Judiciary Committee
Pennsylvania House of Representatives
Harrisburg, PA. 17120

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Dina Lerman

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Victoria Price

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Pennsylvania House of Representatives
Harrisburg, PA. 17120

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Simone Allender

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Sally Wenzert

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

Mr. J. Woods

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,

To the Honorable Members of the Pennsylvania
House Judiciary Committee:

I urge you to oppose the 1989 Abortion Control Act. It is a direct attempt to overturn Roe vs. Wade and to make abortion illegal. You must realize that this will result in thousands of deaths per year of women who would die painfully and horribly from illegal abortions.

Rushing this bill through is wrong. It is a betrayal of the democratic process you have pledged to defend, and is an attempt at silencing the public on this most crucial issue. Do not try to sneak this through to avoid controversy. People's lives are at stake.

Sincerely,
