Heavy Highway Construction

To All Labor Committee Members:

Steelworkers Construction Local 15253 covers all the counties in the eastern half of Pennsylvania. We also have a sister local 14693 that covers the western part of the state,

Our members are Heavy Equipment Operators, Carpenters, Truck Drivers, Laborers, Cement Masons, Pipe Layers, Bridge Builders, Road Builders, Electricians, and Welders.

We have worked on Dams, Built Water Treatment Plants, and Sewer Treatment Plants. We have done loads of Site Development. We do gas line, water line, and sewer line work.

One of our companies, Paris Construction is doing a lot of work in Marcellus Shale in the western part of the state.

We have a State and Federal approved Apprenticeship Training Program.

We have a top of the line Healthcare Program through Highmark Blue Cross and a Defined Pension Benefit for all of our members.

In Solidarity,

Joseph M. Padavan
President USW Local 15253
