic ties with citizens of both nations. During World War II, the United States and the Philippines fought together to defend Democratic principles. Our countries have remained close friends ever since, and we must continue to nurture these ties into the future. There are nearly 2 million Filipino-Americans, the fastest growing Asian population in this country. Their strong family values and work ethic and their valued cultural, social, and economic contributions have secured freedom and served not only to enhance the lives of Filipinos but of all Americans.

I ask for unanimous approval of this resolution, setting aside the week of June 5 through 12 to recognize the Philippines' independence and honor the contributions of Filipino-Americans in Pennsylvania and throughout the United States.

Thank you, Madam President.

And the question recurring,
Will the Senate adopt the resolution?

A voice vote having been taken, the question was determined in the affirmative.

Senators C. WILLIAMS, MELLOW, FERLO, KITCHEN, BOSCOLA, TARTAGLIONE, MOWERY, ERICKSON, EARLL, COSTA, KASUNIC, LOGAN, CONTI, GREENLEAF, SCARNATI, ARMSTRONG, THOMPSON, RAFFERTY, KUKOVICH, WAGNER, MUSTO, CORMAN, STOUT, O'PAKE, DENT, SCHWARTZ, PILEGGI, PIPPY, WONDERLING, RHOADES, STACK and LaVALLE, by unanimous consent, offered **Senate Resolution No. 283**, entitled:

A Resolution proclaiming June 2004 as "Optimist International Childhood Cancer Awareness Month" in Pennsylvania.

On the question,
Will the Senate adopt the resolution?

The PRESIDENT. The Chair recognizes the gentlewoman from Montgomery, Senator Connie Williams.

Senator C. WILLIAMS. Madam President, more than 12,000 children and teenagers are diagnosed with cancer each year. Cancer is the number one disease killing children today. It takes more lives than asthma, diabetes, cystic fibrosis, and AIDS combined. One in every 330 Americans will develop cancer before the age of 20. Optimists International Childhood Cancer Campaign is focusing on building awareness of the disease and providing assistance for children and their families and supporting research to find a cure. On this same note, I have a young constituent in Wynnewood, Pennsylvania, 8-year-old Alexandra Scott, who has cancer of the nervous system and has raised more than \$200,000 by selling lemonade. She has donated most of these funds for juvenile research at Children's Hospital in Philadelphia and medical institutions across the country. Alex was diagnosed with cancer just 2 days before her 1st birthday. At the age of 4, she decided to do something about it, so she opened up a lemonade stand. This young girl is a role model for others and has been operating her lemonade stand since 2000, despite exhausting treatments for cancer. June 12 will be Alexandra's Lemonade Stand Day, and there will be lemonade stands in all 50 States, as well as in France and Canada.

I would like to encourage all of you, I have a number of listings with lemonade stands that will be in Pennsylvania. Alex

will be at a lemonade stand at Penn Wynne School in her neighborhood, Representative Daylin Leach is having one in front of his house in Upper Merion, and there is also going to be one at a nursing home at Saunders House in Philadelphia and at the Chestnut Hill Cheese Shop on Germantown Avenue. Besides that, there will be Alex's lemonade stands in Drexel Hill, Atglen, Chester Springs, Newtown Borough in Bucks County that had one on June 5, Malvern, and Pittsburgh.

Alex, like other young children affected with cancer, does not deserve to be sick. The good news is that childhood cancer treatment has been called the modern medical miracle due to the remarkable progress in curing infants, children, teenagers, and young adults with cancer. Up to 70 percent of all childhood cancers can now be cured. Childhood leukemia has an 80-percent survival rate, and the childhood cancer death has dropped more dramatically for children than any other age group. Most of this has been done because we have had coordinated research. More than 400,000 patients' years of life are being saved. Progress is being made, but we cannot stop until a cure is found. I ask that you join me in proclaiming June as Optimist International Childhood Cancer Awareness Month in Pennsylvania to draw attention to this disease, and hopefully, through continued research, a cure will be found.

For anybody who is interested in where Alexandra's lemonade stands are, they can go to www.alexslimonade.com.

Thank you. I urge you all to vote "yes" for this.

The PRESIDENT. Thank you, Senator Williams. I think we have all read about Alex, and we are all very proud of her efforts.

And the question recurring,

Will the Senate adopt the resolution?

A voice vote having been taken, the question was determined in the affirmative.

SB 1102.

PETITIONS AND REMONSTRANCES

The PRESIDENT. The Chair recognizes the gentleman from Berks, Senator O'Pake.

Senator O'PAKE. Madam President, I would like to make two points. One is that I have just filed at the desk legislation that would provide for a one-time Lottery-funded additional \$50 million appropriation in the upcoming fiscal year for the State's PENNcare program for older Pennsylvanians. Madam President, this supplemental funding from the growing Lottery reserves is

needed to offset several years of flat funding for a vital program that helps our senior citizens stay in their own homes and avoid the more costly alternative of nursing home care for as long as possible. I am advised, according to administration estimates, that the available Lottery Fund balance and reserve will reach \$296 million by the end of fiscal year 2004-05. PENNcare provides funding for a wide range of services for senior citizens, from Meals on Wheels, enhanced transportation services, home support, personal care and protective services, adult day care, and the operation of State senior citizen centers. With a growing number of seniors and waiting lists for those who need a little extra help to stay in their own homes and live out their golden years with dignity, we cannot afford not to invest more available dollars in this very important program. I invite cosponsorship. The bill is at the desk and I hope that more sponsors will join with me.

Secondly, Madam President, I have been advised that a very special program will air this coming weekend on PCN. On Sunday, June 13, at 10 p.m., and on Monday, June 14, at 10 a.m., the Pennsylvania Cable Network will air its latest PCN profile featuring none other than our own Lieutenant Governor, Catherine Baker Knoll. As you may know, PCN Profiles is an hour-long, unrehearsed interview that is unedited for time or content. I understand from my sources, Madam President, that the PCN Profile of your long career is one of the most interesting in the PCN Profiles series. Certainly, as the former State Treasurer and now as the first woman Lieutenant Governor, this chronicle of your life and career should be required viewing as an inspiration for our young people. I urge all PCN viewers to tune in on Sunday at 10 p.m., or Monday at 10 a.m., to view this latest PCN profile on the first woman to preside over this august body.

Thank you, Madam President. I look forward to your interview this weekend.

BILL SIGNED

The PRESIDENT (Lieutenant Governor Catherine Baker Knoll) in the presence of the Senate signed the following bill:

The Senate adjourned at 11:20 a.m., Eastern Daylight Saving Time.
