

My name is Kathy Brown, I was born and raised in Pennsylvania, attended Penn State and graduated from the Potomac Horse Center, Gaithersburg, Md. and the Meredith Manor School of Horsemanship in Parkersburg, W.Va.

I have lived and worked in several other states, but returned to Pennsylvania to manage a small breeding, training and boarding facility in partnership with my parents in Bellefonte, Pa.

I am extremely active with the Pennsylvania State 4-H Horse Program, and am currently chairperson of the State 4-H Horse Program Development Committee. We are proud to have over 6000 young people enrolled in the 4-H Horse Program in Pa.

I have been involved with the Quarter Horse industry for over 20 years.

I am currently the President of the Pennsylvania Quarter Horse Association, having served on their Board of Directors since the middle 70's. Our membership is currently near 2000 total members. We have a large youth organization and beginning in 1993 we now have a Pennsylvania Amateur Quarter Horse Association.

We have over 28,000 registered Quarter Horses in Pa. as of the year end figures for 1992, compiled by the American Quarter Horse Association. These represent animals with a combined value of over \$71,000,000.
